BIG LAKE POLIC DEPARTMENT

160 Lake Street North, Big Lake MN, 55309

Incident Number: 14-4469

Date/Time: 7/17/2014

Suspect Arrested for Possession of Methamphetamine

On June 29th Big Lake Police Officers and Centracare Paramedics were dispatched to a medical emergency at an address in this City of Big Lake, involving a narcotics. When Officers entered the residence they found a juvenile exhibiting signs of a narcotics overdose. Through their initial investigation Officers determined that the juvenile had ingested a large amount of one or more narcotics and was transported by ambulance for medical attention.

Through their continued investigation on the scene, one person was found to be in possession of methamphetamine. The suspect identified as Jordan Holtz (Age 18 – Big Lake) was placed under arrest and transported to the Sherburne County Jail. Holtz was charged by criminal complaint with one count of 5th Degree Controlled Substance Possession. This investigation remains open, and further charges are possible. The subject of the overdose is expected to make a full recovery.
