Incident Number: 15-8902

Date/Time: 11/11/2015

5 Juveniles Referred for Charges in Burglary

On November 10th 2015 at 5:30 pm, Big Lake Police Officers were dispatched to the Carousel Works at 160 Lake St. N. in regards to a reported burglary. Officers determined that individual(s) had gained access to the main "old" school portion of the building by forcing open an exterior door, causing damage to it. Through their investigation, it was determined a cash register had been damaged, cabinets gone through, and items taken from the building. Found on the scene was an item of clothing with an identification card in the pocket.

Officers located the individual a short time later belonging to the identification card, identifying one of the suspects. At the completion of their investigation, Officers determined 5 individuals were identified as having been inside the building. In addition, a large amount of air soft gear and equipment was recovered and returned to its owner.

All individuals involved are under the age of 18 so their identities will not be released per Minnesota Data Practices Law, this case has been referred to the Sherburne County Attorney's Office for criminal charges including burglary.
