---

160 Lake Street North, Big Lake MN, 55309

---

**Incident Number: N/A**

**Date/Time: 4/10/2014**

### **Season for Thefts from Vehicles**

The warmer weather brings a welcome change of pace for all of us, including those who seek to steal from parked motor vehicles. In order to minimize your chances of being a victim of this type of crime, Big Lake Police ask that you; be diligent about removing items of value from your vehicle or at least moving them out of view, and most importantly please lock your vehicle after leaving it. These simple suggestions apply to all locations including parking lots and driveways. As a final reminder, please report activity that appears suspicious, the majority of our vehicle thieves have been apprehended as a result of citizen tips of suspicious activity.
