## **BIG LAKE POLICE DEPARTMENT**

---

790 Minnesota Avenue, Big Lake MN, 55309

---

**Incident Number: Multiple**

**Date/Time: 11/29/2016**

### **Vehicle Window Damage**

Over the past two weeks, the Big Lake Police Department has responded to 21 separate reports vehicle windows having been shattered with a pellet or BB gun. In one instance the vehicle owner was sitting in the vehicle when this occurred. These incidents have been spread throughout our community, and have been occurring during nighttime hours. The City of Monticello also experienced multiple incidents similar to those in our community.

From information obtained by officers, there are currently two suspect vehicles identified;

- Suspect vehicle #1 is described as a blue or green Chevrolet Equinox (image of that make and model below).
- Suspect vehicle #2 appears to be an early 2000 era Toyota Corolla, and image was captured on a surveillance system (image below).

Each window broken equates to hundreds of dollars in damage and loss to the vehicle owners. We are anxious to locate and criminally charge those involved. We are asking that if you see suspicious activity, please call our dispatch at 763-765-3595 to report it. We are also asking for your assistance, if you have information related to these crimes please contact Investigator Rich Berg of the Big Lake Police Department at 763-251-2987.
