Sand Prairie Dental Turns 30!

April 1 marks the 30th Anniversary that Dr. Roger Bromaghim has served the Big Lake area, providing comprehensive dental care for his patients.

His dental team of three hygienists, two dental assistants and two office staff has complemented his caring manner for almost as long as Big Lake Dental/Sand Prairie Dental has been in existence! Together he and his dedicated staff provide state of the art dentistry in a state of the art dental facility.

Not only has he provided dental care for many patients, he has served our community in

numerous positions. He served eight years on the Monticello-Big Lake Hospital board, four years on the Big Lake School Board, and continues to serve on both the Options, Inc. board of directors and KleinBank's market advisory board. He and his wife Connie have volunteered in many community organizations as well. He is proud of his exceptional staff that not only contribute their dental expertise, but who all give back to the Big Lake, Monticello, and Elk River communities in many, many ways.

Dr. Roger opened Big Lake Dental in downtown Big Lake in 1984 after completing dental school and a general practice residency at the University of Minnesota. He relocated and changed the name to

Sand Prairie Dental, February 2007, a name that reflected the new location, in the sand, on the prairie. Dr. Roger also especially likes prairie restoration and has incorporated native Sherburne County prairie plants in the landscape.

He is a Fellow in the Academy of General Dentistry, a national organization whose emphasis is on continuing dental education, the American Dental Association and the Minnesota Dental Association.

The business community is welcome to stop in for a special anniversary treat on April 1!

Congratulations to Sand Prairie Dental for providing superb dentistry to the Big Lake Area for thirty years with many more to come!

Anytime Fitness Food Drive / Membership Special

You will also receive free "24/7 Fitness on Request" classes and free unlimited tanning with your membership! The Big Lake Food Shelf and Anytime Fitness thanks you!

Kelco Supply Celebrates 75 Years

Kelco Supply Company celebrates a Diamond Anniversary, serving the death care industry for 75 years. Kelco Supply Company was founded in 1939 by Leo Hodroff; originally named L.H. Kellogg Chemical Company. The company went through two corporate transitions until it ultimately ended up back in independent hands in 1990. This transition back to an independent, privately owned company was smooth, and positioned the company for continued success.

A Legacy of **Business**
and **Community**

www.kelcosupply.com

Nira Mesker was a true visionary, and it was a mother/daughter duo for many years, but as the current owner, Alicia Carr continues to bring her mother's legacy to light in all aspects of the business. The talented and dedicated team of staff members is committed to exceeding clients' expectations. It has been, and will continue to be the cornerstone of the business.
