### **Garage Burglaries**

During the early morning hours of November 25, unknown individual(s) entered 4 residential garages in the areas of the 600 block of Park Avenue, and 1100 block Powell Street. The individual(s) stole several items including power tools, and items from vehicles parked in the garages. Access was gained to the garages through unlocked service doors. While this is an unusual crime to our community, as a general reminder please be diligent in locking all access points to garages and residences as a matter of practice. Big Lake Police are asking anyone who may have noticed suspicious activity during this time span, or have information about these crimes to contact Investigator Rich Berg at 763-251-2987.
