Burglary at H2 Watersports-Strike Master

On 03/14/14 at about 7:30 a.m. Big Lake Police were dispatched to 17207 198 Ave. N.W. regarding a burglary having occurred. Unknown person(s) entered the building through the front door which had been pried open. It was also determined that all of the phone lines in an adjacent utility pedestal had been cut, interrupting phone service to a large area. The burglary occurred during the nighttime hours of this date.

Through an inventory it was determined that a large amount of new product was removed from the store, along with items owned by the business. It is believed all that was stolen, was removed by an enclosed trailer also missing from the business. A preliminary estimate of missing items is placed in excess of \$34,000.

Big Lake Police are asking anyone who may have witnessed suspicious activity during this date, or knowledge of where these items are being disposed at, to contact Investigator Rich Berg at 763-263-2500 with information.
