Big Lake Police Move to New Location

The Big Lake Police Department has operated out of two separate locations for the past 2 years. The Offices of the Chief of Police, Investigations, and Records were located at 160 Lake Street North, City Hall. The Offices and Operations for Patrol Officers and the Reserve Unit were located at 790 Minnesota Avenue.

As of December 21, all Big Lake Police Department Offices and Operations will be located at 790 Minnesota Avenue. The public entrance will be adjacent to the Big Lake Public Library Entrance. In the very near future, the Prescription Drop Box will also be moved to the lobby of the new police department. This move allows for all police department operations to be located under one roof, and for added space at City Hall eliminating current space constraints in that facility.

The phone number for the police department will remain as; 763-263-2500. If you have any questions, please feel free to call, or visit www.biglakepolice.com. Please watch for future information on an open house to provide our residents a tour of our new facility.
