

Volunteer of the Month Nomination Form

The City of Big Lake has numerous great organizations and events that make Big Lake an enjoyable and fun place to live, and a active, supportive place to start a business. Much of the work for these organizations and events is provided through the generosity of the caring residents of Big Lake who donate their time.

The City of Big Lake is thankful for all that our community-minded volunteers do for the community. Many of our events and initiatives wouldn't succeed without their generosity. The amount of time and resources that our volunteers pour into the community is remarkable and has a tremendous impact on our residents and businesses. The City created this program to thank those individuals and to bring to light the vast amount of time and resources that are generously given each month to the community.

Who is Eligible and How do I Nominate Someone?
