Squad 725	28,560 miles	Patrol Vehicle
Squad 726	186 miles	Patrol Vehicle
Nissan	135,843 miles	Chief's Vehicle

USE OF FORCE

In 2011, the Big Lake Police Department conducted (2) department qualification shoot, (1) use of Force Refresher class and (1) year taser qualification.

In both May, 2011 and December 2011, officers completed a firearms qualification at the Sherburne County Range and Training Center. Officers qualified with their "duty" pistol (Glock 17), squad rifle (M-16) and shotgun. All officers qualified at 80% or higher. Officers also completed a low light qualification at this same time. Officers concluded this training session with additional M-16 training. Officers were subjected to several "shoot", "don't shoot" scenarios. Officers received instructor feedback following each scenario. Officers were also instructed in Use of Force, Use of Force continuum and department policy as it relates to Use of Force.

Throughout 2011, officers completed taser qualification. This qualification is a yearly mandate set forth by department policy. Officers verbally demonstrated competency in the nomenclature of the taser (mode X26). Officers completed qualification by shooting 2 cartridges at a target. Officers successfully completed a written exam. The taser has been a very useful tool and has helped officers apprehend threatening subjects without causing substantial harm to subject or officer. Completing qualification, officers were instructed as to department policy and state statute.

In addition to the training in 2011, firearms instructors also cleaned and maintained 6 shotguns and 5 M-16's and inspected officers' weapons.

POLICE RESERVES

Investigator Rich Berg

This past year has been an exciting, and very productive year. In 2011, the Big Lake Police Department Reserve Unit met and surpassed the goal of 4,500 hours of volunteer service. The unit saw the departure of 1 reserve officer and the appointment of 2 new members. Field Training Officer Matt Lewis resigned after being hired by the Helena MT Police Department as a Full-time Police Officer. In 2011 we welcomed the appointment of Officers Follmer and Beyer. At the end of 2011 I submitted the Big Lake Reserve Unit as a whole and individually for the Presidential Volunteer Service Award. Each reserve officer as well as the reserve unit earned an award based on the amount of volunteer hours they completed throughout the 2011. Sgt Justin Boster received an additional Lifetime Award. This award is given to those individuals that complete at least 4,000 volunteer hours. Sgt Boster achieved this award in less than 4 years, accumulating over 6,000 volunteer hours to the City of Big Lake. The reserve unit is currently made up of 7 reserve officers.

The reserve unit completed 5,380 hours of volunteer hours to the Big Lake Police Department and City of Big Lake. The unit surpassed the lofty goal of 4,500 hours I set at the beginning of 2011. The reserves attended many community events, school functions as well as assisted the Big Lake Police Department with various tasks. The reserves had monthly meetings and mandated training throughout 2011. The list of reserve activities and areas of assistance is huge. All members of the reserve unit completed OSHA "on-line" training and are NIMS compliant. The reserve unit assisted the police department with a huge office cleanup and reorganization of the Big Lake Police Department archival file system. Personally and with the assistance of Sgt Boster, Chaffee, and FTO Prigge I completed the Reserve Officers Standard Operating Procedures, and Field Training Manual. This was a huge undertaking that was completed and will assist in the direction and training of the Big Lake Police Reserve Unit.

The reserve unit has set numerous goals for 2011 which includes the implementation of Project Life Saver. Recertification of the reserve officers in First Responder Medical Training, along with other yearly mandated training and activities. The reserve unit set a goal of 3,500 service hours for themselves. As coordinator, I have set goals to recruit and hire additional volunteer staff. I would like to increase reserve staffing to 10 members and complete all training for those new reserves.

2011 PREDATORY OFFENDER REGISTRATION

The Predatory Offender Registry (POR) is maintained by the Minnesota Bureau of Criminal Apprehension (BCA). The registry was created to monitor predatory offenders in the State of Minnesota. Predatory offenders are placed into categories referred to by the BCA as Level 1, Level 2 and Level 3. Level 1 offenders are considered the least likely to re-offend. Level 3 offenders are considered most likely to re-offend.

The POR Registry keeps track of each offender's home and work addresses, as well as vehicles registered to and used by each offender.

The Big Lake Police Department monitors the individuals residing within the City of Big Lake, Minnesota who are listed on the Predatory Offender Registry. Records are also kept of the predatory offenders registering as having moved out of the community.

Officers made at least 14 contacts during 2011 with each offender at their registered address to verify that the offenders were in compliance with the State's registration requirements.

The number of registered predatory offenders in Big Lake was classified as follows:

- Level 1 - 2
- Level 2 - 2
- Unassigned - 10

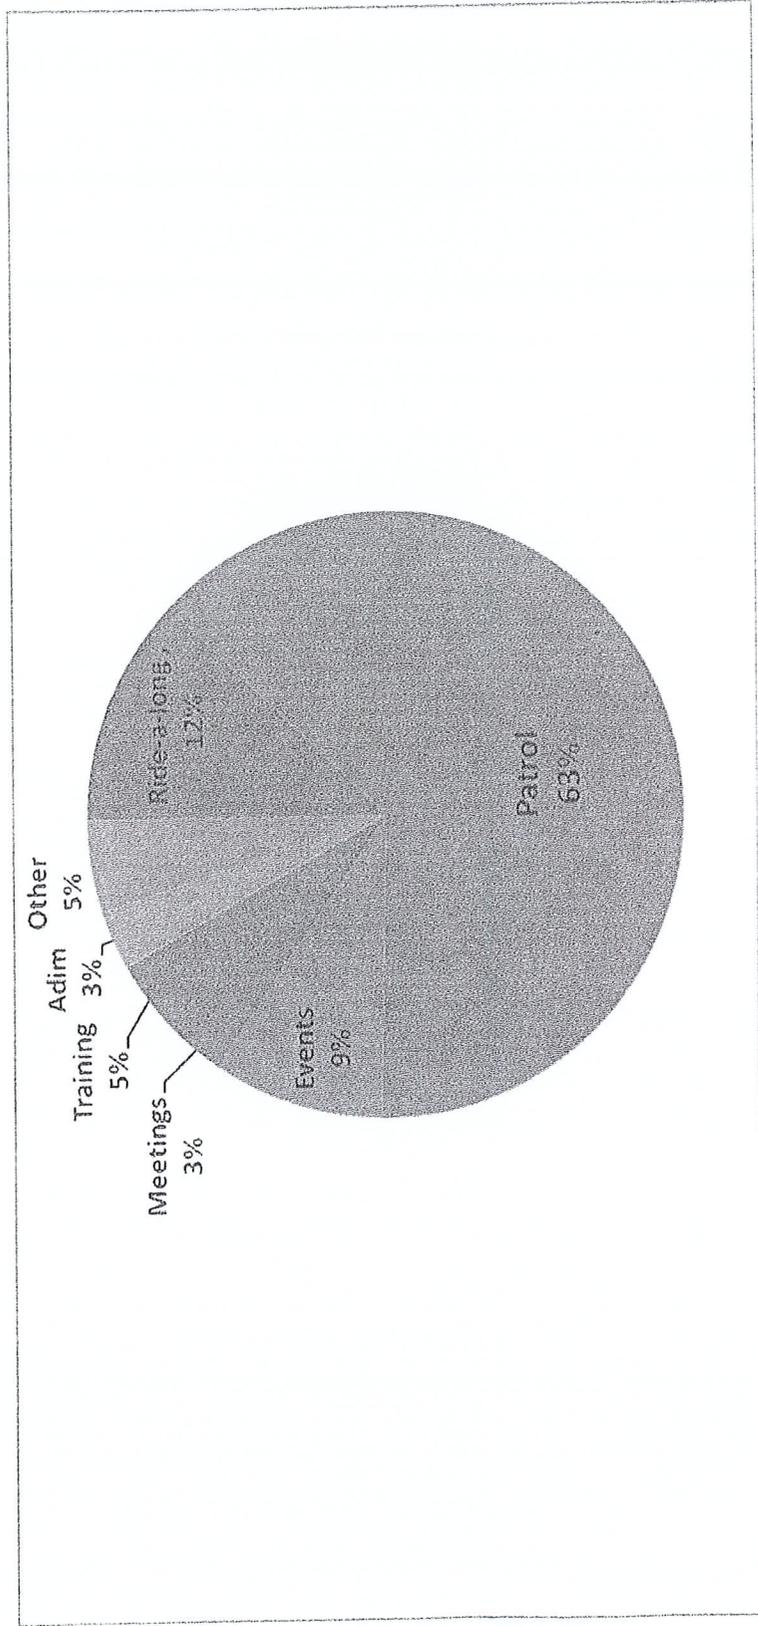

At the end of 2011 there were a total of 35 predatory offender registration address and/ or information changes for offenders moving in or out of the City of Big Lake.

The Big Lake Police Department continues to monitor the Minnesota BCA Predatory Offender Registry for listed offenders living in the City of Big Lake, Minnesota and continues to make contact with the offenders at their registered address to verify compliance throughout the year.

Big Lake Police Department Reserve Hours

2011 End Of Year Report Of Hours

2011 MEDICAL

All officers within Big Police Department have, at minimum, an initial First Responder level of medical training. First Responder training is specifically designed for those in professions which respond to emergency medical requests. The training provided instructs responders in the use of various types of medical equipment; including, but not limited to, Automatic External Defibrillators (AED), oxygen equipment and management, bleeding control and spine stabilization equipment. Big Lake Police Department prides itself on the level of training and proficiency of our officers in response to medical emergencies. With the assistance of grants and donations, we were able to purchase a new defibrillator, batteries and pads.

For the year 2011, officers responded to 324 requests for medical assistance. The average response time of officers from dispatch to arrival is unknown at this time due to detailed reporting is unavailable through the new ProPhoenix Record Management System. ProPhoenix software developers are working to provide these data queries.

In addition to the 324 medical calls for assistance, officers responded to 28 mental health calls, 10 suicide attempts and 5 deaths.

Our officers wish to recognize the support and assistance of the Big Lake Fire Department and New River Medical Center Ambulance Services. We are proud of the incredible work done by these agencies and we are always striving to improve the service provided to communities.

2011 RECORDS AND ADMINISTRATION

Administrative Staff

There is currently two employees staffing the Administrative Records Office. There is a full-time Police Administrative Assistant and a Police full-time Secretary. The primary role of the Administrative Records Office is to collect, process, disseminate and maintain department records in accordance with Federal and State Data Practices laws and Records Retention requirements. The various administrative and support services include:

- Provide information and assistance to the public.
- Clerical / administrative support for the Police Department including confidential secretarial duties for the Police Department and Police Chief.
- Typing / transcription / data entry and organizing and maintaining a variety of police records accurately and confidentially. Prompt processing of arrest and citation paperwork.
- Coordinate information with other law enforcement agencies, committees or other City departments. Refer information or materials to appropriate sources.
- Notify officers of court appearances and cancellations.
- Prepare reports, citizen letters, correspondence, etc. as needed and directed by the Police Chief.
- Provide communication necessary to ensure employee understanding of various Police Department policies, procedures, rules, and regulations.
- Dispatch or refer calls received in office by phone / in person as is necessary to officers on duty. Monitor radio for contacts by officers and sheriff's office.
- Send notification to schools that juvenile offender attends for all tobacco, alcohol or drug violations per Minnesota Statute.
- Perform criminal histories, background checks, driver's license and vehicle inquiries as necessary through the State CJIS (Criminal Justice Information System) in compliance with BCA regulations in accordance with Data Practices.
- Prepare and update residential security watch list as requested by citizens and businesses. Obtain all pertinent information from resident for officer.
- Prepare crime and incident statistics and other activity reports.
- Perform all other necessary duties as apparent or assigned.

2011 DWI ARRESTS

FORFEITURES

In 2011, the Big Lake Police Department forfeited the following vehicles:

VEHICLE

STATUS

2000 Chevrolet Silverado Pickup Truck	Sold at Auction
2003 Chevrolet Cavalier	Sold at Auction
2005 Chevrolet Silverado Pickup Truck	Retained by Big Lake Police
2000 Ford Expedition Truck	Awaiting Judicial Notice
2000 Chevrolet Tahoe Truck	Forfeiture declined by Co. Atty.

WEAPON

STATUS

Western Field Shotgun	Sold at Auction
Remington 870 Shotgun	Sold at Auction
New England Arms Shotgun	Sold at Auction
Marlin Model 30 Rifle	Sold at Auction

The Big Lake Police Department seizes vehicles that are subject to forfeiture resulting from alcohol and drug related offenses, as well as for fleeing a police officer in a motor vehicle. The proceeds of alcohol related vehicle forfeitures when dispersed are divided as follows: 30% to the Sherburne County Attorneys Office and 70% to the department. Cash and other valuables are also eligible to be seized when determined to be associated with drug activity. The proceeds of drug related property forfeitures when dispersed are divided as follows: 10% to the State on MN, 20% to the Sherburne County Attorney's Office, and 70% to the department.

The Big Lake Police Department also has the option to dispose of seized vehicles or property and to utilize them for police purposes.

In 2011, forfeitures grossed a total of \$2,510. Of course, there are various deductions, legal and judicial fees, towing and storage charges involved in running a forfeiture program that are deducted from these figures.

At the close of 2011 the Big Lake Police Department's forfeiture inventory included 1 vehicle pending further action.
