# AGENDA ITEM

Big Lake City Council

<b>Prepared By:</b> Deb Wegeleben, Finance Director	<b>Meeting Date:</b> 1/8/2020	<input type="checkbox"/> Regular Agenda Item <input checked="" type="checkbox"/> Consent Agenda Item	<b>Item No.</b> <b>6A</b>
<b>Item Description:</b> List of Claims	<b>Reviewed By:</b> Clay Wilfahrt, City Administrator		
	<b>Reviewed By:</b> (N/A)		

**ACTION REQUESTED**

Motion to Approve List of Claims paid dated 12/05/19 through 01/02/20 and Approve Payroll No. 25 & 26.

**BACKGROUND/DISCUSSION**

Attached is the List of Claims paid through 01/02/2020. Please contact me with any questions or concerns.

---

*Any elected official who contracts or submits an invoice to the City for payment of services is required to abstain from the vote of said payment, and execute an "Affidavit of City Official Interested in Claim" form prior to receiving payment pursuant to MN Statute 471.87:*

**471.87 PUBLIC OFFICERS, INTEREST IN CONTRACT; PENALTY.**

Except as authorized in section [123B.195](#) or [471.88](#), a public officer who is authorized to take part in any manner in making any sale, lease, or contract in official capacity shall not voluntarily have a personal financial interest in that sale, lease, or contract or personally benefit financially therefrom. Every public officer who violates this provision is guilty of a gross misdemeanor.

**471.88 EXCEPTIONS.**

**Subdivision 1. Coverage.**

The governing body of any port authority, seaway port authority, economic development authority, watershed district, soil and water conservation district, town, school district, hospital district, county, or city, by unanimous vote, may contract for goods or services with an interested officer of the governmental unit in any of the following cases.

**Subd. 5. Contract with no bids required.**

A contract for which competitive bids are not required by law.

**ATTACHMENTS**

List of Claims

Workshop Minutes

**BIG LAKE CITY COUNCIL  
WORKSHOP MINUTES  
DECEMBER 11, 2019**

**1. CALL TO ORDER**

Mayor Wallen called the meeting to order at 5:00 p.m.

**2. ROLL CALL**

Council Members present: Seth Hansen, Rose Johnson, Paul Knier, Mike Wallen, and Scott Zettervall. Also present: City Administrator Clay Wilfahrt, Finance Director Deb Wegeleben, City Clerk Gina Wolbeck, Community Development Director Hanna Klimmek, City Engineer Layne Otteson, Police Chief Joel Scharf, Deputy City Clerk Janette Rust, and Liquor Store Manager Greg Zurbey.

**3. PROPOSED AGENDA**

Council Member Knier motioned to adopt the proposed Agenda as presented. Seconded by Council Member Zettervall, unanimous ayes, Agenda adopted.

**4. BUSINESS**

**4A. Financial Policy Update Discussion**

Deb Wegeleben reviewed the City's process for paying claims. Historically, claims have been processed and mailed out on a weekly basis. The List of Claims has always been approved by Council, however the checks have already been mailed out prior to the Council Meeting. Wegeleben noted that if Council is in favor of continuing with this process, this should be included in the next financial policy amendment. Wegeleben also reviewed the addition of the BLEDA Sewer Access Charge (SAC) Subsidy Policy to the City's Financial Policy.

Council Member Johnson asked if there would be a delay in payments if we wait to send out checks. Wegeleben explained that any checks processed after a List of Claims is finalized could have a delay in payment, and noted that the City is required to pay invoices within 30 days of receipt.

The general consensus of the Council was to continue current payment practices and bring back an amendment to the Financial Policy to the next meeting to include the revised payment language and inclusion of the BLEDA SAC Subsidy Policy.

#### **4B. Large Commercial Vehicle Parking in Residential Neighborhoods**

Michael Healy reviewed the recommendation from the Planning Commission relating to the City's ordinance regulating large commercial vehicle parking in residential neighborhoods. The current code allows one commercial vehicle parked on-site not weighing more than 12,000 pounds. After numerous discussions at both the City Council and the Planning Commission, the Commission has unanimously reached a consensus that they are not in favor of raising the weight limit beyond 12,000 pounds, and that they would like the code to be left in its current language.

Council Member Johnson stated that the City has commissions for a reason. Johnson stressed that commissions are comprised of a broad spectrum of citizens, and the Planning Commission has discussed this issue at length. Johnson stated that we should support our Planning Commission and is in support of allowing a period of time to begin enforcement.

Council Member Zettervall noted that he was the lone person on the Planning Commission to favor making changes to the current code. Zettervall stated that he would be in agreement to leave the code as is, but that we need to enforce the rules.

Council Member Knier questioned how the City came up with the 12,000 pound weight limit. Healy explained that the 12,000 pound weight limit is the most common and seems to be most arbitrary. Layne Otteson reviewed street designs and tonnage restrictions, and stressed that street damage is most common in the spring months. Knier stated that as long as it is an arbitrary thing, he is o.k. with being a more freedom driven town. Knier noted that he has walked the streets in the problem area and acknowledged that there were a few of these types of vehicles parked in driveways, along with a number of campers.

Council Member Hansen stated that he feels we should leave the code language as is, and stressed that the Council should not de-value a recommendation from the Planning Commission.

Mayor Wallen stated that he does not like to deviate from a City commission's decision. Wallen stated that he is in favor of leaving the code as is, and to hold-off on enforcement until mid-year 2020.

Mayor Wallen, and Council Members Hansen, Johnson and Zettervall were in favor of leaving the code language as is in its current format, and to wait until July 1<sup>st</sup> to enforce the rules for current violations. Council Member Knier stated his preference to amend the code to reduce regulations pertaining to large commercial vehicles in residential neighborhoods.

Council directed Staff to observe a grace period and not enforce the current parking ordinance on the existing violations until July 1, 2020 to allow the owners of these properties in violation additional time to comply with the ordinance.

#### **4C. Public Works Equipment Purchase Discussion**

Layne Otteson reviewed upcoming purchases for equipment needed in the Public Works Department. Otteson noted that the Capital Improvement Plan (CIP) fund identifies two specific pieces of equipment. In 2018, the CIP identified the purchase of a dump truck equipped with snow plow attachments. This unit would replace truck #87 in our Public Works fleet. This equipment was not purchased in 2018 but was carried over for purchase this year. Otteson noted that the dump truck has been ordered and will arrive in October 2020. The purchase of a Pothole Patcher with a trailer has been identified as a need to improve the quality of our street maintenance. This equipment would allow the use of hotter asphalt materials for patching potholes, thus increasing material longevity as well as reducing man hours. The existing unit is 40+ years old, and the continued use elevates risk to the City. Staff is currently reviewing a new model as well as a demo unit from local vendors. The units are identical except the demo unit has about 20 hours of use. Staff will closely examine both units prior to moving forward with a purchase. Otteson reviewed costs of each piece of equipment and funding options. The budget for the dump truck is \$210,000 with actual costs expected closer to \$200,000 through the State bid

Process. The Pothole Patcher is expected to cost slightly under \$41,000. Otteson noted that this expense will come from Fund 199, Street Department Allocation.

Council discussed the importance of bringing our Public Works fleet up to date.

#### **4D. New Ideas Discussion**

Council Member Zettervall discussed the recent variance application requesting a square footage allowance on accessory structures in comparison to attached garages versus detached structures, and asked Council to direct Staff to rewrite the code to alleviate this problem. Michael Healy noted that an amendment to the Code makes sense, noting that a language change would provide more leniency on determining setback requirements for accessory structures whether they are attached or detached structures. Council directed Staff to proceed with drafting a revision to the City's code relating to accessory structures and to bring to the Planning Commission for review.

Council Member Johnson informed Council that she was contacted by a resident who lives in the Big Lake Estates Manufactured Housing community. The property was recently sold after foreclosure and the residents are very concerned that they will lose their homes. Johnson asked for Council support on directing Staff to draft an Ordinance to offer some type of protection. Michael Healy reviewed Ordinances that other communities have enacted noting that State Law governs relocations when a manufactured home park closes and/or sells. State law is enforced by the State, and offers a public hearing option and a relocation program to help with eligible relocation costs. It was also discussed that other cities have adopted ordinances that offer some protection to the home owner. Council directed Staff to research this option and report back.

Council Member Knier discussed the status of discussions of working with property owners to waive water usage for properties that have had to run their water to avoid freeze ups. Deb

Wegeleben clarified that the City cannot waive water usage for any property, but could potentially offer a credit on a specific dollar amount. Wegeleben stressed that we would have to show what the actual usage is on their utility bill, and credit the difference. It was also discussed that we need to be clear on who would qualify for this type of credit, and that all requests will be routed to Public Works for review.

5. **OTHER** – No other.

6. **ADJOURN**

Council Member Hansen motioned to adjourn at 5:49 p.m. Seconded by Council Member Knier unanimous ayes, motion carried.

Regular Meeting Minutes

**BIG LAKE CITY COUNCIL  
REGULAR MEETING MINUTES  
DECEMBER 11, 2019**

**1. CALL TO ORDER**

Mayor Mike Wallen called the meeting to order at 6:00 p.m.

**2. PLEDGE OF ALLEGIANCE**

The Pledge of Allegiance was recited.

**3. ROLL CALL**

Council Members present: Seth Hansen, Rose Johnson, Paul Knier, Mike Wallen, and Scott Zettervall. Also present: City Administrator Clay Wilfahrt, Finance Director Deb Wegeleben, Community Development Director Hanna Klimmek, City Engineer Layne Otteson, Police Chief Joel Scharf, Police Captain Matt Hayen, City Clerk Gina Wolbeck, City Planner Michael Healy, Deputy City Clerk Janette Rust, and Liquor Store Manager Greg Zurbey.

**4. OPEN FORUM**

Mayor Wallen opened the Open Forum at 6:00 p.m.

Dominique Boudy, 408 Polk Street, and Jody Breaux, 420 Polk Street – jointly asked Council to consider an Ordinance to offer them protection during the sale of the foreclosed Manufactured Home park.

George Quinn, Lake Street North – discussed the recent First Responders Walk-a-thon event noting that they raised \$1,000 towards law enforcement, and thanked the parties that helped organize and fund the event. Quinn also stated his support for the proposed Freedom Rock project, but stressed the intent of the Veteran's Memorial which sits on sacred land. Quinn stated that he feels the Freedom Rock is a political statement that does not belong at the memorial, and asked the Council to reconsider its location.

Bettina Potter, 120 Edgewater Place – reminded the public of the importance of safety on the ice and encouraged citizens to clean up their litter and waste on the lake.

Mayor Wallen closed the Open Forum at 6:08 p.m.

## **5. PROPOSED AGENDA**

Council Member Knier motioned to adopt the proposed Agenda with the addition of item no. 7J. Appointment of Police Officer Candidate(s). Seconded by Council Member Johnson, unanimous ayes, Agenda adopted.

## **6. CONSENT AGENDA**

Council Member Hansen motioned to approve the Consent Agenda as presented. Seconded by Council Member Zetervall, unanimous ayes, Consent Agenda approved. The Consent Agenda consists of: 6A) Approve List of Claims, 6B) Approve Council Workshop Minutes of November 13, 2019, 6C) Approve Regular Council Meeting Minutes of November 13, 2019, 6D) Approve Budget and Levy Public Input Meeting Minutes of November 26, 2019, 6E) Approve Joint Committee Workshop Minutes of December 5, 2019, 6F) Approve a 1 to 4 Day Temporary Liquor License for the Big Lake Lions Little Hole Ice Fishing Tournament on February 22, 2020, 6G) Approve Resolution No. 2019-88 approving an Assignment of Tax Increment Financing Note for TIF 1-7 Northern Star Apartments LLC, 6H) Set Joint Powers Board Meeting on January 8, 2020 at 4:30 p.m. in the City Council Chambers for Review of Amendments to the BLEDA Bylaws, 6I) Approve Ordinance No. 2019-15 Creating a Mixed-Use Commercial/Industrial Zoning District and Rezone of 19922 Industrial Drive NW and 19950 – 177th Street NW, and Approve Summary Publication Resolution No. 2019-89, 6J) Approve Ordinance No. 2019-16 Amending Structure Setback for Existing Lots of Record in the R-5 District, and Approve Summary Publication Resolution No. 2019-90, 6K) Approve City Staff Reorganization; 6K.i) Approve the City Engineer/Public Works Director Job Description and the Appointment of Layne Otteson to the Position Effective Immediately, 6K.ii) Approve the Water/Wastewater Superintendent Job Description and the Appointment of Daniel Childs to the Position Effective Immediately, 6K.iii) Approve the Streets and Parks Superintendent Job Description, and the Appointment of Nicholas Abel to the Position Effective Immediately, 6K.iv) Approve the Recreation and Communication Coordinator Job Description, and the Appointment of Corrie Scott to the Position Effective Immediately, 6K.v) Approve the Full-time Community Development Administrative Assistant Job Description, and the Appointment of Trisha Lindahl to the Position Effective January 1, 2020, 6K.vi) Approve the Part-time Community Development Administrative Assistant Job Description, and the Appointment of Sandy Petrowski to the Position Effective January 1, 2020, 6K.vii) Approve the Part-time Public Works Administrative Assistant Job Description, and the Appointment of Cathleen Lindberg to the Position Effective January 1, 2020, and 6L) Approve the MPCA Account Holder Authorization Forms.

**7. BUSINESS**

**7A. PUBLIC HEARING – Order Final Plans and Specifications for the 2020 Street and Utility Improvement Project No. ST2020-1**

Layne Otteson reviewed the proposed 2020 Street and Utility Improvement Project No. ST2020-1 noting that the identified improvements are programmed in the Capital Improvement Plan (CIP) and are being proposed due to the deterioration of the pavement on various streets. Otteson also noted that the scope of this project focuses on street rehabilitation and drainage improvements. There are 22 street segments that have been found to be in need of resurfacing or reconstruction. Proposed ancillary work includes water service insulation, sidewalk, water main looping, street lighting and storm water quality improvements. Otteson noted that Staff has been communicating with affected property owners since last spring and three open houses have been held, with attendance at these open houses varied between 30 to 60 residents. Comments from residents will continue to be taken and considered for revisions to the scope of the proposed project.

A Preliminary Engineering Report was prepared for the project and has been revised since the last meeting. Otteson stressed that streets will be designed to minimize costs, and that sidewalks are recommended in specific areas but may be removed as directed by the City Council. Otteson reviewed specific street areas that are proposed in the project, noting that the projected costs are estimated to be \$3.73M which will be funded through bonding, which in turn is supported with \$1.68 in special assessments, \$50,000 from enterprise funds, and \$2M through the use of Municipal State Aid dollars and the City's levy. Otteson reviewed the City's Assessment Policy explaining how assessments will be calculated, provided a tentative project schedule, and noted that staff will provide communication to residents throughout the project.

Council Member Johnson asked for clarification on whether or not Will Street will have a sidewalk. Otteson confirmed that a sidewalk is proposed on Will Street.

Mayor Wallen opened up the public hearing at 6:35 p.m.

Bettina Potter, 120 Edgewater Place – commended the City for moving forward with this project, and stressed that a regulated street project plan is important to the City. Potter also encouraged the Council to continue looking out for the safety of pedestrians and vehicle traffic, as well as for first responders and visitors. Where ever possible, we should always be cognizant of first aid being needed. Potter advised the City to move the project forward with street projects as intended every two years.

Diane Warner, 170 Edgewater Place – noted that the pavement on Edgewater Place is in need of work, but is concerned with the limited traffic on the street and stated that no

sidewalk or curb and gutter improvements should be included in this area. Otteson clarified that no sidewalk is planned for this area.

Lee Fischer, 271 Euclid Avenue – stated his concern with the widening of the road on Euclid and the possibility of losing mature trees in the project area. Otteson reviewed planned improvements on Euclid Avenue. A narrowing of the road with sidewalk can possibly be accommodated, but the alignment must be in a way that will work. The trees are well into the City's right of way and tree preservation is always vital in these types of projects. This area will be tight to keep the oak trees, and he cannot say at this time if the trees can be saved but will work with the property owner to look at various possibilities.

Scott Creighton, 601 Lakeshore Drive – stated his concern with the past Lakeshore Drive street project regarding water drainage that comes into his driveway, and requested to see the drainage plans for the project. Otteson reviewed the elevation of Lakeshore Drive, the high water table, and proposed drainage plans in the 2020 project.

Linda Peterson, 541 Westwood Drive – stated her concern with water drainage on her street, and the watermain shutoff location which is located on her neighbors lot asking that it be corrected. Otteson noted that her service line is approximately 15 feet from her property which could have occurred when the lot lines were established over five decades ago. We could correct during construction but she would need to finish the work up to her house, and potential costs for this would be passed on to the homeowner.

Shannon Reagan, 251 Euclid Avenue – stated her concern that installing a sidewalk on Euclid will have a negative effect on plantings in the area. Reagan also stated her concern about parking issues during construction. Otteson discussed access concerns and potential ways access will be addressed during specific times of construction.

Joe Fowler, 401 Lakeshore Drive – discussed sidewalk placement, curb and gutter, and stormwater improvements throughout the project area. Fowler also asked if the alley along his property will be part of the project, and stated that he would like prevailing wages paid to people doing the work. Otteson noted that the City has not previously had the practice of requiring prevailing wage in our contracts. Otteson also discussed the alley area, noting that we are waiting for a response from the Soil and Water Conservation District, and if the City moves forward with improvements to this area, a funding determination would need to be made before it is added to a street project.

Missy Fowler, 401 Lakeshore Drive – stated that she agreed with her husband's comments. Fowler also discussed lighting concerns in the area stating that the City needs to install adequate lighting in our projects.

Chris Roque, 601 Euclid Avenue – stated that he feels our open houses can be structured differently, and that the City needs to be transparent. Roque stated that there is not a need for a sidewalk noting that it is too expensive for the few number of people that will use it. Roque submitted a signed petition in protest of a sidewalk. Otteson discussed that sidewalk placement is a discussion that needs to continue with the residents. Otteson also discussed the City's Complete Streets Policy and noted that both Sherburne and Euclid are State Aid routes. Otteson informed Council that Staff has also received phone calls from residents who want the sidewalk in this area, stating that there is a benefit to having a separation between vehicles and pedestrians and that sidewalks get pedestrians off the street areas. Otteson also noted that misinformation has been given out by someone from the public as to how costs are distributed on sidewalk construction as well as snow control from the plows.

Marie Ebert, 430 Highland Avenue – discussed the possible extension of Highland Avenue. Otteson explained that as part of the Comprehensive Plan, Highland Avenue is projected to connect up to a future neighborhood sometime in the future, but at this time we don't have a timeframe for that to happen. Otteson noted that Staff is not recommending a sidewalk in this area at this time.

George Quinn, Lake Street North – discussed that Lake Street North was a complete reconstruction 17 years ago and since then, residents in this area have had freeze up issues at curb stops, stating that he feels there was insufficient insulation in the City's infrastructure. Quinn suggested that some of the new commercial development fees go towards street improvement infrastructure costs. Otteson noted that he will contact Mr. Quinn to discuss freeze up issues.

Dustin Wiebold, 140 Sherburne Avenue – discussed drainage and elevation issues on his street, noting that Staff has been very receptive and easy to work with. Wiebold stressed that this road project will be a smart investment, noting that more lighting and sidewalks are needed for safety, and storm sewer and other type of drainage improvements are necessary in this area. Wiebold also clarified that the City's right-of-way is not owned by the adjacent property owner and residents should not place plantings in these areas. Wiebold encouraged the City to mitigate frost issues when this project is done and acknowledged that it is his responsibility from his property up to the main.

Gary L. Snyder, 130 Euclid Court – stated that he feels things happen without a lot of forethought and proposed that a complete summary be distributed to every citizen and asked for a city-wide vote.

Duane Langsdorf, 121 Highland Avenue – asked what the classification of Euclid Avenue is. Otteson explained that Euclid Avenue is a collector street. Langsdorf also stated Highland Avenue ends with a large swamp area and feels it will not ever be completed.

Michael Healy noted that there is a large parcel that is in this area, and the only future connection would be from Highland Avenue. Healy also reviewed the City's Comprehensive Plan that relates to this area which does specifically identify Highland Avenue as a through street.

Bill Harrison - 110 Euclid Avenue – stated that he feels we do not need sidewalks on Euclid Avenue, and that adding sidewalks is just adding more expense to the project.

No one else came forward to speak at the Public Hearing. Mayor Wallen closed the public hearing at 7:30 p.m.

Otteson reviewed the development of the final plans and specifications and further review of specific improvements within the project. Otteson noted that the final design will be brought back to Council for final approval and/or changes. Otteson also discussed that he will hold another open house inviting affected property owners to voice their concerns. Michael Healy discussed the Complete Streets Policy that was adopted by the Council in 2010 which is very specific on areas where sidewalks are needed as it doesn't just affect the adjacent property owners, but also users in the general area. Healy noted that the policy was designed to determine safety enhancements for all pedestrian users.

Council Member Knier asked if there has been pedestrian safety issues in this area. Chief Scharf discussed the limited amount of pedestrian crashes we have had.

Council Member Johnson motioned to approve Resolution No. 2019-91 Ordering the Final Plans and Specifications for the 2020 Street and Utility Improvement Project No. ST2020-1. Seconded by Council Member Zettervall, unanimous ayes, motion carried.

## **7B. Variance Application – to allow a Garage Addition at 154 Hudson Avenue**

Michael Healy reviewed the planners report for the variance application submitted by David Hale for the property located at 154 Hudson Avenue, which is bordered by Lake Mitchell on the north and east side. The parcel is just over one acre in size which is unusually large for the neighborhood. The parcel is located in the R-5 Residential Redevelopment zoning district which is the special zoning district that covers all the neighborhoods in Big Lake that were developed prior to the 1950's. The variance request is to allow a 520 square foot garage addition which will push the property beyond its 1,200 square foot allowance for accessory buildings. Healy noted that the subject property is a seasonal recreational cabin property that has been owned by the Hale family since 1981. The family is anticipating additional usage at the property and would like to make improvements to the property to prepare it for the increased usage. They are seeking to build a 520 square foot addition onto the existing 676 square foot detached garage, noting the need for additional storage space for vehicles and their boat. Healy reviewed the layout of other structures on the lot,

City Code relating to detached accessory structures, impervious surface restrictions, and the formal findings of fact for the Variance. Healy noted that the Planning Commission held a public hearing for the Application on November 6, 2019 and no comments from anyone outside the family were submitted. Planning Commissioners discussed the legal requirements relating to a variance request and the need for a legitimate practical difficulty to be recognized. The Planning Commission ultimately passed a motion recommending approval of the variance on a 5 to 2 vote with Commissioners Heidemann, Odens, Marotz, Sundberg, and Vickerman voting to recommend approval of the variance, and Commissioners Green and Zettervall voting to recommend denial.

Council Member Hansen motioned to approve Resolution No. 2019-92 approving a variance to allow a 520 square foot garage addition at 154 Hudson Avenue. Seconded by Council Member Knier, unanimous ayes, motion carried.

#### **7C. PUD Concept Plan Review for the “Sandhill Villas” Project**

Sara Woolf reviewed the planners report for the PUD Concept Plan Review for the Sandhill Villas Project. The proposal consists of the construction of 12 detached townhomes on a recently annexed 2.5 acre parcel at the corner of 205<sup>th</sup> Avenue and 172<sup>nd</sup> Street. The subject property was created by the Sandhill Acres semi-rural subdivision which was platted in 2015. Up until 2015, the property was part of a 15-acre farm field that was guided for a future use as a City neighborhood by the City, Big Lake Township, and Sherburne County. Although the land was guided as a future neighborhood, Sherburne County zoned the land as General Rural and both the City and Big Lake Township were opposed to the Sandhill Acres Plat because it created a semi-rural subdivision in an area that was being steered toward a future City neighborhood, but it met the County’s zoning requirements and the County was legally obligated to approve the Plat. Woolf reviewed the proposed project which would include 12 detached townhomes known as villas. Each villa would be accessed by a private driveway from a single roadway within the development. Woolf also reviewed the Applicant’s request for rezoning the parcel to R-2, Medium Density Residential which allows townhomes as a permitted use if they are part of a Planned Unit Development (PUD). The Concept Plan as proposed will require flexibility for minimum lot sizes and width. Woolf explained that this is common for a townhouse plat or CIC plat, where only the building footprint is platted as a lot, and the remaining area is platted as common space. The Applicant will also be required to provide architectural elevations for formal development review that include structure height. Woolf also reviewed proposed setbacks, parking, landscaping, utilities, storm water management plans, and neighborhood design requirements. Woolf noted that the City requires that those who subdivide land for residential development provide either 10% of the land for use as a park or trail, or a cash contribution. Woolf noted that the Planning Commission held a public hearing on November 6, 2019, and several residents spoke at the hearing regarding density concern, the negative impact the project could have on property values, storm

water control issues on adjacent parcels, responsibility for maintaining and plowing the new street servicing the development, and questions relating to the Homeowner's Association structure. The Planning Commission provided general feedback to the Applicant and did not recommend any specific changes to the Concept Plan, or had specific issues with providing the flexibility requested by the Applicant through the PUD.

Council discussed the need for sunset housing, and the need to include trail access to 205<sup>th</sup> Avenue NW.

Project developers Troy Siemers and Jesse Hartung discussed sidewalk placement in the project area, noting that the sidewalk would stop at the next privately owned parcel. It was discussed that the Concept Plan does include sidewalk on the north side which would connect to the sidewalk across 172<sup>nd</sup> Street NW in the Prairie Meadows Development. Healy noted that the Complete Streets Policy recommends a sidewalk on the eastern border of the project along 172<sup>nd</sup> Street NW.

#### **7D. Car Condo Development Application – Final Plat and Final PUD Plan, and Rezone to PUD**

Michael Healy reviewed the planners report for the Car Condo development application submitted by Richard Hinrichs for the parcel located in the Big Lake Marketplace Third Addition development. The City Council approved the Preliminary Plat application at their October 23, 2019 meeting and the Applicant has revised their plans since then to include sewer and water lines underneath the parking lot to the south of the Phase I garage building. Healy noted that the Applicant will not be hooking up the Phase I units at construction, but future owners could potentially have the option to connect their units to water and sewer services by tapping into these new pipes in the parking lot. Healy explained that future connections will incur additional costs to tear up the asphalt to complete the connections. The Applicant has also revised the drainage and utility easements to cover the new proposed pipes. The Applicant is also showing a sewer line entering Outlot E, which is the outlot that is proposed to eventually host the clubhouse building. Healy noted that Outlot E is unbuildable and the Applicant possibly should not be installing utility pipes on the site. There is no guarantee that the clubhouse building will ever be built since it is not part of the Phase I approval and will require a PUD amendment. This complication is a direct result of the Applicant's decision to break up the project into pieces rather than seeking a PUD approval to cover the entire project area. Healy also reviewed compliance with zoning and the Comprehensive Plan, Final Plat consistency with the Preliminary Plat, Final PUD Plan consistency with Preliminary PUD Plan, PUD flexibility, and design requirements pertaining to building materials, utilities, fencing, landscaping, signage requirements, and curbing. Healy reviewed development fees that will be due and the requirement for a Development Agreement and a Stormwater Maintenance Agreement. Healy noted that Staff believes that the proposal is substantially

consistent with the approved Preliminary Plat and approved Development Stage PUD Plan and that the revisions that the Applicant has made are largely positive and serve to bring the project back in the direction of the approved Concept Plan.

Council Member Knier questioned if it will be a problem later with the water line if the full project isn't completed. Staff discussed that while it is not best practice, if we are assuming everything goes forward then it shouldn't be a problem. The risk is more so in what Council is already approving.

Council Member Zetervall motioned to approve Ordinance No. 2019-17 rezoning the Car Condo's property to PUD, and Resolution No. 2019-93 authorizing a summary publication notice. Seconded by Council Member Johnson, unanimous ayes, motion carried.

Council Member Zetervall motioned to approve Resolution No. 2019-94 approving the Final Plat and Final Plan PUD for Big Lake Car Condos with conditions as presented. Seconded by Council Member Johnson, unanimous ayes, motion carried.

Council Member Zetervall motioned to approve the draft Development Agreement for Big Lake Car Condos and authorizing the City Attorney to finalize the Agreement prior to signature. Seconded by Council Member Johnson, unanimous ayes, motion carried.

Council Member Zetervall motioned to approve the draft Stormwater Maintenance Agreement for Big Lake Car Condos and authorizing the City Engineer to finalize the Agreement prior to signature. Seconded by Council Member Johnson, unanimous ayes, motion carried.

## **7E. PUBLIC HEARING – 2020 City Fee Schedule Ordinance**

Deb Wegeleben discussed the proposed fee schedule changes for the 2020 Fee Schedule. Proposed changes include revising the snow removal violation fee tiers, removing the dog license fee, and adding various fees including the animal impound fee, emergency access key box fees, Lake Mitchell Launch access key fee structure, and No-Soliciting window cling fees. Wegeleben also reviewed changes to water usage rates, municipal and industrial water base fixed rates, sewer usage rates, and municipal and industrial sewer base fixed rates. Wegeleben also noted that changes have been discussed with the Fee Committee as well as department directors and they have recommended the changes as presented.

Mayor Wallen opened the public hearing at 8:24 p.m. No one came forward. Mayor Wallen closed the public hearing at 8:24 p.m.

Council Member Hansen motioned to approve Ordinance No. 2019-18 adopting the 2020 Fee Schedule effective January 1, 2020, and approve summary publication Resolution No. 2019-95. Seconded by Council Member Johnson, unanimous ayes, motion carried.

#### **7F. Final 2020 City and BLEDA Tax Levies, Budgets, and Pay Scales**

Deb Wegeleben reviewed discussions held at budget workshops and at the Budget and Levy Hearing held on November 26<sup>th</sup>. The proposed 2020 levy reflects an increase of \$236,543 over the 2019 property tax levy. Wegeleben provided a summary of the General Fund Budget which incorporates all the changes that have been discussed at previous workshops and discussed the City's Capital Improvement Plan. Wegeleben also reviewed the 2020 Economic Development Authority Levy, various City budgets, the Fire JPA Budget, and the City Grade/Pay Scale.

Council Member Hansen motioned to approve Resolution No. 2019-96 adopting the final 2020 Tax Levy and General Fund Budget as presented. Seconded by Council Member Johnson, unanimous ayes, motion carried.

Council Member Knier motioned to approve Resolution No. 2019-97 adopting the final 2020 Economic Development Authority Levy as presented. Seconded by Council Member Zettervall, unanimous ayes, motion carried.

Council Member Johnson motioned to approve all 2020 City Budgets, the 2020 Fire JPA Budget, and the City Grade/Pay Scale. Seconded by Council Member Knier, unanimous ayes, motion carried.

#### **7G. Storm Water Pollution Prevention Plan Public Meeting**

Layne Otteson reviewed the rules set by the Minnesota Pollution Control Agency referencing the City's Municipal Separate Storm Sewer System Permit. Otteson noted that the City is required to hold a public meeting annually to allow the public an opportunity to provide input on the adequacy of the Storm Water Pollution Prevention Plan. Otteson made note of the storm sewer maintenance that was performed in the year 2019.

Mayor Wallen opened the public input portion of the meeting at 8:36 p.m.

Bettina Potter, 120 Edgewater Place – encouraged the City to send notice to residents via social media regarding street sweeping and stormwater cleanup.

Mayor Wallen closed the public input portion of the meeting at 8:37 p.m.

## **7H. International Union of Operating Engineers, Local No. 49 - Collective Bargaining Agreement and Memorandum of Agreement**

Clay Wilfahrt reviewed the Collective Bargaining Agreement and Memorandum of Agreement between the City of Big Lake and the International Union of Operating Engineers, Local 49 AFL-CIO. Wilfahrt summarized changes from last year's contract that include removing the Fair Share language that was done because of a change in Federal Law. Other changes include amendments to work schedules, forfeiting overtime, call back increments, the on-call list, employees responding to water and wastewater emergencies, insurance, boots, and pay adjustments. Negotiated amendments have been agreed to by both City Administration, and the Union.

Council Member Knier motioned to approve the Collective Bargaining Agreement and Memorandum of Agreement between the City of Big Lake and the International Union of Operating Engineers, Local No. 49 AFL-CIO. Seconded by Council Member Zettervall, unanimous ayes, motion carried.

## **7I. Monthly Department Reports**

Deb Wegeleben provided a brief update on happenings in the Finance Department.

Greg Zurbey provided a liquor store update including in-store tastings, discussed the weekly sales flyer, reviewed community fundraisers the store participated in, discussed the expansion of the warm craft beer section, and noted Staff has been working on cleaning and preparing for the holiday rush.

Council Member Knier discussed potential legislation for allowing the sale of alcohol products in grocery stores. Council discussed the City Ordinance that regulates off-sale in the City.

Hanna Klimmek provided an update on activities in the Community Development Department. Klimmek reviewed housing/commercial development statistics/projects, and redevelopment projects. Klimmek also noted that Minnco has started construction at their site, and the grand opening for Caribou Coffee is December 20, 2019. Klimmek reviewed Business Retention and Expansion visits held at various businesses in 2019, and provided a Farmer's Market update.

## **7J. Appointment of Police Officer Candidate(s)**

Joel Scharf provided an update on the application process for the hire of a new Police Officer. Scharf noted that the hire of an additional officer is identified in the 2020 budget, and with the cancellation of the second meeting in December, Staff is asking Council to

approve appointment of Police Officer candidate(s) selected by the Police Officer Interview Panel to fill any vacancies within the Big Lake Police Department contingent upon a satisfactory background investigation, medical examination, and psychological evaluation.

Council Member Zettervall motioned to approve the appointment of Police Officer candidate(s) selected by the Police Officer Interview Panel to fill any vacancies within the Big Lake Police Department contingent upon a satisfactory background investigation, medical examination, and psychological evaluation. Seconded by Council Member Knier, unanimous ayes, motion carried.

8. **ADMINISTRATOR'S REPORT** - no report given.

9. **MAYOR & COUNCIL REPORTS and QUESTIONS/COMMENTS**

Mayor Wallen: Reviewed BLEDA and Fire Board Meetings.

Council Member Hansen: Discussed the CMRRPP Meeting.

Council Member Johnson: Reviewed BLEDA, BLCE, BLCLA and Fire Board Meetings.

Council Member Knier: Discussed the BLBYR Meeting.

Council Member Zettervall: Reviewed the Planning Commission Meeting.

10. **OTHER** – No other.

11. **ADJOURN** – No other.

Council Member Hansen motioned to adjourn at 8:50 p.m. Seconded by Council Member Knier, unanimous ayes, motion carried.

<b>Item Description:</b> Community Brand and Identity Design Project – Request for Proposals (RFP) Approval		<b>Reviewed By:</b> Clay Wilfahrt, City Administrator <b>Reviewed By:</b> Deb Wegeleben, Finance Director	

**ACTION REQUESTED**

By approving this item on the Consent Agenda, Council would be approving the Request for Proposal (RFP) for the Big Lake Community Brand and Identity Design Project be issued on January 10, 2020.

**BACKGROUND/DISCUSSION**

On September 9, 2019, the Big Lake Economic Development Authority (BLEDA) formally approved an allocation of \$25,000 of unallocated reserve funds to a 2020 BLEDA lead, city-wide branding project. The allocation of BLEDA funds is contingent upon the City Council approving an allocation of \$25,000 in CIP funds to the branding project to support a total project budget of \$50,000.

In an effort to be prepared for budget approval and begin the Request for Proposal (RFP) process as soon as possible, Staff had the BLEDA review a draft RFP during their meeting on November 12, 2019 and formally make a recommendation to move the RFP forward for City Council approval prior to it being issued. After discussion, the BLEDA formally approved a recommendation to move the RFP forward.

Proposed project timeline is as follows:

- Issue RFP: January 10, 2020
- Questions Due: January 31, 2020
- Proposals Due: February 07, 2020
- Interviews: Week of February 10, 2020
- Council Approval: February 26, 2020
- Project Deadline: July 31, 2020

**FINANCIAL IMPACT**

Request for Proposal (RFP)

# Big Lake, Minnesota

**Request for Proposals**  
**Community Brand and Identity Design Project**  
Issue Date: January 10, 2020

Due: February 7, 2020

To: Hanna Klimmek – Community Development Director  
City of Big Lake  
160 Lake Street North  
Big Lake, MN 55309

## **I. PROJECT BACKGROUND AND SUMMARY**

### **A. Overview**

The City of Big Lake/Big Lake Economic Development Authority is accepting proposals from qualified firms to help develop a brand for the City. We wish to raise awareness of what makes the City a desirable place to live, do business in, and to visit. We'd also like to better understand how and where to advertise and market. In doing so, we hope to refresh the visual identity of the City and to create accompanying taglines for various marketing and identification uses.

The City is looking to work with a consultant to gather information about the City from a high level perspective and assess challenges and opportunities. Based on this assessment, the consultant would help develop logos and messages that clearly communicate the City's features to various target audiences. The ideal firm or team should be able to demonstrate solid experience in market research (both qualitative and quantitative), corporate identity/branding, including logo development and graphic standards, and creative abilities, as well as have the ability to recommend an implementation plan.

The consultant will prepare a style guide to help the City manage the brand using various media and platforms.

### **B. Project Deadline and Budget**

The City of Big Lake Community Brand and Identity Project shall be completed no later than July 31, 2020 and with all funds expended by August 14, 2020. Be advised that the City has budgeted a not-to-exceed \$50,000 for this effort so please design your response and scope of work around this not-to-exceed amount.

### **C. Community Profile**

The City of Big Lake is a growing community and is currently home to 11,456 people. The median age is 29.6, which is about seven years younger than the State median age. The household median income is \$72,543 in city limits but in the Township of Big Lake the median household income is \$112,180 (\$92,362 median income combined).

Located a short drive (or commute by rail) northwest of the Twin Cities, Big Lake has a history of being a popular location for escapes from the metro for summer recreation. Today, the area is considered a prosperous community beyond the suburbs that is home to a family oriented, highly educated population.

The City, along with the Big Lake Township, the School District, Chamber of Commerce, civic groups, non-profits, etc. has proven to be successful when it comes to community events. To name a few key events:

- Music in the Park – Concert series every Thursday night at Lakeside Park during the summer months
- Big Lake Farmer’s Market – Series event every Wednesday afternoon/evening at Lakeside Park during the summer months – We also have an established Winter Farmers Market held indoors
- Big Lake Spud Fest – Four-day summer festival – The 2020 Spud Fest will be the 48<sup>th</sup>
- Community Garden – Available during the summer months
- Graniteman Triathlon - Held at Lakeside Park every August
- Ice Fishing Tournament – Held at Lakeside Park every February
- Big Lake Business Expo – Held at the Big Lake High School every Spring

You can add numerous 5k events to the list above as well as the many Early Childhood Family Education, Community Education, and Athletic Association opportunities available throughout the calendar year.

The Big Lake Economic Development Authority (BLEDA) believes in and prioritizes the Business Retention & Expansion Program. The City averages about 30 visits per year to honor the business community. This shows the dedication the City has to its largest tax payers. The City is prideful of its ability to make its businesses needs a priority and to assist in supporting growth opportunities for existing as well as new businesses.

In summary, the City seems to be consistently growing and in a constant state of change. It is time to embrace and share the City’s robust quality of life initiatives and pro-business attitude.

The City logo has become dated and it doesn’t necessarily reflect the City’s characteristics, nor does it communicate a modern image. Additionally, the City has used a variety of taglines to advertise to different audiences to various levels of success. None have been used with any consistency because the taglines are not necessarily reflective of the community’s image or current logo. We look forward to our new image and are excited to understand what people will immediately think of when they hear, “Big Lake, MN!”

#### **D. Scope of Work**

The City wishes to brand itself through a strategic assessment of its characteristics and current image, and to develop creative elements, including a logo, taglines, and a style guide. The logo design needs to include creative elements that represent the characteristics that are unique to the City, as well as positive image.

Firms responding to this RFP should propose a scope of work that addresses, at a minimum, the following elements:

#### Phase I: Research and Planning

- A. Assess the City's attributes for branding and identity purposes, develop a clear understanding of the current brand awareness, and identify challenges and opportunities.
- B. Facilitate meetings and engage key constituents, community leaders, and the general public.
- C. Develop a profile of the City's current and potential markets.
- D. Provide a written summary of findings, detailing the attributes which the City may want to focus on to develop its brand to various markets.

#### Phase II: Development

- A. Create multiple visual identity design concepts that reflect the City of Big Lake's brand strategy and input received from the Big Lake EDA. Present options to the Big Lake EDA.
- B. Create tagline options that embody the essence of the brand strategy.
- C. Based on the selections of the Big Lake EDA, and based on public input (solicited via Survey Monkey or similar application to be pushed to the public). Further refine 1-2 concepts for review and final selection by the City Council.
- D. Provide a presentation to the Big Lake City Council for final selection.

#### Phase III: Execution

- A. Create vector-based graphics of the selected logo concept and taglines that can be used across various applications and platforms. Also, create vector-based graphics of the selected logo for each department.
- B. Create a style guide that illustrates graphic standards and rules to ensure consistency and continuity across applications and platforms. The guide should include a comprehensive logo, taglines, color palette, typography, and usage standards with identity applications. In addition, the guide should clearly describe the elements/standards required when creating future entity logos outside of the scope of this project.
- C. Create a marketing and communications tool kit to include advertising, Public Relations and Marketing templates, PowerPoint presentation, News media release, letterhead, newsletter, e-newsletter, etc.
- D. Create 3 videos to showcase: (1) Big Lake lifestyle, (2) manufacturing, and

(3) opportunities for development.

- E. Build out an asset library of photography for the City to utilize in Marketing efforts.

**E. Deliverables**

The proposed scope of work should include, at a minimum, the following deliverables:

- A written summary of findings from Phase I, detailing the attributes which the City may want to focus on to develop its brand to various markets.
- Multiple visual identity design concepts for review by the Big Lake EDA.
- Presentation materials to Big Lake City Council of refined concepts.
- Tagline options and recommendations for consideration.
- Vector-based graphics of selected logo and concept taglines for various applications and platforms.
  - Vector-based graphics of selected logo for each department
- Style guide.
- Marketing and communications tool kit.
- Three videos.
- Asset library of photography.

**II. SUBMITTAL REQUIREMENTS**

**A. General Information**

1. Submission of Proposal – Submit one (1) original and one (1) electronic copy of the RFP response and cover letter in PDF format on a flash drive, in a sealed envelope. Proposals shall be clearly marked, “PROPOSAL FOR COMMUNITY BRAND AND IDENTITY DESIGN PROJECT” on the outside of the envelope, and shall be submitted to:

Hanna Klimmek  
Community Development Director  
City of Big Lake  
160 Lake Street North  
Big Lake, MN 55309

2. Deadline for Submission – All proposals must be received in complete form by 4:30 pm c.s.t. on February 7, 2020. Proposals received after that time will not be accepted.
3. Examination of RFP – By submitting a proposal, the proposer represents that it has thoroughly examined and become familiar with the work required under this RFP and

that it is capable of performing quality work to achieve the City's objectives for the project.

4. Addenda/Clarifications – Any changes to this RFP will be made by written addendum. No verbal modifications will be binding.
5. Questions – Questions relating to the project requirements and the contents of this RFP may be submitted to Hanna Klimmek at [hklimmek@biglakemn.org](mailto:hklimmek@biglakemn.org) until 4:30 pm c.s.t. on January 31, 2020. Questions and answers will be posted on the City Website at [www.biglakemn.org](http://www.biglakemn.org) under Economic Development:

<http://www.biglakemn.org/386/Economic-Development>

Any questions submitted after this date will be answered only at the City's discretion.

6. Pre-Contractual Expenses – Pre-contractual expenses are defined as expenses incurred by the proposer in: 1) preparing its proposal in response to this RFP; 2) submitting that proposal to the City; 3) negotiating with the City on any matter related to this RFP; 4) any other expenses incurred by the proposer prior to the date of execution of the proposed agreement. The City shall not, in any event, be liable for any pre-contractual expenses incurred by the proposer in the preparation of their proposals.
7. Exceptions and Deviations – Any exceptions to the requirements in this RFP must be included in the proposal submitted by the proposer. Segregate such exceptions as a separate element of the proposal under the heading "Exceptions and Deviations."
8. Contract Award – Issuance of this RFP and receipt of proposals do not commit the City to selecting a consultant or otherwise awarding a contract, nor does it obligate the City to pay for any costs incurred in preparing and submitting proposals in anticipation of a contract. The City reserves the right to postpone opening for its own convenience, to accept or reject any or all proposals received in response to this RFP, to negotiate with other than the selected proposer, should negotiations with the selected proposer be terminated, to negotiate with more than one proposer simultaneously, or to cancel all or part of this RFP.
9. City Rights – The City may investigate the qualifications of any proposer under consideration, require confirmation of information furnished by the proposer, and require additional evidence of qualifications requested in this RFP. The City reserves the right to:
  - a. Reject any or all proposals if such action is in the public interest;
  - b. Cancel the entire RFP;

- c. Issue a subsequent RFP;
  - d. Remedy technical errors in the RFP process;
  - e. Appoint an evaluation committee to review the proposals;
  - f. Establish a short list of proposers eligible for interview after evaluation of written proposals;
  - g. Extend the deadline or accept late proposals under extenuating circumstances at its discretion;
  - h. Negotiate with any, all, or none of the proposers; and
  - i. Reject and replace one of more subcontractors.
10. Independent Contractor Status – The selected consultant will be an independent consultant and nothing contained in any contract awarded shall be construed to create the relationship of employer and employee between the City and the selected consultant.

**B. Contents of Submission**

The following shall be provided within the proposal:

1. Letter of Transmittal – Formal letter from the proposer prepared in standard business format. The letter should be brief, signed by the person who is authorized to commit the organization to perform the work included in the proposal and should identify all materials and enclosures included in the RFP response.
2. Executive Summary – Limited to three (3) single spaced typewritten pages. The Summary should provide a high-level description of the proposer’s ability to meet the requirements of the RFP.
3. Proposal Narrative – Briefly describe your understanding of the goals and objectives defined for the project. Give a brief description of issues you believe significant on this project; your approach to needed public participation; any unique options to be pursued for this project; and a brief outline of your project approach. The proposal narrative should include a proposed scope of work and deliverables addressing each of the elements described in Section 1 (D) and (E) above, along with a proposed timeline for each phase of the scope of work. Include the number of creative concepts presented and the rounds of changes/refinements for the selected concept. Describe any changes or additions to the draft scope of work in Section 1 (D) that the proposer would recommend to strengthen the overall project.

4. Qualifications and Experience – Give a brief description of your firm’s background, expertise and qualifications to accomplish the project and the requested services described in this RFP. Specifically, provide the following detail about your firm:
  - a. Experience in developing visual identity systems;
  - b. Experience in municipal, destination, or tourist, identity design;
  - c. At least three (3) representative visual identity projects created by your firm that have been published and used.

Provide three (3) client references, including public agency, name of contact person, position, address and telephone number and a brief description of the services provided, including the number of years the proposer has served that entity. If possible, these references should relate to the same or similar project requirements.

5. Key Personnel – Identify key personnel who will work on the project, including: (1) a project manager and that person’s qualifications for this project, along with a detailed list of previous projects worked on with the firm that are relevant to this project; and (2) a brief list of key personnel that will be assigned to this project, identifying their area of expertise, their qualifications for this project, and a detailed list of previous projects worked on that are relevant to this project.
6. Sub-consultants – Describe the name and location of other sub-consultants that would be used by the firm. Identify the work that would be performed by each sub-consultant.
7. Estimated Costs – Provide an estimate of the cost of work for each major phase of the proposed project. Further refinement of the cost is expected as the scope of work and deliverables are finalized as part of a contract, but the total amount of the contract shall not exceed the amount identified in the selected consultant’s response to this RFP.
8. Conflict of Interest – The proposer must identify any potential conflict of interest it may have providing the services contemplated by this RFP.
9. Other Information – Include other information you believe may be valuable in reviewing the qualifications of your firm and your ability to successfully complete the project.

**C. Public Information**

Data submitted to the City in response to a RFP are private or nonpublic data until the responses are opened. Once the responses are opened, the name of the responder becomes public. All other data in a responder’s response to a RFP are private or nonpublic data until completion of the evaluation process. “Completion of the qualification process” means that the City has entered into a contract with the selected consultant. After the City has completed the

evaluation process, all remaining data submitted by all responders are public with the exception of trade secret data as defined and classified in Minn. Stat. 13.37. A statement by a responder that submitted data are copyrighted or otherwise protected does not prevent public access to the data contained in the response. Proposals submitted in response to a RFP become the property of the City and will not be returned.

### **III. EVALUATION CRITERIA**

#### **A. Criteria for Award**

Award shall be made to the responsible proposer whose informational response is determined to be the most advantageous to the City, taking into consideration costs to the City and the level of services provided.

Responses will be evaluated by a committee of City Staff and other City representatives. Proposals will be evaluated using the following factors:

1. The proposer's qualifications, including the proposer's experience, financial strength and demonstrated ability to develop a successful partnership with the City of Big Lake in developing a community brand and identity design.
2. The proposer's relevant experience, including a track record in visual identity development and level of experience in working with public sector clients.
3. The proposer's demonstrated understanding of the City's needs as outlined in the RFP and the quality of the proposer's plan for developing a community brand and identity design.
4. The visual appeal of any representative work.
5. The proposer's availability to start the project immediately upon award of contract and ability to keep the project on track and to meet agreed upon deadlines.
6. Fee proposal and the total cost to the City.
7. Other projected benefits to the City of Big Lake from the proposal.

#### **B. Process**

1. A committee of City Staff and other City representatives will review the proposals against the criteria in this RFP and rank those informational responses. Submissions will

first be examined to eliminate those which are clearly non-compliant to stated requirements. At its option, the committee may invite one or more proposers for an interview and explanation of their proposed ability to respond to the requirements of the City. The City may require that the project manager and any other key individual(s) for the project participate in the interview process. Proposers will be expected to pay for any costs they incur for the interview process along with any costs associated with preparing and transmitting informational responses.

2. The City reserves the right to ask for additional information or clarification of the submission from any or all proposers.
3. If determined fiscally responsible and attractive to the City, the City will make a final award to the selected consultant and will prepare a contract for the consultant's services. The City will require use of its standard contract terms and conditions, which are available upon request. The selected consultant must be willing to sign a contract that incorporates the RFP, the consultant's response to the RFP and any other terms negotiated by the parties. The term of the contract to be awarded under this RFP will be from the date executed by all parties until services are complete.

#### **IV. SELECTION SCHEDULE**

The City of Big Lake anticipates it will maintain the following schedule for the consultant selection:

Issue RFP:	January 10, 2020
Questions Due:	January 31, 2020
Proposals Due:	February 07, 2020
Interviews:	Week of February 10, 2020
Council Approval:	February 26, 2020

Staff is requesting that Council call for a Special Council Gathering on Saturday, March 21, 2020 from 9:00 a.m. to 12:00 p.m. at the Big Lake High School located at 501 Minnesota Avenue. This gathering is for the 2020 Big Lake Chamber of Commerce and Industry Vendor Show. The City and BLEDA share a booth at the Expo and sign-up sheets will be passed out in the coming weeks.

As there may be a quorum of Council Members in attendance at this community event, Council is being asked to call for a Special Gathering to ensure compliance with the Open Meeting Law requirement. No Council action will take place at this event.

# AGENDA ITEM

## Big Lake City Council

<b>Prepared By:</b> <i>Deb Wegeleben, Finance Director</i>	<b>Meeting Date:</b> 1/8/2020	<input type="checkbox"/> <b>Regular Agenda Item</b> <input checked="" type="checkbox"/> <b>Consent Agenda Item</b>	<b>Item No.</b> <b>61</b>
<b>Item Description:</b> <i>Financial Policy Amendments</i>		<b>Reviewed By:</b> <i>Clay Wilfahrt, City Administrator</i>	
		<b>Reviewed By:</b> <i>N/A</i>	

### **ACTION REQUESTED**

By approving this item on the Consent Agenda, Council would be approving the amendments to the City of Big Lake Financial Policies.

### **BACKGROUND/DISCUSSION**

For many years the City has always processed claims weekly and mailed out the checks weekly. The list of claims has always been approved by Council, however the checks have already been mailed out prior to the council meeting. Staff is in the process of updating the financial policy of the City to include cash disbursements and just wanted to verify that in fact Council still would like to proceed with past practices or if they would like to change practices.

A possible change could be to process accounts payable still weekly but to not mail any checks out until after the Council approves the claims. At the December 11, 2019 Workshop, Council discussed the need to send out our payments in a timely manner and to continue following our current process of weekly processing of payments.

In addition, Council directed staff to add the recently approved BLEDA Sewer Access Charge (SAC) Subsidy Policy to the City’s Financial Policies.

### **FINANCIAL IMPACT**

N/A

### **STAFF RECOMMENDATION**

To approve the recommended amendments to the City of Big Lake Financial Policies.

### **ATTACHMENTS**

Amendments to the City of Big Lake Financial Policies

## Cash Disbursements

### PURPOSE

The goal of the City is to safeguard the assets of the city and to ensure an appropriate level of fiduciary responsibility.

### Policies for cash disbursements:

- All invoices must be approved and coded by the appropriate Department Director and submitted to the Finance Director for payment.
- The Accounting Technician is responsible for the creation of checks from the payment batches and mailing out checks. In the absence of the Accounting Technician, the Payroll Accounting Clerk or Finance Director may code and record payments. Checks are processed weekly on Wednesday and mailed out on Friday.
- The Payroll Accounting Clerk verifies each check disbursement run and records the check numbers and total dollar amount of cash disbursement used in the daily subsidiary check register.
- The Mayor and City Administrator are authorized check signers for the City.
- The Payroll Accounting Clerk is responsible for the creation of electronic checks and entering them into the accounting system to record electronic payment activity for the City, as approved by the Finance Director
- All claims are reviewed and approved by City Council.
- The Finance Director is responsible for reconciling accounts payable at year-end.
- Monthly, the Finance Director is responsible to review expenditures to verify coding was correct. The Payroll Accounting Clerk will make the necessary adjustments as needed, which the Finance Director approves.
- At least quarterly, the Finance Department prepares a financial report that is presented to Council. The report shows year-to-date actual versus budget comparisons, for both revenues and expenditures/expenses, for the General Fund and all Proprietary Funds. The report also provides a summary of investments held by the City.

## **VII. Procedure for Application:**

- A. A completed application with the application fee in accordance with the current City of Big Lake Fee Schedule shall be submitted to the City. The application will be reviewed by the City staff and the Economic Development Authority.
- B. After review and recommendation for approval by the Economic Development Authority (the review body for the City), the City Council shall publish a notice and hold a public hearing on the proposed Abatement.
- C. The City Council holds a public hearing concerning the Abatement. It must approve the Abatement by resolution.
- D. If the City approves the Abatement by resolution, its staff and/or consultants will draft a development contract.

## **SAC Fee Subsidy Policy for Lake Shopping Center Development**

The City of Big Lake and its Big Lake Economic Development Authority (BLEDA) strive to promote growth in the community. The intention of this policy is to stimulate an increase in tax base and offset the rise in construction costs.

Fourteen (14) SAC Credits were provided to the BLEDA on April 25, 2007 due to a former laundromat that burned down, which was never rebuilt and the redevelopment of the Lake Shopping Center. The intention of the 14 SAC Credits were for the BLEDA to award them to an economic development project(s) within the Lake Shopping Center area.

The 14 SAC Credits fit the legal definition of a business subsidy of \$25,000 or more. This prompts a need for a policy that sets performance standards with specific minimum requirements that projects must meet in order to be eligible to receive the SAC fee business subsidy.

This SAC Fee Business Subsidy Policy will dissolve three (3) years after the 14 credits have been awarded to a project(s) and waived. A vesting of three (3) years is to assure the intended purpose and hedge against a use change to a less intensive water/sewer user.

Minimum performance requirements are as follows:

- Waiving the SAC fee will be approved by the Big Lake City Council following a recommendation of approval by the BLEDA.
- The SAC Credits will be issued on a first come, first served basis until the Credits are extinguished.
- Projects that receive SAC Credits must create at least two (2) jobs and pay at least the current minimum wage

- Jobs created must empower and support adults with disabilities to work in the mainstream of community life
- The Developer must agree to promptly pay all other fees and charges imposed by the City in conjunction with construction and shall not otherwise be delinquent of City fees and charges.
- SAC Credits will only be awarded to commercial/retail projects within the Lake Shopping Center area.
- The SAC connection fee will be waived at the time the building permit is issued and construction must begin within 365 days of receiving the SAC waiver.
- Any SAC connection fee waiver will be documented in a written agreement signed by the City and the Developer.
- This policy will dissolve three (3) years after the 14 Credits have been waived.

# AGENDA ITEM

Big Lake City Council

<b>Prepared By:</b> Hanna Klimmek, Community Development Director	<b>Meeting Date:</b> 1/8/2020	<input type="checkbox"/> Regular Agenda Item <input checked="" type="checkbox"/> Consent Agenda Item	<b>Item No.</b> <b>6J</b>
<b>Item Description:</b> SAC Credit Subsidy for The Blackbird Group, LLC – Laundromat Concept	<b>Reviewed By:</b> Clay Wilfahrt, City Administrator <b>Reviewed By:</b> Deb Wegeleben, Finance Director		

**ACTION REQUESTED**

By approving this item on the Consent Agenda, Council would be approving a \$74,550 business subsidy by way of waiving 14 SAC Credits for The Blackbird Group, LLC to be utilized in newly constructing a full-service laundromat at LOT 1, BLK 1 of the Lake Shopping Center Third Addition.

**BACKGROUND/DISCUSSION**

The Blackbird Group, LLC, a Minnesota limited liability company solely owned by Options, Inc., a Minnesota nonprofit corporation, has asked for the 14 SAC Credits the BLEDA has in its financials. They would like the SAC Credits to be awarded to their new construction project on PID 65-554-0105 (parcel within the Lake Shopping Center Third Addition). The Blackbird Group, LLC plans to newly construct a full-service laundromat on the site currently owned by the BLEDA.

The 14 SAC Credits amount to a \$74,550 subsidy. The Blackbird Group, LLC is estimating their total SAC fee will amount to \$101,175.

The BLEDA Finance Committee met on Friday, September 20, 2019 to discuss the SAC Credit request. The Committee recommended the BLEDA award all 14 SAC Credits to The Blackbird Group, LLC for their project. The request and recommendation was found to be reasonable due to the fact that the SAC Credits exist due to a former laundromat that burned down and the redevelopment of the Lake Shopping Center. It seems most appropriate for the Credits to be awarded to a laundromat concept in the Lake Shopping Center area.

The BLEDA Finance Committee brought their recommendation to the BLEDA on October 14, 2019. The BLEDA unanimously agreed with the recommendation of providing 14 SAC Credits to The Blackbird Group, LLC and asked that the recommendation be forwarded for City Council approval.

Per the Big Lake City Attorney and statute, the release of the SAC Credits to Parcel 65-554-0105 is equivalent to a subsidy over \$25,000, which requires a policy. City Staff and Soren Mattick, City Attorney, fashioned a policy for this type of subsidy to comply with statute.

**FINANCIAL IMPACT**

Waiver of \$74,550 when the Community Development Department issues the building permit.

**STAFF RECOMMENDATION**

Consider a business subsidy approval of 14 SAC Credits to The Blackbird Group, LLC to be utilized in newly constructing a full-service laundromat at LOT 1, BLK 1 of the Lake Shopping Center Third Addition.

# AGENDA ITEM

Big Lake City Council

<b>Prepared By:</b> <i>Deb Wegeleben, Finance Director</i>	<b>Meeting Date:</b> 1/8/2020	<input type="checkbox"/> <b>Regular Agenda Item</b> <input checked="" type="checkbox"/> <b>Consent Agenda Item</b>	<b>Item No.</b> <b>6K</b>
<b>Item Description:</b> <i>The Sand Creek Group, Employee Assistance Agreement Renewal for 2020</i>		<b>Reviewed By:</b> <i>Clay Wilfahrt, City Administrator</i>	
		<b>Reviewed By:</b> <i>N/A</i>	

### **ACTION REQUESTED**

By approving this item on the Consent Agenda, Council would be approving the renewal of the agreement with Sand Creek Group, LTD.

### **BACKGROUND/DISCUSSION**

Sand Creek Group administers the City’s Employee Assistance Program (EAP). This program offers confidential assessment, referrals and brief counseling to city employees and their household members. The program offers up to four sessions of counseling per problem for a yearly total of eight sessions per employee based on the clinical recommendation of an EAP counselor. With each session being comprised of one clinical hour. All of the employees of the City of Big Lake and their family members may contact Sand Creek Group for assessment, brief counsel and when necessary, referral free-of-charge to them. No limit is placed on the number of assessments and referrals made annually. All contact is strictly confidential.

This program also offers a 24 hour telephone crisis intervention as well as a work/life web base resource to help employees manager their work/life issues.

This year the City did include the paid on call fire department due to the nature of the service that the department provides the City, which did increase the total cost of the contract over 2019.

### **FINANCIAL IMPACT**

The annual EAP contract cost is \$2,325, which was budgeted in the approved 2020 budget.

### **STAFF RECOMMENDATION**

Approve the renewal of the agreement with Sand Creek Group and authorize staff to pay the \$2,325 contract cost.

### **ATTACHMENTS**

Employee Assistance Agreement with The Sand Creek Group, Ltd.

**RETAIN ONE COPY FOR YOUR RECORDS**

Employee Assistance Agreement  
between  
**Sand Creek EAP, LLC**  
and  
**City of Big Lake**

**For contract period: January 1, 2020 to December 31, 2020**

**I. Services Provided**

This Employee Assistance Agreement includes the following services:

1. Employee and Supervisory orientation to familiarize your employees with the services available to them. Delivery method will be discussed at time of contract implementation. Delivery methods include: in-person, webinar and website access to on-line video.
2. Electronic and printed promotional materials that include: brochures, wallet cards, posters and a quarterly newsletters to keep your Employee Assistance Program "EAP" visible to your employees and their families. Promotional materials are available in both English and Spanish.
3. Worksite visits from an EAP representative to continually evaluate the status of the program and your satisfaction.
4. Employee assistance personnel policy development and consultation.
5. Full service coverage for employees and their family members.
  - a. Employees are defined as the following:
    - i. Full-time employees.
    - ii. Part-time employees
    - iii. Fire Fighters
  - b. Family members are defined as the following:
    - i. Spouse or domestic partner.
    - ii. Dependents living inside of the household.
    - iii. Dependents living outside of the household.
6. Confidential assessment, referral and brief counseling to be provided to all employees and their family members by certified counselors.
  - a. Up to Four (4) sessions of counseling based on the clinical recommendation of EAP counselor. Each session being comprised of one clinical hour.
  - b. All of the employees of City of Big Lake and their family members may contact Sand Creek EAP for assessment, brief consultation and when necessary, referral.
  - c. No limit is placed on the number of assessments and referrals made annually. All contact is strictly confidential.
7. 24-hour telephone crisis intervention.
8. Chemical dependency case management and relapse prevention.
9. Financial counseling.
10. Legal consultation and referral.
11. Web based Work Life Wellness resource, including child care and elder care resources.

## **II. Coordination of Services**

City of Big Lake agrees to work with the EAP representative in informing its employees of this Agreement and the services which are available to them.

## **III. Use of Name**

City of Big Lake agrees to allow Sand Creek EAP, LLC to list City of Big Lake as a customer on promotional materials.

## **IV. Eligibility**

EAP is a service intended to provide short term assessment and brief counseling services to a wide variety of personal and work-related stressors. The service is intended to evaluate relevant information regarding the history of the concerns brought to the EAP by the client, the current status of the concerns and the impact they are having on the client. The EAP's goal is the construction of an action plan to help the client(s) deal with their concerns in a successful fashion. Sometimes the action plan can be successfully implemented exclusively within the EAP. In other cases, the action plan may entail referring the client to a variety of community resources that can provide longer term or specialized services that are beyond or outside the scope of the EAP.

The EAP benefit is focused on the individual client whenever an employee or covered family member runs up against individual events, conditions or circumstances that don't envelop other members of the family system. In that case, the individual client is eligible to use up to a certain number of counseling sessions clearly defined in the EAP contract. When an event (e.g. – marital/relationship struggles; divorce; death of a family member; etc.) impacts part or all of an entire family unit, the EAP benefit is available for all family members to use collectively in the initial stages of addressing the impact of that family event. The EAP sessions are intended to define a broader plan of action that includes all involved family members. In many situations that involve multiple family members, the variety of counseling and emotional support needs that exist oftentimes goes beyond the EAP benefit. When that is the case, our goal is to help all impacted family members utilize the EAP benefit in a collective fashion to help guide them towards additional support and counseling services, either individually or as a family.

## **V. Employee Participation**

A policy of the EAP is that an employee's participation in the EAP will affect neither future employment, nor advancement, nor protect such employee from disciplinary action for continued substandard performance.

## **VI. Reporting**

Sand Creek EAP, LLC will provide quarterly reports on program utilization.

No information on individual employees will be released outside of Sand Creek EAP without the written consent of the employee.

## VII. Retainer Cost

The annual retainer charged by Sand Creek EAP, LLC for the employee services is as follows:

Term of Contract: Start Date to End Date	January 1, 2020 to December 31, 2020
Number of employees:	93
Cost per employee per year:	\$25.00
Annual EAP Contract Cost:	\$2,325.00

Sand Creek EAP, LLC will bill annually at the beginning of the contract year. We will request employee counts one month prior to billing.

## VIII. Optional Services

As a current EAP customer, you are eligible for Organizational Assistance Program (OAP) services at a discounted rate. For OAP services, please see the current OAP Service Catalog.

## IX. Fee for Ongoing Counseling

Payment for any ongoing counseling services beyond the initial assessment screening will be the responsibility of the employee/family member.

## X. Modification or Termination of Contract

This contract may be modified in writing at any time by the mutual consent of the parties.

Either City of Big Lake or Sand Creek EAP, LLC may cancel this agreement at any time upon 90 day notice, in writing, to the other party. City of Big Lake will be responsible for all fees of Sand Creek EAP, LLC and costs incurred by Sand Creek EAP, LLC Pursuant to this Agreement, through the date of termination.

## XI. HIPAA Compliance

Sand Creek EAP, LLC has implemented and is in compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA, public law #104-191) and its amendments.

## XII. Insurance

Sand Creek EAP, LLC shall maintain, throughout the term of this contract, professional liability and such other insurance as shall be sufficient to insure its obligations under this contract, and shall provide evidence of that insurance to City of Big Lake upon its request.

## XIII. Indemnification

Each party shall indemnify and hold the other party harmless from and against any and all losses, claims, liability, damages, expenses or other obligations (including, without limitation, reasonable attorney's fees) incurred by the other party and their respective officers, directors, employees, and other agents arising out of (a) the party's negligence or intentional misconduct or omissions; or (b) party's breach of this Agreement.

**XIV. General**

Neither party may assign this Agreement without the other party's prior written consent. This Agreement is governed by the laws of the State of Minnesota. If any provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Agreement will remain in full force and effect. Any provision of this Agreement held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable. This Agreement contains the entire agreement and understanding of the parties concerning the subject matter of this Agreement.

## **ACTION REQUESTED**

By approving this item on the Consent Agenda, Council is approving the appointment of Tyler Hecht to the position of full time Police Officer effective January 1, 2020.

## **BACKGROUND/DISCUSSION**

The 2020 Police Budget included funding for an additional Police Officer. The Big Lake Police Department had initiated a selection process for this position, and an eligibility roster for future vacancies. Because there were currently several agencies recruiting law enforcement officer positions in Minnesota, and there was not a second City Council Meeting in December, approval to appoint the selected individual at the earliest possible time was granted by City Council December 11<sup>th</sup>.

The person selected for this position was Tyler Hecht. Officer Hecht served as a Police Officer for the City of St. Cloud for one year, and the City of Becker for one year. Officer Hecht began his service to the residents of Big Lake January 1, he will be a perfect with the Big Lake Police Department.

## **FINANCIAL IMPACT**

Budgeted item.

## **STAFF RECOMMENDATION**

<b>Item Description:</b> Station Street Apartments Development Application for PUD, Preliminary Plat, Rezone, Preliminary Site and Building Plan	<b>Reviewed By:</b> Clay Wilfahrt, City Administrator  <b>Reviewed By:</b> Michael Healy, City Planner and Hanna Klimmek, EDFP, Community Development Director	

**120-DAY REVIEW DEADLINE:** February 29, 2020

### **ACTION REQUESTED**

The City Council is asked to make a motion approving or denying the following with conditions as presented:

- A Resolution approving the Station Street Apartments Preliminary Plat, Site and Building plan, and Development Stage Planned Unit Development.

### **BACKGROUND/DISCUSSION**

#### **APPLICATION:**

Kuepers Inc., the applicant, has submitted a development application requesting the following:

- Preliminary Plat approval
- Development Stage Planned Unit Development
  - A rezone to T.O.D, Planned Unit Development
- Preliminary Site Plan and Architecture approval

The applicant submitted a complete application on November 01, 2019. State Statute dictates that the City must act upon a development application within 60 days of the receipt of a complete application. The City can extend the review for an additional 60 days, if needed, by providing written notice to the Applicant. Staff sent a letter to the Applicant on November 13<sup>th</sup> extending the review to February 29, 2019. This was deemed necessary due to an amended City Council meeting schedule in December due to the winter holidays. Any additional extensions of the review would require a written request from the Applicant.

#### **BACKGROUND:**

The Planning Commission and City Council reviewed a concept plan for the Applicant’s apartment complex project in October of 2019 and the concept plan was positively received. Neither the Planning Commission nor the City Council provided substantial comments to the applicant. The concept has not changed substantially since that review. However, there were some minor changes to parking, phasing and landscaping discussed in detail below.

**PROPOSED DEVELOPMENT:**

The subject application is for an apartment complex development, known as “Station Street Apartments” that would include three 35-unit apartment structures on 7.8 acres of vacant land for a total of 105 units. As part of the development request, the applicant is requesting to subdivide the subject parcel to create three lots and one outlot:

- A 140,521 sq. ft. lot (Lot 1),
- A 118,757 sq. ft lot (Lot 2),
- A 58,081 sq. ft. lot (Lot 3), and
- a 3.3 acre outlot, known as Outlot A.

The three buildable lots are each to be developed as part of an overall development concept for a 3-structure, market-rate apartment community, and the outlot will remain with the original owner and remain undeveloped.

*Phasing:*

The development is proposed to be constructed in three phases, with one structure to be completed in each phase. The applicant will be required to provide additional phasing plans to show the phasing of construction, including the phasing of parking, landscaping and amenities.

**DEVELOPMENT APPLICATION ANALYSIS**

**PROPERTY CHARACTERISTICS:**

The existing 11.82-acre property is currently vacant agricultural land. There are no existing structures on the site. The parcel lies directly south of the Big Lake Park-and-Ride and the Northstar Train Station and west of Station Street NW. The property is zoned Agricultural and is enrolled in the Green Acres program, a property tax deferral program established for qualifying agricultural properties pursuant to Minnesota Statute 273.111, the Minnesota Agricultural Property Tax Law.

**EXISTING ZONING AND LAND USE:**

<b>Zoning</b>	A – Agricultural
<b>Future Land Use</b>	High Density Residential-PUD
<b>Existing Land Use</b>	Vacant Land - Agricultural
<b>Topography</b>	Relatively flat with minor topography changes

**SURROUNDING ZONING AND LAND USE:**

Direction	Zoning	Future Land Use Plan	Existing Land Use
North	I-1	Commercial	Big Lake Station Park-and-Ride
South	Agricultural (County)	Mixed Use	Agricultural
East	T.O.D.	Mixed Use	Vacant – Agricultural and Northern Star Apartments
West (Across County Road 43)	R-1 Single Family Residential Estate	Single Family Residential	Wrights Crossing neighborhood

**REZONING REQUESTED:**

The parcel is currently zoned A – Agricultural. However, the parcel is located within the T.O.D. district that surrounds the Northstar Train Station. The T.O.D. district “Station Zone” includes lands generally within one quarter (¼) mile of the rail station (as depicted in the Comprehensive Plan/Transit-Oriented Development Design Manual/Master Plan, see Attachment E) and serves as the focal point of the TOD area. Within this zone, transit-oriented commercial uses and high-density apartment-style housing are intended to be the primary features.

Section 1068.03 of the code states that multiple family residential developments containing 10 or more dwelling units per acre is an allowed use within the “Station Zone.” At 105 units on 7.8 acres, the proposed development equates to 13.5 units/acre gross and therefore meets the code definition as an allowable use.

The applicant is requesting a rezoning to planned unit development in order to receive flexibility on a number of items required by the Zoning and Subdivision ordinances. The proposed flexibilities are discussed below.

**PROPOSED PRELIMINARY PLAT:**

The Applicant is proposing to take the existing 11.8-acre lot and subdivide it to create an apartment community comprised of 3 buildable lots, and an outlot:

- The proposed plat would be called “STATION STREET APARTMENTS.”
- Lot 1 will consist of a single 3-story, 35-unit apartment building, accessory surface parking, 20 garage stalls in two garage structures, a pool building, outdoor pool and recreation area on 3.23 acres.
- Lot 2 will consist of a single 3-story, 35-unit apartment building, accessory surface parking and 20 garage stalls in two garage structures on 2.73 acres.
- Lot 3 will consist of a single 3-story, 35-unit apartment building, accessory surface parking and 20 garage stalls in two garage structures on 1.33 acres.
- The proposed plat would create a 3.3 acre “OUTLOT A”
- The proposed plat would dedicate 1.2 acres for the Right-of-way for County Road 43.

- Per City Code, outlots are not buildable. The Applicant will not be permitted to build any structures on any of the outlots until a preliminary plat, final plat, and PUD amendment has been approved.

## PROPOSED SITE PLAN

### Lot Coverage

The applicant is proposing total impervious coverage of 46.4% for Lot 1 (Phase 1), 50.4% for Lot 2 (Phase 2) and 63.0% coverage for Lot 3 (Phase 3). In the T.O.D. District, a minimum Lot Coverage of 60% of the net lot area is required. This lot coverage may be reduced if a minimum of 40% of the lot is developed as improved public open space. The code also states a maximum lot coverage requirement of 85% of the net lot area. This lot coverage may be increased to 100% for mixed use buildings.

As proposed, only Lot 3 (Phase 3) of the proposed development meets the minimum impervious surface requirement and Lots 1 and 2 will need to be granted PUD flexibility.

### Setbacks

The site plan shows a 12-foot setback from the County Road 43 NW right-of-way to accessory garage structures and setbacks of over 30 feet to accessory garage structures or apartment buildings from Station Street, Forest Road, and adjacent lots:

Setback	Type	Setback Proposed	Setback Required	Compliance with Code
Northern property line abutting Northstar Train Station Parking Lot	Side Yard	35' to accessory structure	25' max	<b>Does not comply; requires flexibility</b>
Southern Property line abutting Forest Road	Front Yard	30' to accessory structure	5'-25' max	<b>Does not comply; requires flexibility</b>
Eastern property line abutting Station Street	Front Yard	35' to primary structure	5'-25' max	<b>Does not comply; requires flexibility</b>
Western property line abutting County Road 43 NW	Front Yard	12' to accessory structure	5'-25' max	<b>Complies</b>

The site plan orients the “front” of the complex onto Station Street. However, three sides of the proposed site abut roadways and so three “front yards” exist. Furthermore, because of the 3-lot configuration proposed, a number of parking areas and accessory garage structures are located within front yards.

The pool structure is 17.6 feet from an interior lot line. The code requires a minimum rear yard setback of 15 feet. The proposed structure meets code standards.

### **Building Height**

The applicant is proposing a building height of approximately 41 feet. The code requires a minimum building height of two stories or 30 feet and a maximum of five stories or 60 feet, whichever is less, except as is allowed through the Conditional Use Permit process. The proposed building height meets code standards.

### **Sidewalks**

The concept plan does not currently show a sidewalk along County Road 43 NW. The code requires that sidewalks not less than five feet in width be constructed along the frontage of all public streets. However, a sidewalk currently exists along both Station Street and Forest Road and on the opposite side of County Road 43 NW. The concept also shows a sidewalk to be constructed on the interior lot line between Lots 1 and 2 and Lots 2 and 3.

### **Parking**

The site plan proposes parking to be provided for each structure by a surface lot and accessory garage structures shown in the following table:

<b>Site</b>	<b>Minimum Parking Spaces Required</b>	<b>Maximum Allowed Parking</b>	<b>Garage Spaces Required</b>	<b>Surface Stalls Proposed</b>	<b>Garage Stalls proposed</b>
Total	105	210	61	168	60

In the T.O.D. District “Station Area,” one parking stall is required for each dwelling unit and a maximum of two parking stalls per unit is allowed as a permitted use. Up to three parking stalls per unit may be allowed by Conditional Use Permit. Any parking that is provided beyond 1.5 stalls per unit shall be in a garage or parking structure.

For the development as a whole, a minimum of 105 parking spaces is required, and a maximum of 210 parking stalls is permitted unless a CUP or flexibility is obtained. The applicant is proposing 218 stalls for the project and is therefore seeking PUD flexibility for parking to allow for the following:

- 2.1 parking stalls per unit
- 60 garage stalls, where 66 are required by code.
- Parking lots located within front yards or other yards which abut public streets, whereas the code states that parking lots shall not be located within front yards or abutting a public street.

### **Bicycle Racks**

The applicant is proposing to provide 15 bicycle parking spaces, in three groups of five spaces each located by an apartment building. Bicycle parking is required at a rate of 1 bicycle parking space per 15 parking spaces. In total, 15 bicycle parking spaces would be required for all three phases and the project complies.

## **Landscaping**

The City's zoning ordinance requires a landscaping plan with every multiple-family residential development application. The Code requires that all multiple-family residential uses provide one tree per dwelling unit. The proposed plan has 105 dwelling units which will require a minimum of 105 trees.

The Code states that at least 50% of the required tree must be actual trees. The remaining 50% can be replaced with ornamental trees or shrubs at a rate of 3:1. At least 25% of the trees must be deciduous and at least 25% must be coniferous.

The applicant has provided a landscape plan for the development of all three lots. The landscape plan concentrates the plantings around the three apartment buildings, in the open space courtyard area and adjacent to the west, south and north property lines. A total of 86 trees, 24 ornamental trees (equivalent to 8 trees) and 297 shrubs (equivalent to 99 trees) are proposed with the landscape plan. The plan exceeds the minimum landscaping requirements.

The applicant has not indicated a phasing plan for the landscaping at this time, but it is assumed that the landscaping provided for each lot will be installed during the development of that lot.

## **Utilities**

The applicant is proposing to connect to municipal water and sewer by accessing the existing services available from Station Street. The code requires that all new utilities shall be placed underground. The new utilities will be placed in drainage and utility easements to allow access for future maintenance.

## **Lighting**

The applicant is proposing to install lighting for the parking lot and walkways. The code limits lighting and glare to no greater than one-foot candle when measured at the right of way and 0.4-foot candles when measured at the property line. The photometric plan provided by the applicant does not meet the standard at the right-of-way line for Station Street and a revised lighting plan which shows compliance with the ordinance is required.

## **Building Design Standards**

The apartment structures as proposed will be a mix of vinyl lap siding (shades of grey, tan and red), vinyl shakes and a simulated stone veneer.

Within the T.O.D. District, the architectural style and materials of all buildings are recommended to be consistent with the general guidelines of the Big Lake Downtown Design Standards and the Downtown Design Standards-Transition Zone, but the General Building Regulations of Section 1040 of the Zoning ordinance are required. The Downtown Design Standards require that building facades are primarily brick and glass on facades adjacent to a public street. Section 1040 of the Zoning ordinance requires that at least 50% of each exterior elevation of a building, exclusive of windows, entrance doors, garage doors or roof areas, must be constructed of brick or stone, or equivalent material approved by the City.

The applicant provided building material calculations for the proposed apartment and accessory parking structures. Each apartment building is comprised of 28.8% stone veneer across all elevations and each accessory structure is comprised of 22% to 30% stone veneer, depending on the length of the garage

structure. As proposed, the building elevations require flexibility from the architectural design standards found in the Big Lake Downtown Design Standards and the General Building Regulations of Section 1040 of the City Code. Although vinyl siding is a permitted material, the artificial stone would need to comprise at least 50% of all building facades to meet the code requirements.

The plan meets the remaining building design requirements in the T.O.D. Station district, including requirements for façade modulation for facades over 50 feet and building articulation on the line between the ground and upper levels with a cornice, canopy, balcony, arcade or other visual device.

The applicant provided elevations for the pool building. The building will be constructed out of concrete masonry units (CMU) that will match the grey and tan colors of the apartment buildings.

### **Recreation Areas**

The applicant is proposing a pool area and a playground area as part of the overall development. Section 1040.05 of the City Zoning Ordinance requires that each multiple family apartment building or complex of 20 or more dwelling units shall include visually defined or fenced active recreation areas of 2,000 square feet plus an additional 50 square feet per unit for over 20 dwelling units.

With 105 proposed units, the overall development will require an additional 4,250 square feet of recreation area, for a total area of 6,250 square feet. These requirements may be reduced, at the City Council's discretion, for projects in the TOD District's Station Zone which are built in accordance with the TOD District's zoning requirements and have lot coverage levels that do not allow for full compliance with this provision. The site plan, however, does not adhere to the lot coverage levels within the Station Zone and therefore should be held to the recreation area standard. The applicant is providing 32,000 square feet of recreation area in the courtyard located between the apartment buildings. This exceeds the minimum requirement for recreation area space.

### **Signage**

One monument sign is shown on the site plan. Freestanding signs, as defined by the Big Lake Sign Ordinance, are expressly prohibited in the Station Zone and flexibility will be required for the proposed monument sign. The monument sign is proposed to be adjacent to Station Street and is 18 square feet and 5' 5" tall, which is consistent with the standards for ground monument signs. The sign location will need to meet the 10-foot setback from the property line.

### **PUD FLEXIBILITY REQUESTED:**

#### **PUD Justification**

The Applicant is seeking a PUD approval, an approval that goes outside of the zoning code and subdivision ordinance. The City's PUD ordinance (Code Section 1011) is very clear that the City should only grant PUD approval in situations where there is a "public benefit" that comes from granting the approval. The PUD ordinance lays out thirteen (13) benefits that are being sought by the City. Some of the benefits appear to be applicable in this situation:

#### *1011.01: PURPOSE:*

***Subd. 1.** Provide a development pattern in harmony with the objectives of the Comprehensive Plan. (The PUD process is not intended only as a means to vary applicable planning and zoning principles).*

*Subd. 5. Provide for flexibility to the strict application of the land use regulations in this Ordinance in order to improve site design and operation, while at the same time incorporating design elements (e.g., construction materials, landscaping, lighting, etc.) that exceed the City's standards to offset the effect of any deviations.*

*Subd. 9. Result in an efficient use of land resulting in smaller networks of utilities and streets thereby lowering development costs and public investments.*

*Subd. 10. Ensure the establishment of appropriate transitions between differing land uses.*

*Subd. 11. Promote the creative use of the land and related physical development which allows a phased and orderly transition of varying land uses in close proximity to each other*

### **PUD Format**

The City Attorney's office has advised City Staff not to process PUD approvals as CUP's as the City has done in the past. The City Attorney's Office is advising that, going forward, all of the City's PUD's be processed as "Rezone to PUD." The City Attorney's stance is that the rezoning process is "cleaner," leaves better records, and is preferable because it is a legislative action while CUP's are quasi-judicial actions.

The Zoning Code's PUD ordinance states that PUD's can be processed as either a CUP or a rezone. Staff is processing this project's PUD as a rezone under the guidance of the City Attorney.

### **Overview of Requested Flexibility**

The applicant is seeking the following PUD flexibility with the development stage PUD:

1. Permission to have less than the 60% minimum impervious surface coverage.
2. Permission to have building setbacks that do not meet the 5-foot minimum or 25-foot maximum setback requirements.
3. Permission to have main entrances set back more than five feet from the front property line.
4. Permission to have parking lots and accessory garage structures are located in front yards.
5. Permission to exceed the maximum parking allowed.
6. Permission to construct fewer garage structures than required.
7. Permission to provide building façades below the minimum material standards.
8. Permission to not construct a sidewalk along County Road 43 NW.
9. Permission to not construct pedestrian amenities such as benches, public art, planters, trash receptacles, etc. are not shown to be provided and located along sidewalks and in landscaped areas, open spaces and plazas.
10. Permission to construct a monument sign.

### **PUD Flexibility Item #1: Impervious Surface Coverage**

The TOD zoning district provides the following standards:

#### **1068.05: DIMENSIONAL REQUIREMENTS**

*a. Minimum Lot Coverage: Sixty (60) percent of the net lot area. This lot coverage may be reduced if a minimum of forty (40) percent of the lot is developed as improved public open space.*

*b. Maximum Lot Coverage: Eighty-five (85) percent of the net lot area. This lot coverage may be increased to one hundred (100) percent for mixed use buildings.*

The applicant's proposed impervious surface coverage is 51% when calculated for all three lots combined. The contributing factors to the lower coverage are a few large stormwater basins and the large green space courtyard between the apartment buildings. These factors are there to meet stormwater and open space regulations and while they do not meet the definition of improved public open space to allow a reduction in the lot coverage requirement, they do meet provide an open space area to achieve a similar goal. If this is deemed to be compatible with the goal of the coverage requirement, staff supports the proposed coverage.

### **PUD Flexibility Item #2: Building Setbacks**

The TOD zoning district provides the following standards:

#### **1068.05: DIMENSIONAL REQUIREMENTS**

*a. Front Yard: Minimum of zero (0) feet and maximum of five (5) feet for mixed-use and commercial buildings. Minimum of five (5) feet and a maximum of fifteen (15) feet for residential buildings without a mixed-use component. Steps, stoops, ramps or similar features may encroach into the required setback provided they do not extend above the height of the ground floor level of the principal structure. The front yard setback may be increased to twenty-five (25) feet from the front property line if a courtyard, plaza or seating area is incorporated into the development (adjacent to the public street).*

The proposed building setbacks are greater than the maximum allowed because all the principal structures have been placed in the center of the lot. The intent to have a maximum structure setback is to promote pedestrian oriented activity. While the structures are setback further than allowed, sidewalks and bike racks have been included at each building to encourage pedestrian activity. Therefore, staff is supportive of the request to allow the increased setback as shown on the plans.

### **PUD Flexibility Item #3: Main Entrance Setback**

The TOD zoning district provides the following:

#### **1068.06: DESIGN STANDARDS:**

*c. The main entrance of any building shall face the street. The main entrance shall not be set back more than five (5) feet from the front property line, unless a public seating area or plaza is provided in front of the building.*

Similar to the increased setback flexibility, the applicant has requested flexibility from the main entrance setback. The purpose of the main entrance standard is consistent with the setback standard and is to promote pedestrian activity. The bike racks and internal sidewalk network that connect to the right of way sidewalk network will promote increased pedestrian activity. Therefore, staff is supportive of the request to allow an increased main entrance setback as shown on the plans.

**PUD Flexibility Item #4: Front Yard Parking and Accessory Structures**

There is language in the “Accessory Buildings, Structures and Uses” section of the zoning code stating the following:

**1020.03: PERMITTED LOCATIONS:**

*Subd. 1. Detached accessory buildings shall not be permitted in required or actual (in front of the front building line of the principal structure) front yards except on properties having both street and lake frontage, provided the accessory structure meets the required principal structure setback from the right-of-way. Detached accessory structures may be located in actual side or rear yards, provided the minimum setback outlined in this Section is provided from the side and rear property lines.*

Additionally, the TOD zoning district provides the following:

**1068.04: PARKING REQUIREMENTS**

*1. Surface parking lots shall not be located within front yards or other yards which abut public streets*

The applicant’s proposed internal location for the apartment buildings creates multiple areas where the accessory garage structures and parking lots are located in the front yard. The purpose of the ordinances limiting the location of the parking and accessory structures is to reduce the visual impact these facilities have on adjacent properties. The applicant has proposed to enhance the rear façade of the accessory structures and has located a portion of the trees to provide additional screening. Staff would recommend allowing the parking lots and accessory structures to be located in the front yard in the locations shown on the plans.

**PUD Flexibility Item #5: Maximum Parking**

The TOD zoning district contains the following calculation for parking in the Station Zone:

**1068.04: PARKING REQUIREMENTS**

*b. Residential Uses. A minimum of one (1) stall shall be provided per unit. A maximum of two (2) parking stalls per unit is allowed as a permitted use. Up to three (3) parking stalls per unit may be allowed by Conditional Use Permit. Any parking that is provided beyond one and one-half (1.5) stalls per unit shall be in a garage or parking structure.*

The proposed parking plan includes additional parking beyond what is allowed as a permitted use. The parking provided is 2.1 spaces per unit and is allowed as a conditional use in the Station Zone. The PUD allows for flexibility to be provided for the parking rather than applying for a separate conditional use permit. Staff finds the request reasonable and would recommend approval for the additional parking.

## **PUD Flexibility Item #6: Garage Structures**

The TOD zoning district contains the following calculation for parking in the Station Zone:

### ***1068.04: PARKING REQUIREMENTS***

*b. Residential Uses. A minimum of one (1) stall shall be provided per unit. A maximum of two (2) parking stalls per unit is allowed as a permitted use. Up to three (3) parking stalls per unit may be allowed by Conditional Use Permit. Any parking that is provided beyond one and one-half (1.5) stalls per unit shall be in a garage or parking structure.*

The proposed parking plan includes more surface parking than permitted and doesn't provide the required amount of garage or structured parking. The flexibility is minor with a reduction from 61 required garage spaces to the applicant's proposal of 60 spaces. Staff finds that the request is reasonable and would recommend approval of the reduced structure parking.

## **PUD Flexibility Item #7: Building Façade Materials**

There is language in the "General Building Regulations" that states the following:

### ***1040.05: MULTIPLE-FAMILY (APARTMENT) DWELLINGS:***

*1. Multiple family units of three (3) or more stories shall be constructed of brick or stone or an equivalent material, to be approved by the City, on at least fifty (50) percent of each exterior elevation of a building.*

The applicant has proposed building elevations which have less than 50% of the approved building materials. The apartment buildings have 28.8% stone veneer and the accessory garage structures range from 22% - 30% stone veneer. The elevations as proposed maintain a high standard of architectural and aesthetic quality. The buildings will enhance the surrounding area and promote the general welfare for the residents of Big Lake. Staff recommends approval of the reduced building materials consistent with the proposed plans.

## **PUD Flexibility Item #8: County Road 43 Sidewalk**

The TOD zoning district provides the following:

### ***1068.05: DIMENSIONAL REQUIREMENTS***

*a. Sidewalks not less than five (5) feet in width shall be constructed along the frontage of all public streets.*

The applicant has requested to not construct the sidewalk required along County Road 43. In place of the sidewalk the applicant is proposing to plant 21 trees along the property line. Staff finds this an acceptable alternative as there is an existing sidewalk on the opposite side of County Road 43 and the proposed trees will buffer the project from the County Road. Staff recommends approval of the request.

## **PUD Flexibility Item #9: Pedestrian Amenities**

The TOD zoning district provides the following:

**1068.06: DESIGN STANDARDS:**

*b. Pedestrian amenities such as benches, public art, planters, trash receptacles, etc. shall be provided and located along sidewalks and in landscaped areas, open spaces and plazas.*

The applicant is not providing amenities such as those listed in the ordinance and has requested flexibility from this standard. Staff recommends approval of the requested flexibility.

**PUD Flexibility Item #10: Monument Sign**

The TOD zoning district provides the following:

**1068.06: DESIGN STANDARDS:**

*a. Freestanding Signs. Freestanding signs, as defined by the Big Lake Sign Ordinance, are expressly prohibited. Kiosks and public informational signs placed and owned by the City of Big Lake are exempt from this provision.*

The applicant is requesting to construct a single monument sign located adjacent to Station Street. The applicant has provided a detail of the proposed monument sign which is in compliance with the size and height requirements of the code. Staff finds the request reasonable and recommends approval of the request.

**DEVELOPMENT FEES**

**Park Dedication**

The City's subdivision ordinance and fee schedule state residential subdivisions must dedicate 10% of the land being subdivided as parkland OR pay a fee equal to 10% of the value of the land with a minimum of \$2500 per unit. It is at the City's discretion whether to require a land donation or allow the fee in lieu to be paid. In this case, the cash option is preferable as there is no need for parkland in the middle of the apartment development.

The park dedication requirement is based on the minimum value per unit. The applicant is proposing 105 units which will require \$262,500 (105 x \$2,500) in park dedication fees.

The Applicant and the current landowner are requesting that the park dedication fee for OUTLOT A be deferred until such a time as OUTLOT A is final platted into a buildable lot and block. From the City's standpoint, it makes sense to wait since the size of the fee will be determined by the intensity of future development. If OUTLOT A is developed as a residential property, there will be a minimum "per unit" charge. If it is developed as a commercial property, the fee will be based on the value of the land without a "per unit" charge. The fact that the park dedication fee for OUTLOT A is being collected at a later date will need to be baked into the PUD approval and enshrined in an enforceable development agreement to ensure that the City retains the right to charge that fee in the future since park dedication is typically collected at the time of subdivision.

## **Trunk Sewer Fee, Trunk Water Fee and Trunk Storm Sewer Fee**

When land is developed, trunk sewer and trunk water fees are charged based on the amount of land that is being developed. These fees are “per acre” and help the City cover the costs of providing sewer and water infrastructure as the City grows. The fees are set every year by a City Council resolution and generally increase each year to account for inflation and actual costs of providing infrastructure. Trunk fees are generally not paid on outlots but only on buildable lots. This is one of the reasons that outlots are not considered buildable. They have not paid the correct fees to be considered “shovel-ready.”

The 2019 fee schedule sets trunk fees at \$1,650 per acre for trunk water and \$5,530 per acre for trunk sewer. Trunk storm sewer fees are “case by case” and are waived entirely if all storm water is contained within the plat boundary. The proposed 2020 fee schedule keeps these fees at the same level.

The Applicant is proposing to subdivide 11.82 acres of land with “STATION STREET APARTMENTS.” Some of the land will be platted as “OUTLOT A” which is 3.33 acres and 1.20 acres of the land will be dedicated as Right-of-Way. Therefore, the 7.28-acres of land being developed will be required to pay fees.

## **Sewer Access Charges (SAC) and Water Access Charges (WAC) Fees**

These fees, which are used to fund investments in expanding the capacity of the City’s sewer and water plants and infrastructure as the City grows, are collected at the time of building permit issuance. The 2019 fee schedule sets the fees on a per unit basis at \$2,200 for the WAC fee and \$3,235 for the SAC fee. Because the fees are due at the time of building permit issuance, the amount is subject to change if the fee schedule is updated.

## **PLANNING COMMISSION PUBLIC HEARING:**

The Planning Commission reviewed the development application at their regularly scheduled meeting on December 4, 2019. No written comments were received for the project.

The Planning Commission discussed the overall project with the applicant and noted their general support. The Planning Commission discussed whether they want to provide flexibility from the requirement to provide a sidewalk along County Road 43 S. The applicant stated that they would look into the possibility of adding the sidewalk.

The Planning Commission also discussed the criteria for granting a PUD, and stated a desire not to note private improvements such as open space and outdoor recreational amenities as a public benefit if those areas would not be open to the public.

The Planning Commission passed a motion recommending approval with a 6-0 vote. They recommended approval with Staff’s proposed conditions in addition to three (3) revisions to conditions, found in **red**:

*Condition 8. Prior to the issuance of any permit for land alteration, the applicant shall provide a financial guarantee (letter of credit or escrow payment) in the amount 125% of the estimated cost to furnish and plant materials including irrigation, mulch, and other landscape materials. **This financial guarantee shall be provided separately for each phase of development.** The Applicant requested that financial securities be phased to correspond with each phase, and the Planning Commission agreed to recommend phasing of this security.*

*Condition 11.* A park dedication cash-in-lieu payment shall be made at a level consistent with the City Code and approved Fee Schedule. Residential developments are required to dedicate 10% of the value of the land with an established minimum per-unit fee. The City will **allow the park dedication fee payments to be phased and shall** require that the Applicant **pay the park dedication cash requirement for the units in each individual phase prior to the issuance of the building permit for that phase of development.** The current fee schedule, which has a minimum per unit charge of \$2,500, would require a park dedication fee of \$262,500 for the 105 residential units. **One third of that amount shall be paid with each building permit.** *The Applicant requested that cash-in-lieu payments be phased and the Planning Commission agreed to recommend phasing of this payment at the rate set at the time of final plat approval.*

*Condition 13.* Trunk sewer and trunk water charges will be calculated at the time of final plat. **Trunk sewer and trunk water charges will be collected at the time of building permit issuance for each phase of development.** *The Applicant requested that trunk sewer and water charges be phased and the Planning Commission agreed to recommend phasing of this charge.*

**COMMENTS:**

**Sherburne County Engineering and Public Works:**

Public Works Engineering at Sherburne County does not have concern with the development.

**OTHER STAFF COMMENTS:**

**Engineering and Public Works:**

Bolton and Menk prepared a comment letter for the review of this development plan (Attachment C).

**Fire Department**

No comment.

**Police Department**

No comment.

NA

**STAFF RECOMMENDATION**

Staff is recommending approval of the Development Stage PUD, Preliminary Plat, Rezoning and Preliminary Site and Building Plan for the Station Street Apartments project. Staff's recommendation of approval comes with the following conditions:

**PLANNING AND ZONING CONDITIONS**

1. Development Stage PUD approval is granted. A rezone to PUD-Planned Unit Development with a base zoning district of TOD-Transit Oriented Development shall be processed concurrently with the approval of the final plat and Final Plan PUD. The following Planned Unit Development (PUD) flexibility shall be granted in accordance with the approved plans:

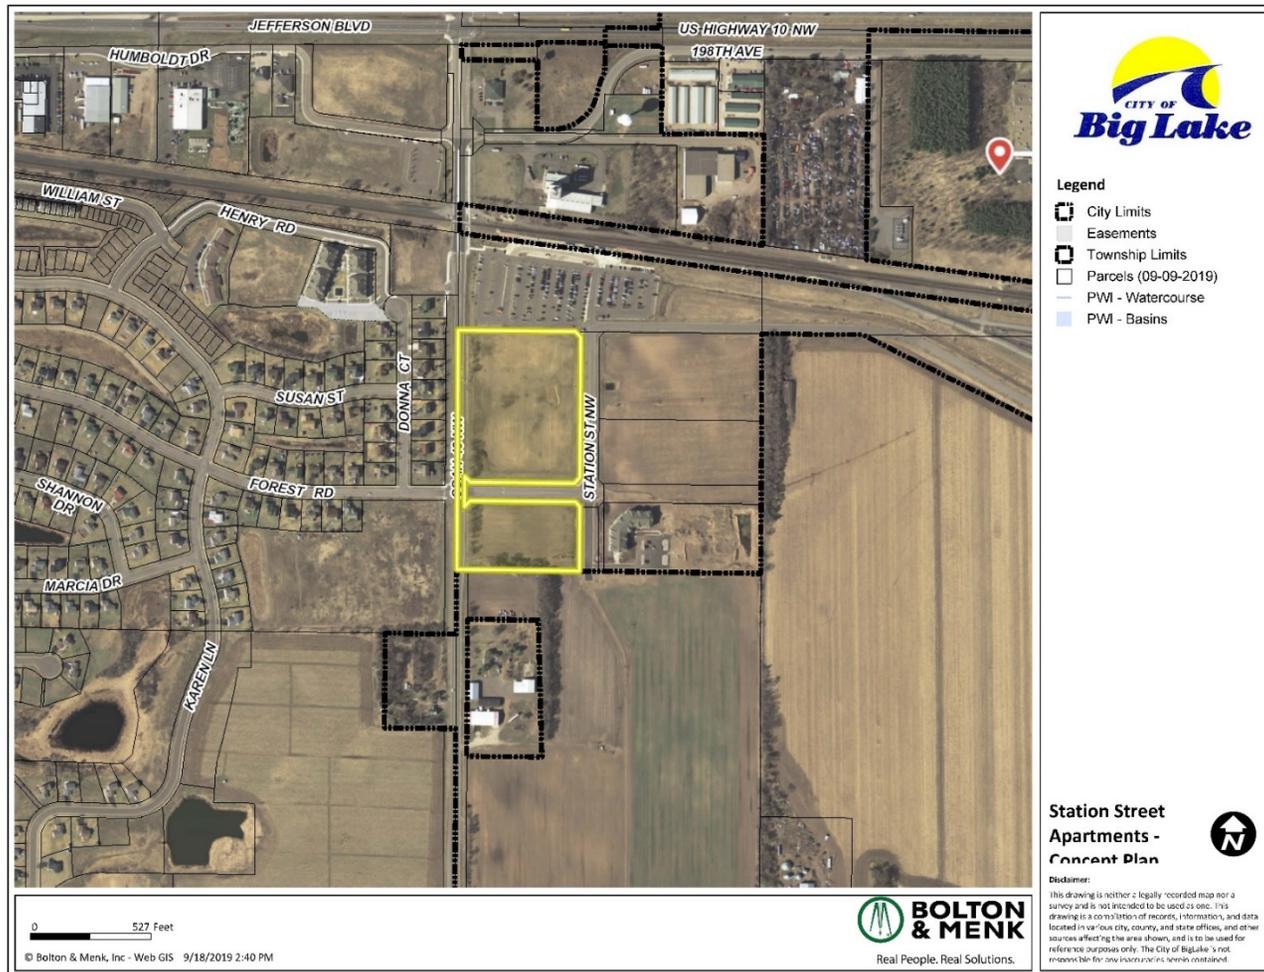

- a. All lots are allowed to have less than the 60% minimum impervious surface coverage.
  - b. The buildings are allowed to exceed the maximum setback as shown on the approved plans.
  - c. The main entrances for each apartment building are allowed to be setback more than five feet from the front property line.
  - d. Parking lots and accessory garage structures are allowed to be located in the front yards.
  - e. The applicant is allowed to exceed the maximum parking allowed and provide 218 spaces.
  - f. The applicant is not required to construct more than six garage structures.
  - g. The applicant is not required to provide building façades with the minimum material standards. The buildings will be constructed with the materials shown on the approved plans.
  - h. The applicant is not required to construct a sidewalk along County Road 43 NW.
  - i. The applicant is not required to construct pedestrian amenities such as benches, public art, planters, trash receptacles, etc. along sidewalks and in landscaped areas, open spaces and plazas.
  - j. One monument sign is allowed.
2. The PUD approval is for three (3) apartment buildings, six (6) accessory garage structures and an accessory pool house structure. No additional buildings may be built without a revision to the PUD.
  3. The review and approval of the site improvement pursuant to the requirements of City adopted building and fires codes shall be in addition to the site plan review process. The site plan approval process does not imply compliance with the requirements of these codes.
  4. All construction plans officially submitted to the City shall be treated as a formal agreement between the Applicant and the City. Once approved, no changes, modifications, or alterations shall be made to any plan detail, standard, or specification without prior submittal of a plan modifications request to the City Planner for review and approval.
  5. A sign permit is required before any signage may be installed. All signage must be setback 10 feet from all property lines.
  6. Additional information regarding the phasing of the project should be submitted with the final PUD application.
  7. The lighting plan should be revised to show compliance with ordinance.
  8. Prior to the issuance of any permit for land alteration, the applicant shall provide a financial guarantee (letter of credit or escrow payment) in the amount 125% of the estimated cost to furnish and plant materials including irrigation, mulch, and other landscape materials. This financial guarantee shall be provided separately for each phase of development.
  9. The security shall be maintained for at least one (1) year after the date that the last landscape materials have been planted. Upon a showing by the applicant and such inspection as may be made by the City, that portion of the security may be released by the City equal to one hundred twenty-five (125) percent of the estimated cost of the landscape materials which are alive and healthy at the end of such year. Any portion of the security not entitled to be released at the end of the year shall be maintained and shall secure the applicant's responsibility to remove and replant landscape materials which are not alive or are unhealthy at the end of such year and to replant missing trees. Upon completion of replanting said landscape materials, the entire security may be released. Any ornamental grass planted shall be guaranteed for a full two (2) years from the time planting is completed.

10. An irrigation system shall be required to ensure the viability of landscape materials.
11. A park dedication cash-in-lieu payment shall be made at a level consistent with the City Code and approved Fee Schedule. Residential developments are required to dedicate 10% of the value of the land with an established minimum per-unit fee. The City will allow the park dedication fee payments to be phased and shall require that the Applicant pay the park dedication cash requirement for the units in each individual phase prior to the issuance of the building permit for that phase of development. The current fee schedule, which has a minimum per unit charge of \$2,500, would require a park dedication fee of \$262,500 for the 105 residential units. One third of that amount shall be paid with each apartment building's building permit. Park dedication for OUTLOT A shall be collected at the time of a future final plat when it is platted as a developable lot.
12. Sewer Access Charges (SAC) and Water Access Charges (WAC) will be collected at the time of building permit issuance.
13. Trunk sewer and trunk water charges will be calculated at the time of final plat. Trunk sewer and trunk water charges will be collected at the time of building permit issuance for each phase of development.
14. The Applicant will need to enter into a development agreement and PUD agreement with the City prior to development. A Development Contract/PUD Agreement shall be drafted by the City Attorney prior to approval of the Final Plat.
15. This approval is contingent upon implementation of the rezone of the subject properties to PUD- Planned Unit Development with a base zoning district of TOD-Transit Oriented Development. The rezone ordinance shall be processed concurrently with the final plat.
16. The Applicant shall address the comments/conditions of the Engineer's Letter dated November 26, 2019 and revise their plans accordingly. There are five (5) comments/conditions relating to the ALTA Survey, nine (9) comments/conditions relating to the Preliminary Plat, and twenty-three (23) comments/conditions relating to the construction plans.
17. Any conditions of the Planning Commission, City Council, Staff, consultants, or other agencies responsible for the review of this development application.

Public Hearing Notice

CITY OF BIG LAKE  
NOTICE OF PUBLIC HEARING  
DEVELOPMENT PLAN FOR A PROJECT KNOWN AS  
"STATION STREET APARTMENTS"

You are hereby notified that the Big Lake Planning Commission will hold a public hearing in order to consider a preliminary plat, preliminary site plan, development stage PUD and rezoning for a project known as "Station Street Apartments". The public hearing will be held in the Big Lake City Council Chambers located at 160 Lake Street North, Big Lake, MN on: **Wednesday, December 4, 2019 at or about 6:30 p.m.**

**Applicant:** Kuepers Inc.  
17018 Commercial Park Road  
Brainerd, MN 56401

**Parcel Identification Number:** 65-029-2101

**Location Description:** Parcel directly south of the Big Lake Station Park and Ride, on the western side of Station Street NW. Parcel boundary bisected by Forest Rd. Development proposed only for portion of parcel north of Forest Rd.

The Applicant is proposing to build an apartment community on 7.3 acres directly south of the Northstar Train Station. The site plan calls for three 35-unit apartment buildings, accessory garage structures, surface parking, and on-site amenities. The shared on-site amenities, such as outdoor pool and playground area, are located between the three structures. The development is proposed as market rate rentals. This public hearing is for a Preliminary Plat, development stage Planned Unit Development, rezoning, and Preliminary Site and Building Plans.

Both oral and written comments will be considered by the Planning Commission. If you desire to be heard in reference to this matter, you should attend this hearing or submit written comments to City Hall. If you have any questions, please feel free to contact Michael Healy, City Planner at 763-251-2977 or [MHealy@biglakemn.org](mailto:MHealy@biglakemn.org).

Michael Healy, City Planner  
160 Lake Street North  
Big Lake, MN

RE: Station Street Apartments  
City of Big Lake, Minnesota  
Project No.: W18.119768

Dear Michael,

We have reviewed the ALTA Survey, Preliminary Plat, drainage calculations, and preliminary construction plans submitted by Kuepers Architects and Builders, Inc. The documents for the above referenced project are dated October 31, 2019 and we have the following comments:

**ALTA Survey:**

1. The sanitary sewer manhole text is illegible.
2. The existing concrete sidewalk and curbing should be labeled.
3. Street widths should be shown.
4. Only one wetland is identified. The second wetland boundary should be shown on the survey.
5. The intersection of Forest Road and County Highway No. 43 right of ways should be monumented.

**Preliminary Plat:**

1. The plat name shall be clearly identified.
2. The preliminary plat shall include the name and registration number of the surveyor responsible for the plat.
3. The external dimensions of the property shall be clearly identified by distances and bearings.
4. The County Highway No. 43 right of way shall be clearly identified by distances and bearings.
5. Lot and Block numbers shall be clearly noted on the plat.
6. The proposed lot areas are noted in terms of square feet. The outlot area is identified in acres. The lot and outlot areas shall be noted with consistent area units.
7. Setbacks shall be identified for each proposed lot.
8. All sanitary sewer, watermain, and storm sewer, except for the storm sewer across Lot 2, is contained within drainage and utility easements. The applicant should provide clarification as to why the storm sewer across Lot 2 is not contained within a drainage and utility easement.
9. All access and parking easements shall be identified on the plat.

**Construction Plans:**

1. The applicant shall submit a wetland replacement plan and obtain all required approvals prior to construction.
2. The applicant shall obtain a MDH watermain extension permit and submit a copy to the city.
3. The applicant shall obtain a work within the right of way permit from the City of Big Lake.
4. The applicant shall obtain a work within the right of way permit from Sherburne County. A copy of the permit shall be submitted to the city.
5. The applicant shall obtain a NPDES Construction Stormwater Permit and shall submit a copy of the permit to the city prior to construction.
6. The applicant shall enter into a Stormwater Maintenance Agreement for the infiltration basins on the property.
7. The applicant shall prepare a Stormwater Maintenance Plan for the infiltration basins to be included in the Stormwater Maintenance Agreement.
8. The applicant shall provide infiltration test results for each of the proposed infiltration basins.
9. The applicant shall obtain soil borings to verify groundwater depth and soil type within the proposed infiltration basin locations and submit the data to the City of Big Lake for review.
10. The SWPPP identifies silt fence installation such that the existing sidewalk along Forest Road and Station Street will be contained within the construction area. The silt fence location shall be adjusted so that the sidewalk remains usable throughout construction.
11. The infiltration basins shall be seeded with MnDOT seed mix 35-221. The notes referencing seed mixtures on sheets 7 and 8 shall be revised.
12. The property accesses shall be constructed with radi a minimum of 15 feet in length.
13. Additional spot elevations or intersection details shall be provided for the proposed site accesses.
14. The applicant shall submit a traffic control plan for the review of the city prior to excavating within the Forest Road right of way.
15. The Forest Road bituminous, aggregate base, curb and gutter, and sidewalk shall be replaced no more than 48 hours following the watermain connection.
16. A temporary pedestrian access route shall be provided whenever construction impacts the existing sidewalk.
17. Note 6. on sheet 5 of 12 shall be revised. Test water shall not be disposed of into the city's sanitary sewer system.
18. Umbrella anchorage assemblies shall be provided for all gate valves.
19. The contractor shall be responsible for obtaining two consecutive passing bacteriological tests from the proposed watermain. Testing results shall be provided to the City of Big Lake.
20. A gate valve shall be added to the proposed water service for the building located on Lot 3.
21. Two additional gate valves shall be installed near MH 3.
22. All construction shall be in accordance with the City of Big Lake Standards.
23. Revised plans incorporating the above reference comments shall be labeled "Final Plans for Construction" and shall be submitted for the review of the City of Big Lake.

Michael Healy, City Planner  
November 26, 2019  
Page 3

We recommend approval of the Preliminary Plat contingent on the above referenced comments and those comments received by Sherburne County, other city staff, commissions, and council.

If you have any questions on the above, please call.

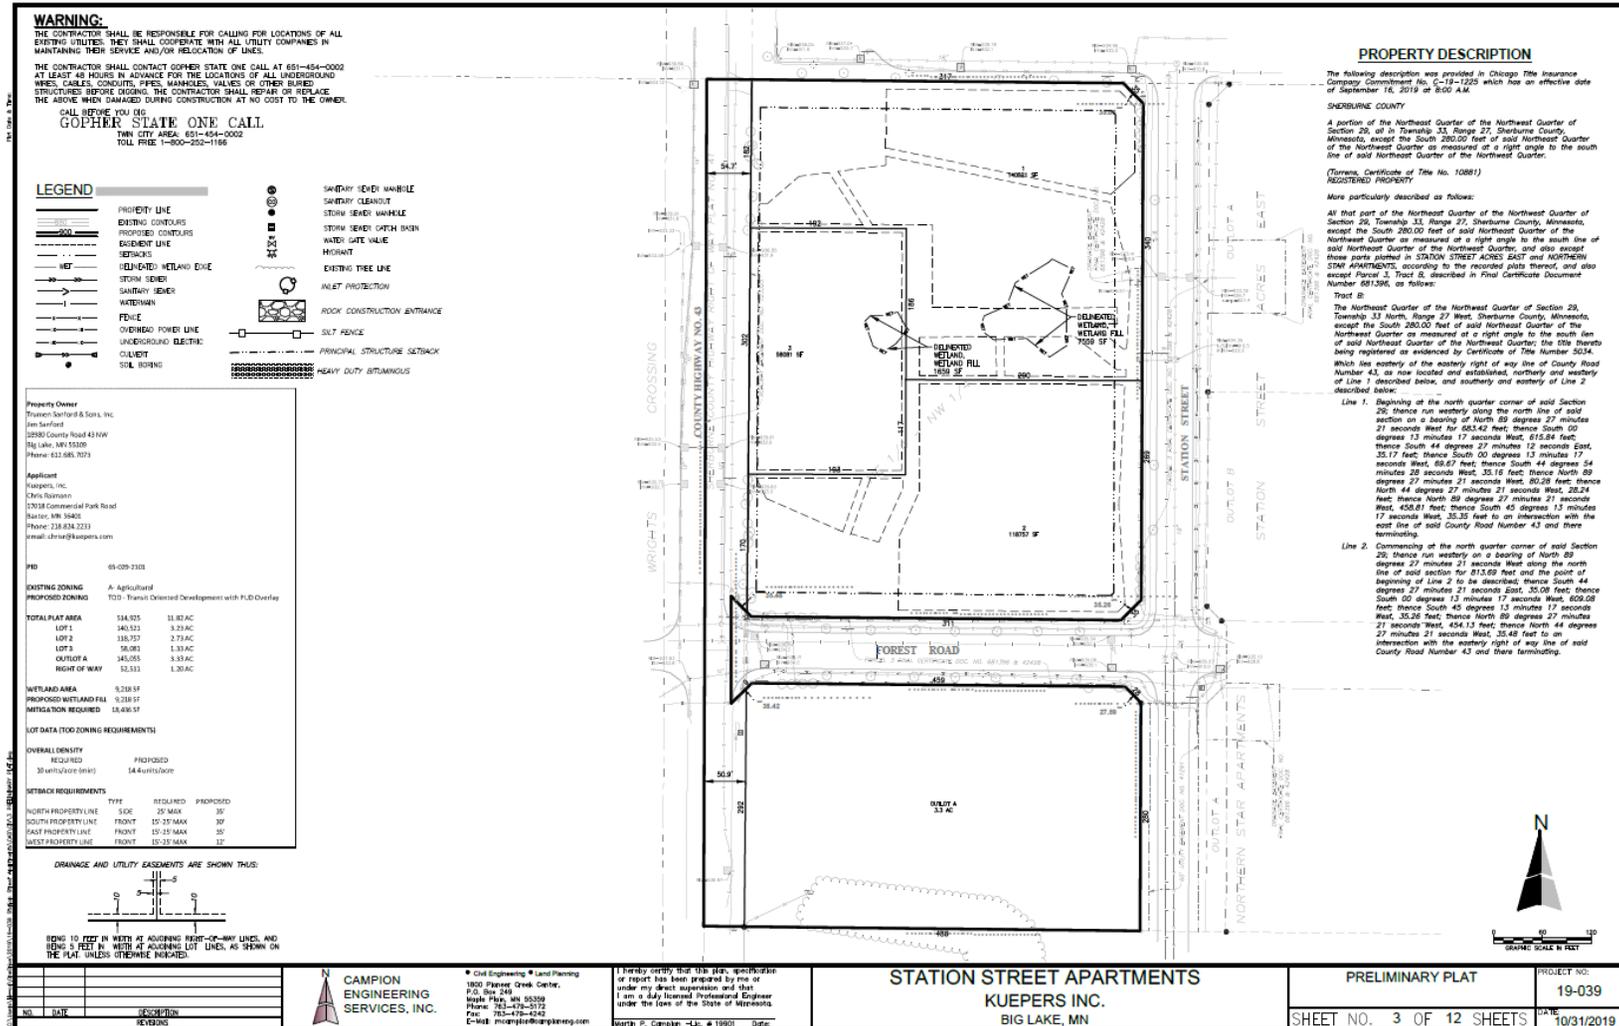

Sincerely,

**Bolton & Menk, Inc.**

A handwritten signature in blue ink, appearing to read "J. Voge", is written over a horizontal line.

**NOTES:**

- BOUNDARY AND EXISTING CONDITION INFORMATION PER SURVEY PREPARED BY WENCK ASSOCIATES, DATED 10/24/2019.
- ALL EXISTING CONDITIONS SHALL BE VERIFIED BY THE CONTRACTOR.
- REFER TO ARCHITECTURAL PLANS FOR BUILDING DIMENSIONS AND LOCATIONS OF EXITS, RAMPS, CONCRETE APRONS AND STAIRS.
- ALL PAVEMENT STRIPING SHALL BE 4" WIDE LINES, STRIPED USING HIGH VISIBILITY TRAFFIC AND HIGHWAY APPROVED WHITE PAINT. PROVIDE APPROPRIATE STRIPING AND PAVEMENT MARKINGS FOR ALL HANDICAP PARKING AND ACCESSIBLES.
- INDICATING TAKE PRECEDENCE OVER SCALE. ALL DIMENSIONS ARE TO BACK OF CURB, EDGE OF SIDEWALK OR EXTERIOR BUILDING UNLESS OTHERWISE NOTED.
- UNLESS OTHERWISE INDICATED ON THE PLAN, CONTRACTOR SHALL PROVIDE CONTROL JOINTS, CONSTRUCTION JOINTS, AND EXPANSION JOINTS IN SLAB ON GROUND SIDEWALKS AND CONCRETE DRIVES. CONTROL JOINT MAXIMUM SPACING: WALKS - 8' O.C., ALL OTHERS - 10' O.C. SAW CUT CONTROL JOINTS MINIMUM ONE-QUARTER CONCRETE THICKNESS. EXPANSION JOINT MAXIMUM SPACING: WALKS - 24' O.C., ALL OTHERS - 40' O.C. DOWEL ALL EXPANSION JOINTS - MAXIMUM 2" O.C.
- PEDESTRIAN RAMPS SHALL BE INSTALLED AT ALL LOCATIONS WHERE SIDEWALK MEETS CURB.
- WHEN DOING ANY WORK WITHIN THE PUBLIC RIGHT OF WAY, THE CONTRACTOR SHALL COORDINATE THE REMOVAL LIMITS WITH THE CITY.
- CONTRACTOR SHALL BE RESPONSIBLE FOR ENSURING THAT ALL SIDEWALKS AND ACCESS ROUTES MEET ADA AND UNDOT OVERLINES FOR ACCESSIBILITY.
- CONTRACTOR SHALL VERIFY CONDUIT REQUIREMENTS FOR POWER AND IRRIGATION.
- CONTRACTOR SHALL BE RESPONSIBLE FOR COORDINATING WITH THE FIRE MARSHAL THE LOCATION OF FIRE LANE SIGNAGE AND CURB MARKINGS (IF NEEDED).
- ALL NEW UTILITIES SHALL BE UNDERGROUND. COORDINATE LOCATIONS WITH UTILITY PROVIDERS.
- SIDEWALKS SHALL BE CONSTRUCTED WITH A MAXIMUM CROSS SLOPE OF 2%. ANY SIDEWALK EXCEEDING 2% CROSS SLOPE MUST BE REMOVED AND REPLACED AT CONTRACTOR'S EXPENSE.

**GENERAL NOTES:**

- PRIOR TO STARTING CONSTRUCTION, THE CONTRACTOR SHALL VERIFY THAT ALL PERMITS AND APPROVALS HAVE BEEN OBTAINED. NO CONSTRUCTION SHALL BEGIN UNTIL THE CONTRACTOR HAS REVIEWED ALL PLANS AND OTHER DOCUMENTS APPROVED BY THE PERMITTING AUTHORITIES.
- WORK SHALL BE PERFORMED IN ACCORDANCE WITH THE PLANS AND SPECIFICATIONS AND THE REQUIREMENTS AND STANDARDS OF THE LOCAL GOVERNING AUTHORITY. THE SUELS REPORT AND RECOMMENDATION SET FORTH THEREIN ARE A PART OF THE REQUIRED CONSTRUCTION DOCUMENTS AND IN CASE OF CONFLICT SHALL TAKE PRECEDENCE UNLESS SPECIFICALLY NOTED OTHERWISE ON THE PLANS. THE CONTRACTOR SHALL NOTIFY THE ENGINEER OF ANY DISCREPANCY BETWEEN THE SUELS REPORT AND PLANS.

- NOTES:
- BOUNDARY AND EXISTING CONDITION INFORMATION PER SURVEY PREPARED BY WENCK ASSOCIATES, DATED 10/24/2019.
  - THE LOCATION AND ELEVATION OF ALL EXISTING UTILITIES SHALL BE VERIFIED BY THE CONTRACTOR PRIOR TO CONSTRUCTION. THE ENGINEER SHALL BE NOTIFIED IMMEDIATELY OF ANY CONFLICTS.
  - THE CONTRACTOR SHALL PROTECT ALL EXISTING UTILITIES AND FACILITIES TO ALLOW PROPER FUNCTIONING DURING AND AFTER CONSTRUCTION. IF REQUIRED, SHALL BE SUPPLIED BY THE CONTRACTOR AS WORK INCIDENTAL TO THE CONTRACT.
  - THE CONTRACTOR SHALL IMMEDIATELY NOTIFY THE ENGINEER OF ANY CONFLICTS BETWEEN EXISTING UTILITIES AND THE PROPOSED CONSTRUCTION. THE ENGINEER WILL COORDINATE WITH UTILITY COMPANY IN ORDER TO DETERMINE THE NEED FOR RELOCATION OF THE EXISTING UTILITY.
  - EXISTING CONDITIONS SUCH AS SAID IN MANHOLES OR VALVE BOXES SHALL BE IDENTIFIED BY THE CONTRACTOR AND THESE SHALL BE REPORTED TO THE ENGINEER PRIOR TO COMMENCEMENT BY THE CONTRACTOR. ONCE CONSTRUCTION HAS BEGUN, ALL DAMAGE TO UNDERGROUND UTILITIES WILL BE ASSIGNED TO HAVE BEEN CAUSED BY THE CONTRACTOR AND REPAIRS NECESSARY SHALL BE PERFORMED BY THE CONTRACTOR AT THE CONTRACTOR'S EXPENSE.
  - THE CONTRACTOR SHALL COORDINATE WITH THE LOCAL JURISDICTION TO OBTAIN PERMITS AND WATER FOR WATER SERVICE. ALL ASSOCIATED COSTS SHALL BE INCIDENTAL TO THE CONTRACTOR, INCLUDING DISPOSAL OF TEST WATER INTO CITY'S SANITARY SEWER SYSTEM. THE CONTRACTOR SHALL NOT OPERATE GATE VALVES OR PIPES ON THE CITY WATER SYSTEM WITHOUT FIRST RECEIVING CITY APPROVAL.
  - THE CONTRACTOR SHALL NOTIFY THE CITY ENGINEER AND THE PROJECT ENGINEER 48 HOURS PRIOR TO STARTING WORK OR AS REQUIRED BY THE CITY.
  - THE CONTRACTOR SHALL KEEP ACCESS TRAILS CLEAR OF SOIL OR OTHER DEBRIS AND PERFORM ONLY STREET CLEANING AS REQUIRED. POSITIVE DRAINAGE CONTROLLED WITH EROSION CONTROL AND EROSION PREVENTION MEASURES AS REQUIRED SHALL BE PERFORMED.
  - THE CONTRACTOR SHALL PRESERVE AND PROTECT THE MARKERS AND MONUMENTS SET FOR THE SUBDIVISION OF LAND.
  - THE CONTRACTOR SHALL SCHEDULE THE SOILS ENGINEER TO FACILITATE CERTIFICATION OF ALL CONTROLLED FILLS IN A TIMELY FASHION. DENSITY TESTS SHALL MEET THE FOLLOWING:
  - DENSITY TESTS SHALL BE TAKEN ON ALL FINISHED AT LOCATIONS AS DETERMINED BY THE ENGINEER OR HIS REPRESENTATIVE.
  - WITHIN 3 FEET OF PREVIOUS SUBGRADE, CONTRACTOR SHALL UTILIZE IMPROVED SOILS THAT ARE WITHIN 1% OPTIMUM MOISTURE CONTENT. COMPACTION SHALL MEET 100% STANDARD PROCTOR. BELOW THE UPPER SPEED, COMPACTION SHALL BE 95%. GRADING TOLERANCE SHALL BE 0.1'.
  - THE OWNER SHALL PAY FOR ALL COMPACTION TESTING. ANY AREAS WHICH FAIL TO MEET THE ABOVE STANDARDS SHALL BE CORRECTED AND RE-TESTED BY THE OWNER'S TESTING AGENT AT THE CONTRACTOR'S EXPENSE.
  - SANITARY SEWER AND WATERMAIN SHALL BE INSTALLED AT ELEVATIONS SHOWN ON THE PLAN. WHERE WATERMAIN MUST BE LOWERED TO AVOID CONFLICT WITH ANOTHER UTILITY, THE COST OF PIPES, FITTINGS, ETC. SHALL BE COVERED INCIDENTAL TO THE CONTRACT.
  - CONTRACTOR SHALL PROVIDE TEMPORARY TRAFFIC CONTROL IN COMPLIANCE WITH THE CURRENT MNDOT TEMPORARY TRAFFIC CONTROL ZONE LAYOUTS FIELD MANUAL FOR CONSTRUCTION ADJACENT TO TRAVELWAYS.
  - CONTRACTOR SHALL BE RESPONSIBLE FOR VERIFICATION OF THE DEPTH OF EXISTING UTILITIES LISTED ON THIS PLAN PRIOR TO ORDERING OF ANY FITTINGS, STRUCTURES, CASTINGS, ETC. ENGINEER AND THE OWNER SHALL NOT BE RESPONSIBLE FOR ANY DISCREPANCIES FOUND AT DEPTH ARE ESTIMATED.
  - CONTACT CITY FOR INSPECTION PRIOR TO CONNECTING TO EXISTING CITY UTILITIES.
  - CONTRACTOR TO COMPLY WITH ALL REGULATORY AGENCY PERMITS CONDITIONS FOR PERMITS OBTAINED BY OWNER AND FOR PERMITS OBTAINED BY CONTRACTOR.
  - ALL WORK PERFORMED AND MATERIALS USED FOR CONSTRUCTION OF UTILITIES MUST CONFORM TO THE CITY OF BIG LAKE STANDARD SPECIFICATIONS AND DETAILS.
  - SANITARY SEWER SERVICES SHALL BE 6" PVC SDR 26.
  - SANITARY SEWER SERVICE TO POOL BUILDING SHALL BE 4" PVC SDR 26.
  - ALL SANITARY SEWER MANHOLE CASTINGS SHALL BE ADJUSTED WITH LATCHES HOPE ADJUSTING RINGS.
  - WATER SERVICE SHALL BE 6" CPVC CL 35.
  - WATER SERVICE TO FISH BUILDING SHALL BE 1" TYPE K COPPER, FORD BMS-80-56 6" CURB BOX WITH 78" RIGID, FORD B22-4448-NL CURB STOP, FORD P800-4-NL CORPORATION STOP OR APPROVED EQUIV.
  - ALL WATERMAIN SHALL BE INSTALLED WITH 8" COVER MINIMUM.
  - NEAR LAKE OR COASTED ROADS ARE REQUIRED FOR TYPICAL WATERMAIN.
  - FREE MICHIGANS SHALL BE WATERLOUS W8 87-250 WITH 24" BREAKOFF SECTION. COLOR AND THREADS SHALL MEET CITY OF BIG LAKE STANDARDS.
  - VERIFY LOCATION OF FIRE DEPARTMENT CONNECTION (FDC) WITH MECHANICAL ENGINEER SUBJECT TO REVIEW OF THE FIRE CODE.
  - INSTALL SERVICE INTO THE BUILDING. VERIFY LOCATION WITH MECHANICAL ENGINEER.
  - THE LOCATION, SIZE AND ELEVATION OF THE EXISTING SEWER AND WATER IS SHOWN PER CITY RECORD PLANS. THE PLAN SHOWS THE APPROXIMATE LOCATION. THE CONTRACTOR SHALL BE RESPONSIBLE FOR LOCATING THE EXISTING UTILITIES PRIOR TO BEGINNING CONSTRUCTION.

- NOTES:**
- BOUNDARY AND EXISTING CONTOUR INFORMATION FOR SURVEY PROVIDED BY VENCK ASSOCIATES, DATED 10/24/2018.
  - THE LOCATION AND ELEVATION OF ALL EXISTING UTILITIES SHALL BE VERIFIED BY THE CONTRACTOR PRIOR TO CONSTRUCTION. THE ENGINEER SHALL BE NOTIFIED IMMEDIATELY OF ANY CONFLICTS.
  - THE CONTRACTOR SHALL PROTECT ALL EXISTING UTILITIES AND FACILITIES TO ALLOW PROPER FUNCTIONING DURING AND AFTER CONSTRUCTION. SUPPORTING STRUCTURES, IF REQUIRED, SHALL BE SUPPLIED BY THE CONTRACTOR AS WORK INCIDENTAL TO THE CONTRACT.
  - THE CONTRACTOR SHALL IMMEDIATELY NOTIFY THE ENGINEER OF ANY CONFLICTS BETWEEN EXISTING UTILITIES AND THE PROPOSED CONSTRUCTION. THE ENGINEER WILL COORDINATE WITH UTILITY COMPANY IN QUESTION TO DETERMINE THE NEED FOR RELOCATION OF THE EXISTING UTILITY.
  - THE CONTRACTOR SHALL KEEP ACCESS ROADS CLEAN OF SOIL OR OTHER DEBRIS, AND PERFORM ONLY STREET CLEANING AS REQUIRED. POSITIVE CHANNEL CONTROLLED WITH DEBRIS CONTROL AND EROSION PREVENTION MEASURES AS REQUIRED SHALL BE PERFORMED.
  - THE CONTRACTOR SHALL PREPARE AND PROTECT THE MARKERS AND MONUMENTS SET FOR THE SURVEY OF LAND.
  - THE CONTRACTOR SHALL SCHEDULE THE SOILS ENGINEER TO FACILITATE CERTIFICATION OF ALL CONTROLLED FILLS IN A TIMELY FASHION. GEOTECH TESTS SHALL MEET THE FOLLOWING:
    - GEOTECH TESTS SHALL BE TAKEN ON ALL FILL AREAS AS DETERMINED BY THE ENGINEER OR HIS REPRESENTATIVE.
    - IF FILL IS TO BE PLACED IN AREAS WHERE IMPROVED SOILS ARE WITHIN 18" OPTIMUM MOISTURE CONTENT, COMPACTION SHALL MEET 100% STANDARD PROCTOR (BELOW THE UPPER STRENGTH) COMPACTION SHALL BE 90% GRAVING TOLERANCE SHALL BE 0.1".
    - THE OWNER SHALL PAY FOR ALL COMPACTION TESTING. ANY AREAS WHICH FAIL TO MEET THE ABOVE STANDARDS SHALL BE CORRECTED AND RE-TESTED BY THE OWNER'S TESTING AGENCY AT THE CONTRACTOR'S EXPENSE.
  - CONTRACTOR SHALL PROVIDE TEMPORARY TRAFFIC CONTROL IN COMPLIANCE WITH THE CURRENT MINN. TEMPORARY TRAFFIC CONTROL ZONE LAYOUTS FIELD MANUAL FOR CONSTRUCTION ADAPTED TO TRAIL LANE.
  - CONTRACTOR SHALL BE RESPONSIBLE FOR VERIFICATION OF THE DEPTH OF EXISTING UTILITIES LISTED ON THIS PLAN PRIOR TO CONSTRUCTION OF UTILITIES. STRUCTURES, CASTINGS, ETC. ENGINEERED AND THE OWNER SHALL NOT BE RESPONSIBLE FOR ANY DISCREPANCIES FOUND AS LONG AS THEY ARE LISTED AS EXISTING.
  - CONTACT CITY FOR INSPECTION PRIOR TO CONNECTING TO EXISTING CITY UTILITIES.
  - ALL WORK PERFORMED AND MATERIALS USED FOR CONSTRUCTION OF UTILITIES MUST CONFORM TO THE CITY OF BIG LAKE STANDARD SPECIFICATIONS AND DETAILS.
  - ALL STORM SEWER MANHOLE CASTINGS SHALL BE ADJUSTED WITH LUTHER HOPE ADJUSTING RINGS. OUTSTATION CASTINGS SHALL BE ADJUSTED WITH CONCRETE ADJUSTING RINGS.
  - ALL STORM SEWER STRUCTURES SHALL HAVE INTERNAL PRE-CAST CONCRETE BASE SECTIONS WITH A MINIMUM 1" DEEP SLURRY.
  - REPAIR SHALL BE GRANITE. REPAIR AT POND OUTLETS SHALL EXTEND TO BOTTOM OF POND.

CALL 48 HOURS BEFORE DIGGING:  
**GOPHER STATE ONE CALL**  
 TWIN CITY AREA: 651-454-0002  
 MN. TOLL FREE 1-800-252-1166

**GENERAL NOTES**

- CONSTRUCTION SHALL COMPLY WITH ALL APPLICABLE GOVERNING CODES.
- THE CONTRACTOR SHALL TAKE THE PRECAUTIONS NECESSARY TO AVOID PROPERTY DAMAGE TO ADJACENT PROPERTIES DURING THE CONSTRUCTION PHASES OF THE PROJECT.
- THE CONTRACTOR MUST CONTACT ALL APPROPRIATE UTILITY COMPANIES AT LEAST 48 HOURS BEFORE ANY EXCAVATION TO REQUEST EXACT FIELD LOCATION OF EXISTING UTILITIES. IT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR TO RELOCATE ALL UTILITIES WHICH CONFLICT WITH THE PROPOSED IMPROVEMENTS SHOWN ON THE PLANS. THE LOCATIONS OF SMALL UTILITIES SHALL BE OBTAINED BY THE CONTRACTOR BY CALLING GOPHER STATE ONE CALL (1-800-252-1166).
- THE CONTRACTOR SHALL MARK THE LOCATIONS OF EXISTING SAFE VALVES AND MANHOLES WITH STEDY STAKE POSTS PRIOR TO BEGINNING GRADING.
- SAFETY NOTICE TO CONTRACTORS: IN ACCORDANCE WITH GENERALLY ACCEPTED CONSTRUCTION PRACTICES, THE CONTRACTOR WILL BE SOLELY AND COMPLETELY RESPONSIBLE FOR CONDUCTING ON THE JOB SITE INCLUDING SAFETY OF ALL PERSONS AND PROPERTY DURING PERFORMANCE OF THE WORK. THIS REQUIREMENT WILL APPLY CONTINUOUSLY AND NOT BE LIMITED TO NORMAL WORKING HOURS. THE DUTY OF THE ENGINEER OR THE DEVELOPER TO CONDUCT CONSTRUCTION REVIEW OF THE CONTRACTOR'S PERFORMANCE IS NOT INTENDED TO INCLUDE REVIEW OF THE ADEQUACY OF THE CONTRACTOR'S SAFETY MEASURES IN, ON OR NEAR THE CONSTRUCTION SITE.
- THE CONTRACTOR SHALL BE RESPONSIBLE FOR PROVIDING AND MAINTAINING TRAFFIC CONTROL DEVICES SUCH AS IMPROVEDS, WARNING SIGNS, DIRECTIONAL SIGNS, FLAGMEN AND LIGHTS TO THE MOVEMENT OF TRAFFIC WHERE NECESSARY. TRAFFIC CONTROL DEVICES SHALL CONFORM TO APPROPRIATE MINNESOTA DEPARTMENT OF TRANSPORTATION STANDARDS.
- THE CONTRACTOR SHALL MAINTAIN ALL ON-GOING AND CONSTRUCTION ACTIVITIES TO AREAS DESIGNATED ON THE PLANS. ACTIVITIES PROHIBITED OUTSIDE THE CONSTRUCTION BOUNDARIES INCLUDE, BUT ARE NOT LIMITED TO: STOPPING SOILS AND OTHER MATERIAL, STORING EQUIPMENT OR OTHER MACHINERY, DRIVING VEHICLES, LEAVING OR SPILLING OF ANY WASTEWATER OR OTHER TOXIC MATERIALS.
- ALL SOIL TESTING SHALL BE COMPLETED BY THE OWNER'S SOILS ENGINEER. THE CONTRACTOR SHALL BE RESPONSIBLE FOR COORDINATING ALL REQUIRED SOIL TESTS AND INSPECTIONS WITH THE SOILS ENGINEER.
- PRIOR TO PLACEMENT OF ANY STRUCTURE OR PAVEMENT, A TEST ROLL WILL BE REQUIRED ON THE SUBGRADE. THE CONTRACTOR SHALL PROVIDE A LOADED "SHOULDER WIDE TRUCK WITH A GROSS WEIGHT OF 25 TONS. THE TEST ROLLING SHALL BE AT THE DISCRETION OF THE SOILS ENGINEER AND SHALL BE COMPLETED IN AREAS AS DIRECTED BY THE SOILS ENGINEER. THE SOILS ENGINEER SHALL DETERMINE WHICH SECTIONS ARE UNSUITABLE. CORRECTION OF THE SUBGRADE SOILS SHALL BE COMPLETED IN ACCORDANCE WITH THE REQUIREMENTS OF THE SOILS ENGINEER AND AS SPECIFIED.
- THE EXISTING TOPSOIL ON THIS SITE VARIES IN DEPTH. IT IS THE CONTRACTOR'S RESPONSIBILITY THAT ALL SURFACE VEGETATION AND ANY TOPSOIL OR OTHER LOOSE, SOFT OR OTHERWISE UNSUITABLE MATERIAL BE REMOVED FROM THE PARKING LOT, AND BUILDING PAD AREAS PRIOR TO PLACEMENT OF ANY EMBAIKMENT IN ACCORDANCE WITH THE SOILS REPORT AND RECOMMENDATION OF THE SOILS ENGINEER.
- EMBAIKMENT MATERIAL NOT PLACED IN THE STREET, PARKING LOT OR BUILDING PAD AREAS SHALL BE COMPACTED IN ACCORDANCE WITH THE REQUIREMENTS OF THE QUALITY CONTROL METHOD AS OUTLINED IN MN/DOT 2100.372 OR AS DIRECTED BY THE SOILS ENGINEER.
- EXCAVATION FOR THE PURPOSE OF REMOVING UNSUITABLE OR UNSURVEILABLE SOILS SHALL BE COMPLETED AS REQUIRED BY THE SOILS ENGINEER. EMBAIKMENT MATERIAL PLACED IN THE PARKING LOT SHALL BE COMPACTED IN ACCORDANCE WITH THE SPECIFIED DENSITY METHOD AS OUTLINED IN MN/DOT 2100.371. EMBAIKMENT MATERIAL PLACED IN THE BUILDING PAD AREA SHALL BE COMPACTED IN ACCORDANCE WITH THE SOILS REPORT.
- TOLERANCES:  
 a. THE STREET AND PARKING LOT SUBGRADE FINISHED SURFACE ELEVATION SHALL NOT VARY BY MORE THAN 0.05 FOOT ABOVE, OR 0.10 FOOT BELOW, THE PRESCRIBED ELEVATION OF ANY POINT WHERE MEASUREMENT IS MADE.  
 b. AREAS WHICH ARE TO RECEIVE TOPSOIL SHALL BE GRADED TO WITHIN 0.20 FOOT ABOVE OR BELOW THE REQUIRED ELEVATION, UNLESS DIRECTED BY THE ENGINEER.  
 c. TOPSOIL SHALL BE GRADED TO PLUS OR MINUS 1/8 INCH OF THE SPECIFIED THICKNESS.  
 d. ALL OBTAINED UNSURFACED AREAS ARE TO IMMEDIATELY RECEIVE FOUR INCHES OF TOPSOIL, SEED AND MULCH AND BE MAINTAINED UNTIL A HEAVY STRAW OF COVER IS OBTAINED.
- SPOT ELEVATIONS SHOWN INDICATE FINISHED GRADE ELEVATION UNLESS OTHERWISE NOTED.
- PROPOSED CONTOURS ARE TO FINISHED SURFACE GRADE.

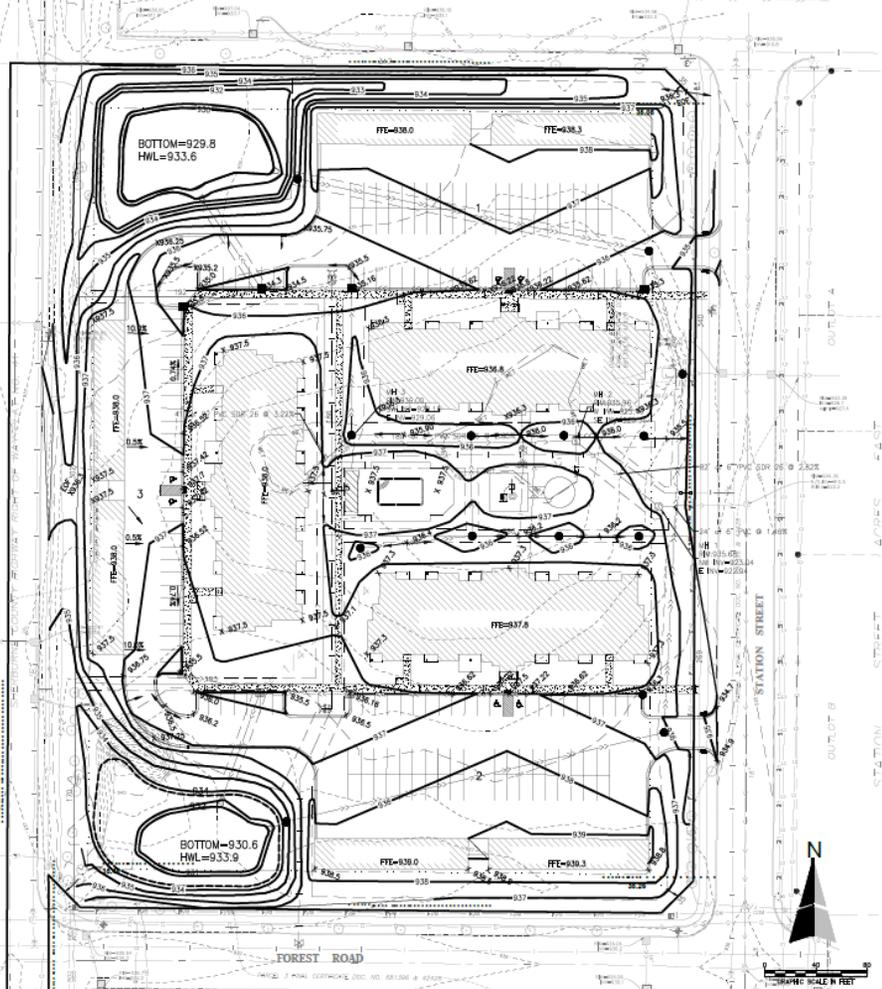

**INFILTRATION BASIN FINISHING**

- THE CONTRACTOR SHALL AVOID COMPACTING THE BASIN BOTTOM. RUBBER Tired EQUIPMENT SHALL BE PROHIBITED WHEN WORKING IN THE BASIN AREA.
- BASIN BOTTOMS UP TO THE FIRM FINISH ELEVATION SHALL BE COVERED WITH WOOD CHIPS 6X 36-38 INCHES LONG.
- SEEDLINGS SHALL BE GRADED 12" - 18" ABOVE FINAL SURFACE ELEVATION UNTIL SITE GRADING IS SUBSTANTIALLY COMPLETE ONCE UPON WHICH SEEDING HAS BEEN ESTABLISHED. THE BASIN SHALL BE GRADED TO SURFACE ELEVATION. THE NATIVE SOILS RECOMPACTED TO A DEPTH OF 12"-18" AND THE BASIN RESTORED.

**CAUTION NOTES**

THE CONTRACTOR IS SPECIFICALLY CAUTIONED THAT THE LOCATION AND/OR ELEVATION OF EXISTING UTILITIES AS SHOWN ON THESE PLANS IS BASED ON RECORDS OF THE VARIOUS UTILITY COMPANIES AND, WHERE POSSIBLE, MEASUREMENTS TAKEN IN THE FIELD. THE INFORMATION IS NOT TO BE RELIED ON AS BEING EXACT OR COMPLETE.

THE CONTRACTOR MUST CONTACT ALL THE APPROPRIATE UTILITY COMPANIES AT LEAST 48 HOURS BEFORE ANY EXCAVATION TO REQUEST EXACT FIELD LOCATION OF UTILITIES. IT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR TO RELOCATE ALL EXISTING UTILITIES WHICH CONFLICT WITH THE PROPOSED IMPROVEMENTS SHOWN ON THE PLANS. THE LOCATIONS OF SMALL UTILITIES SHALL BE OBTAINED BY THE CONTRACTOR BY CALLING GOPHER STATE ONE CALL AT 800-252-1166 OR 651-454-0002.

**EROSION/SILTATION CONTROL**

1. ALL EROSION CONTROL AND SILTATION CONTROL SHALL COMPLY WITH MINNESOTA'S BEST MANAGEMENT PRACTICES MANUAL AND REGULATIONS OF THE CITY.
2. THE CONTRACTOR SHALL BE FAMILIAR WITH AND FOLLOW ALL REQUIREMENTS OF THE MPCA WETLAND PHASE I PERMIT FOR CONSTRUCTION ACTIVITIES INCLUDING BUT NOT LIMITED TO EROSION CONTROL INSPECTIONS, INSPECTION AFTER SLOTTED/RAIL OR HOSE AND DOCUMENTATION OF ALL CORRECTIVE MEASURES. BY BEGINNING CONSTRUCTION, THE CONTRACTOR ACKNOWLEDGES THE TERMS OF THIS PERMIT AND AGREES TO ABIDE BY IT.
3. THE CONTRACTOR SHALL PERFORM ANY CORRECTIVE MEASURES ORDERED BY THE CITY OR THE MPCA WITHIN 24 HOURS OF NOTIFICATION. ALSO, ADDITIONAL CONTROL MEASURES DEEMED NECESSARY BY EITHER THE CITY OR THE MPCA SHALL BE INSTALLED WITHIN 24 HOURS OF NOTIFICATION.
4. ANY DEPOSITING OF SILT OR MUD ON NEW OR EXISTING PAVEMENT, IN TEMPORARY SEEDING/STABILIZATION AREAS, OR IN EXISTING STORM SEWERS OR SLEAVES SHALL BE REMOVED AFTER EACH RAIN AND AFFECTED AREAS CLEANED. REMOVAL FROM EXISTING PAVEMENTS SHALL BE ACCOMPLISHED BY SEEDING.
5. THE CONTRACTOR SHALL ASSUME COMPLETE RESPONSIBILITY FOR CONTROLLING ALL SILTATION INCLUDING BUT NOT LIMITED TO ROCK ENTRANCES AND/OR SILT FENCES. CONTROL SHALL COMMENCE WITH GRADING AND CONTINUE THROUGHOUT THE PROJECT UNTIL ACCEPTANCE OF THE WORK BY THE OWNER. THE CONTRACTOR'S RESPONSIBILITY INCLUDES ALL DESIGN AND IMPLEMENTATION AS REQUIRED TO PREVENT EROSION AND THE DISPOSING OF SILT. THE OWNER MAY, AT HIS/HER OPTION DIRECT THE CONTRACTOR IN HIS/HER METHODS AS DEEMED FIT TO PREVENT EROSION AND IMPROVEMENTS.
6. ANY DEPOSITING OF SILT IN SLEAVES OR EXISTING STORM SEWER SHALL BE REMOVED AFTER EACH RAIN AND AFFECTED AREAS CLEANED TO THE SATISFACTION OF THE OWNER. ALL AT THE EXPENSE OF THE CONTRACTOR THE SILT FENCES SHALL BE REMOVED AND THE SILT REMOVED FROM THE PAVING AREAS BY THE CONTRACTOR AFTER THE TUBE IS ESTABLISHED.
7. THE CONTRACTOR SHALL BE RESPONSIBLE FOR COMPLIANCE WITH AND THE MONITORING REQUIREMENTS OF THE MPCA PERMIT. ALL RESTORED AREAS (CREEK BEDDINGS, PAVING LOTS, WALKING AREAS, AND SEEDINGS) SHALL BE RESTORED WITH A MINIMUM 4 INCHES TOPSOIL, SEEDED AND MULCHED (TYPE B). SEEDING SHALL BE IN ACCORDANCE WITH MNDOT SPECIFICATION 2670. SEED MIX 25-111 @ 21 LBS/ACRE (OR APPROVED EQUAL). CORMANT SEEDING AREAS SHALL BE SEEDED AND MULCHED IN ACCORDANCE WITH MNDOT SPECIFICATIONS. STORM MULCHING QUANTITY SHALL BE TWO TONS PER ACRE. FERTILIZERS (10-10-20) SHALL BE APPLIED AT A RATE OF 200 POUNDS PER ACRE (OR AS OBTAINED IN LANDSCAPED AREAS IF LANDSCAPED SEEDING IS DONE CONCURRENTLY). MNDOT SEED MIX 21-113 APPLIED AT A RATE OF 110 LBS/ACRE SHALL BE USED FOR TEMPORARY SEEDING IF NEEDED.
8. IRRIGATION BASINS SHALL BE SEEDED WITH MNDOT SEED MIX 23-281 WITH PROWALOCK MATRIX.
9. CONSTRUCTION SHALL PROCEED IN THE FOLLOWING SEQUENCE:  
 a. CONTRACTOR SHALL SCHEDULE A PRE-CONSTRUCTION MEETING WITH THE CITY.  
 b. INSTALL EROSION CONTROL, MULCHES AND ROCK CONSTRUCTION ENTRANCE.  
 c. CONTACT CITY FOR APPROVAL OF EROSION CONTROL INSTALLATION.  
 d. WHENEVER EROSION MULCHING, I.E. SILT FENCES, ROCK CONSTRUCTION ENTRANCE, WHEREVER ALL SEEDING/TOPSOIL PONES, COMPLETE SITE GRADING TOLERANCES.  
 e. INSTALL SEED AND MULCH ON AREAS THAT ARE NOT TO BE PAVED SURFACES.
10. ALL STORM SEWER INLETS AND FLARED END SECTIONS SHALL BE ADEQUATELY PROTECTED BEFORE AND AFTER PAVEMENT CONSTRUCTION UNTIL ALL NOTIFIED AREAS ARE STABILIZED. CONTRACTOR SHALL PLACE WASH PIPES AND DOWNSPUTS OVER ALL OPEN DRAIN ORIFICE INLETS UNTIL PAVING SURFACES ARE PAVED AND THE LANDSCAPING IS COMPLETED.
11. STOCKPILE AREAS WHICH REMAIN ON THE SITE FOR MORE THAN SEVEN DAYS SHALL BE SEEDED, MULCHED, AND SURROUNDED BY SILT FENCE.
12. SEE LISTS SHALL BE INSTALLED AT FIVE INLETS AND OUTLETS UNTIL WRAP IS INSTALLED. PERMANENT ENERGY DISPENSERS SHALL BE INSTALLED WITHIN 24 HOURS OF CONNECTION TO A SURFACE WATER.
13. EROSION AND SEDIMENT CONTROL PRACTICES MUST REMAIN IN PLACE UNTIL THE SITE SOILS HAVE BEEN PERMANENTLY STABILIZED AND SHALL BE REMOVED WITHIN 90 DAYS THEREOF.
14. ALL STOCKPILES OF SOIL OR OTHER MATERIALS SUBJECT TO EROSION BY WIND OR WATER SHALL BE COVERED, WEATHERED, ENCLOSED, FENCED ON THE DOWN GRADIENT SIDE OR OTHERWISE EFFECTIVELY PROTECTED FROM EROSION IN ACCORDANCE WITH THE AMOUNT OF TIME THE MATERIAL WILL BE ON SITE AND THE MANNER OF ITS PROPOSED USE.
15. LOCATION OF CONCRETE MIXTURES AND HAZARDOUS MATERIALS STORAGE SHALL BE DETERMINED PRIOR TO START OF CONSTRUCTION. THE SWPPP WILL BE UPDATED AND LOCATIONS ADDED AT THAT TIME.
16. TEMPORARY OR PERMANENT STABILIZATION SHALL BE INSTALLED IMMEDIATELY TO LIMIT SOIL EROSION AND SHALL BE COMPLETED NO LATER THAN SEVEN DAYS AFTER THE CONSTRUCTION ACTIVITY IN THAT PORTION OF THE SITE HAS TEMPORARILY OR PERMANENTLY CEASED. INSTALLED IMMEDIATELY MEANS TAKING AN ACTION TO COMMENCE STABILIZATION AS SOON AS PRACTICABLE, BUT NO LATER THAN THE END OF THE WORK DAY, FOLLOWING THE DAY WHICH THE EARTH-RESTORING ACTIVITIES HAVE TEMPORARILY OR PERMANENTLY CEASED. INSTALLED IMMEDIATELY MEANS TAKING AN ACTION TO COMMENCE STABILIZATION AS SOON AS PRACTICABLE, BUT NO LATER THAN THE END OF THE WORK DAY, FOLLOWING THE DAY WHICH THE EARTH-RESTORING ACTIVITIES HAVE TEMPORARILY OR PERMANENTLY CEASED. INSTALLED IMMEDIATELY MEANS TAKING AN ACTION TO COMMENCE STABILIZATION AS SOON AS PRACTICABLE, BUT NO LATER THAN THE END OF THE WORK DAY, FOLLOWING THE DAY WHICH THE EARTH-RESTORING ACTIVITIES HAVE TEMPORARILY OR PERMANENTLY CEASED. INSTALLED IMMEDIATELY MEANS TAKING AN ACTION TO COMMENCE STABILIZATION AS SOON AS PRACTICABLE, BUT NO LATER THAN THE END OF THE WORK DAY, FOLLOWING THE DAY WHICH THE EARTH-RESTORING ACTIVITIES HAVE TEMPORARILY OR PERMANENTLY CEASED.
17. THE CONTRACTOR SHALL PROVIDE AND INSTALL A SWPPP WALKOFF (INCIDENTAL).

**EROSION CONTROL BLANKET REQUIREMENTS**

1. TEMPORARY EROSION BLANKET SHALL BE UNDEGRADEABLE DOUBLE-NET STRAW (NORTH AND/OR GREEN 5150 OR APPROVED EQUAL) AND EROSION MATS SHALL HAVE A MINIMUM FUNCTIONAL LENGTH OF 10 METERS.
2. EROSION BLANKET PLACED ON SLOPES 3:1 OR GREATER SHALL BE ROLLED DOWN SLOPE AND WITH 4" MINIMUM LAP AND STAPLED AT 1' O.C.
3. CONSTRUCT A #1012 ANCHOR TYPIC 3' BEYOND CREST AND TIE OF SLOPE. STAPLE EROSION BLANKET IN TRENCH AT 1' O.C.
4. COPS SHALL BE STABILIZED WITH MNDOT TRM CATEGORY 1 TURF REINFORCEMENT MAT.

**CITY OF BIG LAKE  
MINNESOTA**

A general meeting of the City Council of the City of Big Lake, Minnesota was called to order by Mayor Mike Wallen at 6:00 p.m. in the Council Chambers of City Hall, Big Lake, on Wednesday, January 8, 2020. The following Council Members were present: Seth Hansen, Rose Johnson, Paul Knier, Mike Wallen, and Scott Zettervall. A motion to adopt the following resolution was made by Council Member \_\_\_\_\_ and seconded by Council Member \_\_\_\_\_.

**CITY OF BIG LAKE  
RESOLUTION NO. 2020-XX**

**RESOLUTION APPROVING A PRELIMINARY PLAT, SITE AND BUILDING PLAN,  
AND DEVELOPMENT STAGE PLANNED UNIT DEVELOPMENT PLAN FOR  
STATION STREET APARTMENTS**

**WHEREAS**, the Big Lake Planning Commission conducted a public hearing on December 4, 2019 to consider development applications for the following:

- A Rezoning of PID #65-029-2101 to “T.O.D., Planned Unit Development” from “Agricultural”
- Preliminary Plat of Station Street Apartments
- Site and Building Plan
- Development Stage Planned Unit Development

**WHEREAS**, the Concept Plan for the Station Street Apartments was considered by the City Council on October 23, 2019.

**WHEREAS**, the Big Lake Planning Commission conducted a public hearing on December 4, 2019 and recommended, with a 6-0 vote, that the City Council approve the Development Stage Planned Unit Development, Preliminary Plat and Site Plans subject to the conditions identified herein; and

**WHEREAS**, notice of the public hearings were duly published and posted in accordance with applicable Minnesota Statutes and persons interested in said applications were afforded the opportunity to present their views and objections related to the project; and

**WHEREAS**, the Station Street Apartments Preliminary Plat, Development Stage PUD Plan and Site & Building Plans conform to the requirements of the Zoning Ordinance, the conditions recommended for the concept plan approval and requirements of the

Subdivision Ordinance with some flexibility from the City's default standards provided through the PUD process. The proposed development will be consistent with the Comprehensive Plan; and

**WHEREAS** the City Council of Big Lake makes the following Findings of Fact and decision:

A. A site location map showing the project location within the City is attached as Exhibit B.

B. The Planning Report dated January 8, 2020, shall be the governing document which includes the following attachments:

- Attachment A: Site Location Map
- Attachment B: Public Hearing Notice
- Attachment C: Engineer's Memo
- Attachment D: Preliminary Plat and Engineering Plans
- Attachment E: Landscape Plan
- Attachment F: Building Elevations
- Attachment G: Graphic Renderings
- Attachment H: TOD Station Zoning Map

C. The legal description of the subject property is attached as Exhibit A.

D. The Preliminary Plat is attached as Exhibit C.

E. Public Hearing Notices for the two (2) public hearings that were held for applications related to the project are attached as Exhibit D.

F. The proposed high-density residential development will be compatible with present and future land uses of the area.

G. The proposed high-density residential development will not tend to or actually depreciate the area in which it is proposed.

H. The proposed high-density residential development can be accommodated with existing and future planned public and private services and will not overburden the City's service capacity.

I. Traffic generated by the proposed high-density residential development is within capabilities of streets serving the property.

**NOW THEREFORE, BE IT RESOLVED** by the City Council of the City of Big Lake that it hereby approves the Station Street Apartments preliminary plat, the Development Stage Planned Unit Development Plan and Site & Building plans for Station Street Apartments subject to the following conditions:

## **PLANNING AND ZONING CONDITIONS**

1. Development Stage PUD approval is granted. A rezone to PUD-Planned Unit Development with a base zoning district of TOD-Transit Oriented Development shall be processed concurrently with the approval of the final plat and Final Plan PUD. The following Planned Unit Development (PUD) flexibility shall be granted in accordance with the approved plans:
  - a. All lots are allowed to have less than the 60% minimum impervious surface coverage.
  - b. The buildings are allowed to exceed the maximum setback as shown on the approved plans.
  - c. The main entrances for each apartment building are allowed to be setback more than five feet from the front property line.
  - d. Parking lots and accessory garage structures are allowed to be located in the front yards.
  - e. The applicant is allowed to exceed the maximum parking allowed and provide 218 spaces.
  - f. The applicant is not required to construct more than six garage structures.
  - g. The applicant is not required to provide building façades with the minimum material standards. The buildings will be constructed with the materials shown on the approved plans.
  - h. The applicant is not required to construct a sidewalk along County Road 43 NW.
  - i. The applicant is not required to construct pedestrian amenities such as benches, public art, planters, trash receptacles, etc. along sidewalks and in landscaped areas, open spaces and plazas.
  - j. One monument sign is allowed.
2. The PUD approval is for three (3) apartment buildings, six (6) accessory garage structures and an accessory pool house structure. No additional buildings may be built without a revision to the PUD.
3. The review and approval of the site improvement pursuant to the requirements of City adopted building and fires codes shall be in addition to the site plan review process. The site plan approval process does not imply compliance with the requirements of these codes.
4. All construction plans officially submitted to the City shall be treated as a formal agreement between the Applicant and the City. Once approved, no changes, modifications, or alterations shall be made to any plan detail, standard, or specification without prior submittal of a plan modifications request to the City Planner for review and approval.
5. A sign permit is required before any signage may be installed. All signage must be setback 10 feet from all property lines.

6. Additional information regarding the phasing of the project should be submitted with the final PUD application.
7. The lighting plan should be revised to show compliance with ordinance.
8. Prior to the issuance of any permit for land alteration, the applicant shall provide a financial guarantee (letter of credit or escrow payment) in the amount 125% of the estimated cost to furnish and plant materials including irrigation, mulch, and other landscape materials. This financial guarantee shall be provided separately for each phase of development.
9. The security shall be maintained for at least one (1) year after the date that the last landscape materials have been planted. Upon a showing by the applicant and such inspection as may be made by the City, that portion of the security may be released by the City equal to one hundred twenty-five (125) percent of the estimated cost of the landscape materials which are alive and healthy at the end of such year. Any portion of the security not entitled to be released at the end of the year shall be maintained and shall secure the applicant's responsibility to remove and replant landscape materials which are not alive or are unhealthy at the end of such year and to replant missing trees. Upon completion of replanting said landscape materials, the entire security may be released. Any ornamental grass planted shall be guaranteed for a full two (2) years from the time planting is completed.
10. An irrigation system shall be required to ensure the viability of landscape materials.
11. A park dedication cash-in-lieu payment shall be made at a level consistent with the City Code and approved Fee Schedule. Residential developments are required to dedicate 10% of the value of the land with an established minimum per-unit fee. The City will allow the park dedication fee payments to be phased and shall require that the Applicant pay the park dedication cash requirement for the units in each individual phase prior to the issuance of the building permit for that phase of development. The current fee schedule, which has a minimum per unit charge of \$2,500, would require a park dedication fee of \$262,500 for the 105 residential units. One third of that amount shall be paid with each apartment building's building permit. Park dedication for OUTLOT A shall be collected at the time of a future final plat when it is platted as a developable lot.
12. Sewer Access Charges (SAC) and Water Access Charges (WAC) will be collected at the time of building permit issuance.
13. Trunk sewer and trunk water charges will be calculated at the time of final plat. Trunk sewer and trunk water charges will be collected at the time of building permit issuance for each phase of development.

14. The Applicant will need to enter into a development agreement and PUD agreement with the City prior to development. A Development Contract/PUD Agreement shall be drafted by the City Attorney prior to approval of the Final Plat.
15. This approval is contingent upon implementation of the rezone of the subject properties to PUD- Planned Unit Development with a base zoning district of TOD-Transit Oriented Development. The rezone ordinance shall be processed concurrently with the final plat.
16. The Applicant shall address the comments/conditions of the Engineer's Letter dated November 26, 2019 and revise their plans accordingly. There are five (5) comments/conditions relating to the ALTA Survey, nine (9) comments/conditions relating to the Preliminary Plat, and twenty-three (23) comments/conditions relating to the construction plans.
17. Any conditions of the Planning Commission, City Council, Staff, consultants, or other agencies responsible for the review of this development application.

### ***ENGINEERING CONDITIONS***

#### ***ALTA Survey:***

1. The sanitary sewer manhole text is illegible.
2. The existing concrete sidewalk and curbing should be labeled.
3. Street widths should be shown.
4. Only one wetland is identified. The second wetland boundary should be shown on the survey.
5. The intersection of Forest Road and County Highway No. 43 right of ways should be monumented.

#### ***Preliminary Plat:***

1. The plat name shall be clearly identified.
2. The preliminary plat shall include the name and registration number of the surveyor responsible for the plat.
3. The external dimensions of the property shall be clearly identified by distances and bearings.

4. The County Highway No. 43 right of way shall be clearly identified by distances and bearings.
5. Lot and Block numbers shall be clearly noted on the plat.
6. The proposed lot areas are noted in terms of square feet. The outlot area is identified in acres. The lot and outlot areas shall be noted with consistent area units.
7. Setbacks shall be identified for each proposed lot.
8. All sanitary sewer, watermain, and storm sewer, except for the storm sewer across Lot 2, is contained within drainage and utility easements. The applicant should provide clarification as to why the storm sewer across Lot 2 is not contained within a drainage and utility easement.
9. All access and parking easements shall be identified on the plat.

***Construction Plans:***

1. The applicant shall submit a wetland replacement plan and obtain all required approvals prior to construction.
2. The applicant shall obtain a MDH watermain extension permit and submit a copy to the city.
3. The applicant shall obtain a work within the right of way permit from the City of Big Lake.
4. The applicant shall obtain a work within the right of way permit from Sherburne County. A copy of the permit shall be submitted to the city.
5. The applicant shall obtain a NPDES Construction Stormwater Permit and shall submit a copy of the permit to the city prior to construction.
6. The applicant shall enter into a Stormwater Maintenance Agreement for the infiltration basins on the property.
7. The applicant shall prepare a Stormwater Maintenance Plan for the infiltration basins to be included in the Stormwater Maintenance Agreement.
8. The applicant shall provide infiltration test results for each of the proposed infiltration basins.
9. The applicant shall obtain soil borings to verify groundwater depth and soil type within the proposed infiltration basin locations and submit the data to the City of Big Lake for review.

10. The SWPPP identifies silt fence installation such that the existing sidewalk along Forest Road and Station Street will be contained within the construction area. The silt fence location shall be adjusted so that the sidewalk remains usable throughout construction.
11. The infiltration basins shall be seeded with MnDOT seed mix 35-221. The notes referencing seed mixtures on sheets 7 and 8 shall be revised.
12. The property accesses shall be constructed with radi a minimum of 15 feet in length.
13. Additional spot elevations or intersection details shall be provided for the proposed site accesses.
14. The applicant shall submit a traffic control plan for the review of the city prior to excavating within the Forest Road right of way.
15. The Forest Road bituminous, aggregate base, curb and gutter, and sidewalk shall be replaced no more than 48 hours following the watermain connection.
16. A temporary pedestrian access route shall be provided whenever construction impacts the existing sidewalk.
17. Note 6. on sheet 5 of 12 shall be revised. Test water shall not be disposed of into the city's sanitary sewer system.
18. Umbrella anchorage assemblies shall be provided for all gate valves.
19. The contractor shall be responsible for obtaining two consecutive passing bacteriological tests from the proposed watermain. Testing results shall be provided to the City of Big Lake.
20. A gate valve shall be added to the proposed water service for the building located on Lot 3.
21. Two additional gate valves shall be installed near MH 3.
22. All construction shall be in accordance with the City of Big Lake Standards.
23. Revised plans incorporating the above reference comments shall be labeled "Final Plans for Construction" and shall be submitted for the review of the City of Big Lake.

Adopted by the Big Lake City Council on the 8<sup>th</sup> day of January, 2020.

**Exhibit A**  
**Legal Description**

The following description was provided in Chicago Title Insurance Company Commitment No. C-19-1225 which has an effective date of September 16, 2019 at 8:00 A.M.

**SHERBURNE COUNTY**

A portion of the Northeast Quarter of the Northwest Quarter of Section 29, all in Township 33, Range 27, Sherburne County, Minnesota, except the South 280.00 feet of said Northeast Quarter of the Northwest Quarter as measured at a right angle to the south line of said Northeast Quarter of the Northwest Quarter.

(Torrens, Certificate of Title No. 10881)  
**REGISTERED PROPERTY**

More particularly described as follows:

All that part of the Northeast Quarter of the Northwest Quarter of Section 29, Township 33, Range 27, Sherburne County, Minnesota, except the South 280.00 feet of said Northeast Quarter of the Northwest Quarter as measured at a right angle to the south line of said Northeast Quarter of the Northwest Quarter, and also except those parts platted in STATION STREET ACRES EAST and NORTHERN STAR APARTMENTS, according to the recorded plats thereof, and also except Parcel 3, Tract B, described in Final Certificate Document Number 681396, as follows:

Tract B:

The Northeast Quarter of the Northwest Quarter of Section 29, Township 33 North, Range 27 West, Sherburne County, Minnesota, except the South 280.00 feet of said Northeast Quarter of the Northwest Quarter as measured at a right angle to the south lien of said Northeast Quarter of the Northwest Quarter; the title thereto being registered as evidenced by Certificate of Title Number 5034.

Which lies easterly of the easterly right of way line of County Road Number 43, as now located and established, northerly and westerly of Line 1 described below, and southerly and easterly of Line 2 described below:

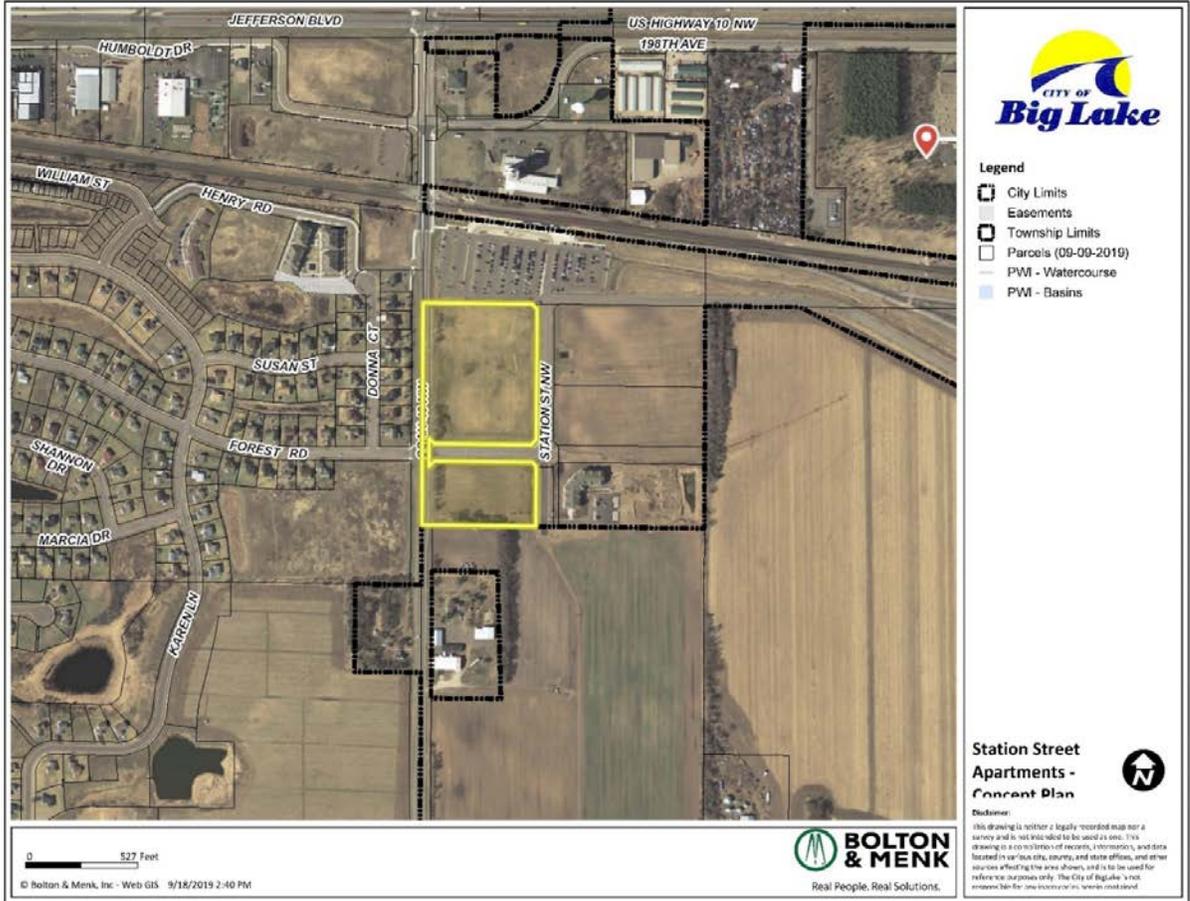

- Line 1.            Beginning at the north quarter corner of said Section 29; thence run westerly along the north line of said section on a bearing of North 89 degrees 27 minutes 21 seconds West for 683.42 feet; thence South 00 degrees 13 minutes 17 seconds West, 615.84 feet; thence South 44 degrees 27 minutes 12 seconds East, 35.17 feet; thence South 00 degrees 13 minutes 17 seconds West, 69.67 feet; thence South 44 degrees 54 minutes 28 seconds West, 35.16 feet; thence North 89 degrees 27 minutes 21 seconds West, 80.28 feet; thence North 44 degrees 27 minutes 21 seconds West, 28.24 feet; thence North 89 degrees 27 minutes 21 seconds West, 458.81 feet; thence South 45

degrees 13 minutes 17 seconds West, 35.35 feet to an intersection with the east line of said County Road Number 43 and there terminating.

Line 2.

Commencing at the north quarter corner of said Section 29; thence run westerly on a bearing of North 89 degrees 27 minutes 21 seconds West along the north line of said section for 813.69 feet and the point of beginning of Line 2 to be described; thence South 44 degrees 27 minutes 21 seconds East, 35.08 feet; thence South 00 degrees 13 minutes 17 seconds West, 609.08 feet; thence South 45 degrees 13 minutes 17 seconds West, 35.26 feet; thence North 89 degrees 27 minutes 21 seconds West, 454.13 feet; thence North 44 degrees 27 minutes 21 seconds West, 35.48 feet to an intersection with the easterly right of way line of said County Road Number 43 and there terminating.

**PROPERTY DESCRIPTION**

The following description was provided in Chicago Title Insurance Company Commitment No. C-18-1225 which has an effective date of September 16, 2019 at 8:00 A.M.

SHERBURNE COUNTY  
 A portion of the Northeast Quarter of the Northeast Quarter of Section 29, all in Township 33, Range 27, Sherburne County, Minnesota, except the South 280.00 feet of said Northeast Quarter of the Northeast Quarter as measured at a right angle to the south line of said Northeast Quarter of the Northeast Quarter.

(Traverse Certificate of Title No. 10881)  
 REGISTERED PRIORITY

More particularly described as follows:  
 All that part of the Northeast Quarter of the Northeast Quarter of Section 29, Township 33, Range 27, Sherburne County, Minnesota, except the South 280.00 feet of said Northeast Quarter of the Northeast Quarter as measured at a right angle to the south line of said Northeast Quarter of the Northeast Quarter, and also except those parts platted in STATION STREET ACRES EAST and NORTHERN STAR APARTMENTS, according to the recorded plats thereof, and also except Parcel 3, Tract B, described in Final Certificate Document Number 681,396, as follows:

Tract B:  
 The Northeast Quarter of the Northeast Quarter of Section 29, Township 33 North, Range 27 West, Sherburne County, Minnesota, except the South 280.00 feet of said Northeast Quarter of the Northeast Quarter as measured at a right angle to the south line of said Northeast Quarter of the Northeast Quarter, the 516 there to being registered as evidenced by Certificate of Title Number 5024, which lies easterly of the easterly right of way line of County Road Number 43, as now located and established, northerly and westerly of Line 1 described below, and southerly and easterly of Line 2 described below:

- Line 1: Beginning at the north quarter corner of said Section 29; thence run westerly along the north line of said section on a bearing of North 89 degrees 27 minutes 21 seconds West for 653.42 feet; thence South 00 degrees 12 minutes 17 seconds West, 815.84 feet; thence South 44 degrees 27 minutes 12 seconds East, 35.17 feet; thence South 00 degrees 13 minutes 17 seconds West, 69.67 feet; thence South 44 degrees 27 minutes 21 seconds West, 28.24 feet; thence North 89 degrees 27 minutes 21 seconds West, 458.81 feet; thence South 45 degrees 13 minutes 17 seconds West, 35.35 feet to an intersection with the east line of said County Road Number 43 and there terminating.
- Line 2: Commencing at the north quarter corner of said Section 29; thence run westerly on a bearing of North 89 degrees 27 minutes 21 seconds West along the north line of said section for 813.69 feet and the point of beginning of Line 2 to be described; thence South 44 degrees 27 minutes 21 seconds East, 35.08 feet; thence South 00 degrees 13 minutes 17 seconds West, 609.08 feet; thence South 45 degrees 13 minutes 17 seconds West, 35.26 feet; thence North 89 degrees 27 minutes 21 seconds West, 454.13 feet; thence North 44 degrees 27 minutes 21 seconds West, 35.48 feet to an intersection with the westerly right of way line of said County Road Number 43 and there terminating.

## Exhibit D Public Hearing Notices

### CITY OF BIG LAKE NOTICE OF PUBLIC HEARING CONCEPT PLAN FOR A PROJECT KNOWN AS "STATION STREET APARTMENTS"

You are hereby notified that the Big Lake Planning Commission will hold a public hearing in order to consider a concept plan for a project known as "Station Street Apartments". The public hearing will be held in the Big Lake City Council Chambers located at 160 Lake Street North, Big Lake, MN on: **Wednesday, October 2, 2019 at or about 6:30 p.m.**

**Applicant:** Kuepers Inc.  
17018 Commercial Park Road  
Brainerd, MN 56401

**Parcel Identification Number:** 65-029-2101

**Location Description:** Parcel directly south of the Big Lake Station Park and Ride, on the western side of Station Street NW. Parcel boundary bisected by Forest Rd. Development proposed only for portion of parcel north of Forest Rd.

The Applicant is proposing to build an apartment community on 7.3 acres directly south of the Northstar Train Station. The concept plan calls for three 35-unit apartment buildings, accessory garage structures, surface parking, and on-site amenities. The shared on-site amenities, such as outdoor pool and playground area, are located between the three structures. The development is proposed as market rate rentals. This public hearing is for a concept plan. The Planning Commission and members of the community are asked to provide the Applicant with feedback to take into consideration as they plan out the more specific details of their development.

Both oral and written comments will be considered by the Planning Commission. If you desire to be heard in reference to this matter, you should attend this hearing or submit written comments to City Hall. If you have any questions, please feel free to contact Sara Woolf, Planning Consultant at 612-638-0227 or [SWolf@biglakemn.org](mailto:SWolf@biglakemn.org).

Michael Healy, City Planner  
160 Lake Street North  
Big Lake, MN

RE: Station Street Apartments  
City of Big Lake, Minnesota  
Project No.: W18.119768

Dear Michael,

We have reviewed the ALTA Survey, Preliminary Plat, drainage calculations, and preliminary construction plans submitted by Kuepers Architects and Builders, Inc. The documents for the above referenced project are dated October 31, 2019 and we have the following comments:

**ALTA Survey:**

1. The sanitary sewer manhole text is illegible.
2. The existing concrete sidewalk and curbing should be labeled.
3. Street widths should be shown.
4. Only one wetland is identified. The second wetland boundary should be shown on the survey.
5. The intersection of Forest Road and County Highway No. 43 right of ways should be monumented.

**Preliminary Plat:**

1. The plat name shall be clearly identified.
2. The preliminary plat shall include the name and registration number of the surveyor responsible for the plat.
3. The external dimensions of the property shall be clearly identified by distances and bearings.
4. The County Highway No. 43 right of way shall be clearly identified by distances and bearings.
5. Lot and Block numbers shall be clearly noted on the plat.
6. The proposed lot areas are noted in terms of square feet. The outlot area is identified in acres. The lot and outlot areas shall be noted with consistent area units.
7. Setbacks shall be identified for each proposed lot.
8. All sanitary sewer, watermain, and storm sewer, except for the storm sewer across Lot 2, is contained within drainage and utility easements. The applicant should provide clarification as to why the storm sewer across Lot 2 is not contained within a drainage and utility easement.
9. All access and parking easements shall be identified on the plat.

**Construction Plans:**

1. The applicant shall submit a wetland replacement plan and obtain all required approvals prior to construction.
2. The applicant shall obtain a MDH watermain extension permit and submit a copy to the city.
3. The applicant shall obtain a work within the right of way permit from the City of Big Lake.
4. The applicant shall obtain a work within the right of way permit from Sherburne County. A copy of the permit shall be submitted to the city.
5. The applicant shall obtain a NPDES Construction Stormwater Permit and shall submit a copy of the permit to the city prior to construction.
6. The applicant shall enter into a Stormwater Maintenance Agreement for the infiltration basins on the property.
7. The applicant shall prepare a Stormwater Maintenance Plan for the infiltration basins to be included in the Stormwater Maintenance Agreement.
8. The applicant shall provide infiltration test results for each of the proposed infiltration basins.
9. The applicant shall obtain soil borings to verify groundwater depth and soil type within the proposed infiltration basin locations and submit the data to the City of Big Lake for review.
10. The SWPPP identifies silt fence installation such that the existing sidewalk along Forest Road and Station Street will be contained within the construction area. The silt fence location shall be adjusted so that the sidewalk remains usable throughout construction.
11. The infiltration basins shall be seeded with MnDOT seed mix 35-221. The notes referencing seed mixtures on sheets 7 and 8 shall be revised.
12. The property accesses shall be constructed with radi a minimum of 15 feet in length.
13. Additional spot elevations or intersection details shall be provided for the proposed site accesses.
14. The applicant shall submit a traffic control plan for the review of the city prior to excavating within the Forest Road right of way.
15. The Forest Road bituminous, aggregate base, curb and gutter, and sidewalk shall be replaced no more than 48 hours following the watermain connection.
16. A temporary pedestrian access route shall be provided whenever construction impacts the existing sidewalk.
17. Note 6. on sheet 5 of 12 shall be revised. Test water shall not be disposed of into the city's sanitary sewer system.
18. Umbrella anchorage assemblies shall be provided for all gate valves.
19. The contractor shall be responsible for obtaining two consecutive passing bacteriological tests from the proposed watermain. Testing results shall be provided to the City of Big Lake.
20. A gate valve shall be added to the proposed water service for the building located on Lot 3.
21. Two additional gate valves shall be installed near MH 3.
22. All construction shall be in accordance with the City of Big Lake Standards.
23. Revised plans incorporating the above reference comments shall be labeled "Final Plans for Construction" and shall be submitted for the review of the City of Big Lake.

Michael Healy, City Planner  
November 26, 2019  
Page 3

We recommend approval of the Preliminary Plat contingent on the above referenced comments and those comments received by Sherburne County, other city staff, commissions, and council.

If you have any questions on the above, please call.

Sincerely,

**Bolton & Menk, Inc.**

**NOTES:**

- BOUNDARY AND EXISTING CONDITION INFORMATION PER SURVEY PREPARED BY WENCK ASSOCIATES, DATED 10/24/2019.
- ALL EXISTING CONDITIONS SHALL BE VERIFIED BY THE CONTRACTOR.
- REFER TO ARCHITECTURAL PLANS FOR BUILDING DIMENSIONS AND LOCATIONS OF EXITS, RAMPS, CONCRETE APRONS AND STAIRS.
- ALL PAVEMENT STRIPING SHALL BE 4" WIDE LINES, STRIPED USING HIGH VISIBILITY TRAFFIC AND HIGHWAY APPROVED WHITE PAINT. PROVIDE APPROPRIATE STRIPING AND PAVEMENT MARKINGS FOR ALL HANDICAP PARKING AND ACCESSIBLE AREAS.
- DIMENSIONS TAKE PRECEDENCE OVER SCALE. ALL DIMENSIONS ARE TO BACK OF CURB, EDGE OF SIDEWALK OR EXTERIOR BUILDING UNLESS OTHERWISE NOTED.
- UNLESS OTHERWISE INDICATED ON THE PLAN, CONTRACTOR SHALL PROVIDE CONTROL JOINTS, CONSTRUCTION JOINTS, AND EXPANSION JOINTS IN SLAB ON GRADE SIDEWALKS AND CONCRETE DRIVES. CONTROL JOINT MAXIMUM SPACING: WALLS - 8' O.C., ALL OTHERS - 10' O.C. SAW CUT CONTROL JOINTS MINIMUM ONE-QUARTER CONCRETE THICKNESS. EXPANSION JOINT MAXIMUM SPACING: WALLS - 24' O.C., ALL OTHERS - 40' O.C. DOWEL ALL EXPANSION JOINTS - MAXIMUM 2" O.C.
- PEDESTRIAN RAMPS SHALL BE INSTALLED AT ALL LOCATIONS WHERE SIDEWALK MEETS CURB.
- WHEN DOING ANY WORK WITHIN THE PUBLIC RIGHT OF WAY, THE CONTRACTOR SHALL COORDINATE THE REMOVAL LIMITS WITH THE CITY.
- CONTRACTOR SHALL BE RESPONSIBLE FOR ENSURING THAT ALL SIDEWALKS AND ACCESS ROUTES MEET ADA AND UNDOT GUIDELINES FOR ACCESSIBILITY.
- CONTRACTOR SHALL VERIFY CONDUIT REQUIREMENTS FOR POWER AND IRRIGATION.
- CONTRACTOR SHALL BE RESPONSIBLE FOR COORDINATING WITH THE FIRE MARSHAL THE LOCATION OF FIRE LANE SIGNAGE AND CURB MARKINGS (IF NEEDED).
- ALL NEW UTILITIES SHALL BE UNDERGROUND. COORDINATE LOCATIONS WITH UTILITY PROVIDERS.
- SEWERLINES SHALL BE CONSTRUCTED WITH A MINIMUM CROSS SLOPE OF 2%. ANY SIDEWALK EXCEEDING 2% CROSS SLOPE MUST BE REMOVED AND REPLACED AT CONTRACTOR'S EXPENSE.

**GENERAL NOTES:**

- PRIOR TO STARTING CONSTRUCTION, THE CONTRACTOR SHALL VERIFY THAT ALL PERMITS AND APPROVALS HAVE BEEN OBTAINED. NO CONSTRUCTION SHALL BEGIN UNTIL THE CONTRACTOR HAS RECEIVED ALL PLANS AND OTHER DOCUMENTS APPROVED BY THE PERMITTING AUTHORITIES.
- WORK SHALL BE PERFORMED IN ACCORDANCE WITH THE PLANS AND SPECIFICATIONS AND THE REQUIREMENTS AND STANDARDS OF THE LOCAL GOVERNING AUTHORITY. THE SUELS REPORT AND RECOMMENDATION SET FORTH THEREIN ARE A PART OF THE REQUIRED CONSTRUCTION DOCUMENTS AND IN CASE OF CONFLICT SHALL TAKE PRECEDENCE UNLESS SPECIFICALLY NOTED OTHERWISE ON THE PLANS. THE CONTRACTOR SHALL NOTIFY THE ENGINEER OF ANY DISCREPANCY BETWEEN THE SUELS REPORT AND PLANS.

- NOTES:
- BOUNDARY AND EXISTING CONDITION INFORMATION PER SURVEY PREPARED BY WENCK ASSOCIATES, DATED 10/24/2018.
  - THE LOCATION AND ELEVATION OF ALL EXISTING UTILITIES SHALL BE VERIFIED BY THE CONTRACTOR PRIOR TO CONSTRUCTION. THE ENGINEER SHALL BE NOTIFIED IMMEDIATELY OF ANY CONFLICTS.
  - THE CONTRACTOR SHALL PROTECT ALL EXISTING UTILITIES AND FACILITIES TO ALLOW PROPER FUNCTIONING DURING AND AFTER CONSTRUCTION. IF REQUIRED, SHALL BE SUPPLIED BY THE CONTRACTOR AS WORK INCIDENTAL TO THE CONTRACT.
  - THE CONTRACTOR SHALL IMMEDIATELY NOTIFY THE ENGINEER OF ANY CONFLICTS BETWEEN EXISTING UTILITIES AND THE PROPOSED CONSTRUCTION. THE ENGINEER WILL COOPERATE WITH UTILITY COMPANY IN QUESTION TO DETERMINE THE NEED FOR RELOCATION OF THE EXISTING UTILITY.
  - EXISTING CONDITIONS SUCH AS SAND, MANHOLES, OR WELLS SHALL BE IDENTIFIED BY THE CONTRACTOR AND THESE SHALL BE REPORTED TO THE ENGINEER PRIOR TO EXCAVATION BY THE CONTRACTOR. ONE CONTRACTOR HAS BEEN ALL OWNERS TO UNDERGROUND UTILITIES WILL BE ASSUMED TO HAVE BEEN CAUSED BY THE CONTRACTOR AND REPAIRS NECESSARY SHALL BE PERFORMED BY THE CONTRACTOR AT THE CONTRACTOR'S EXPENSE.
  - THE CONTRACTOR SHALL COORDINATE WITH THE LOCAL JURISDICTION TO OBTAIN PERMITS AND METER FOR WATER SERVICE. ALL ASSOCIATED COSTS SHALL BE INCIDENTAL TO THE CONTRACTOR, INCLUDING DISPOSAL OF TEST WATER INTO CITY'S SANITARY SEWER SYSTEM. THE CONTRACTOR SHALL NOT UPDATE GATE VALVES OR HYDRANTS ON THE CITY WATER SYSTEM WITHOUT FIRST RECEIVING CITY APPROVAL.
  - THE CONTRACTOR SHALL NOTIFY THE CITY ENGINEER AND THE PROJECT ENGINEER 48 HOURS PRIOR TO STARTING WORK OR AS REQUIRED BY THE CITY.
  - THE CONTRACTOR SHALL KEEP ACCESS ROADS CLEAR OF SOIL OR OTHER DEBRIS AND PERFORM ONLY STREET CLEANING AS REQUIRED. POSITIVE DRAINAGE CONTROLLED WITH DIVERSION CONTROL AND DIVERSION PREVENTION MEASURES AS REQUIRED SHALL BE PERFORMED.
  - THE CONTRACTOR SHALL MAINTAIN AND PROTECT THE MARKERS AND MONUMENTS SET FOR THE SUBDIVISION OF LAND.
  - THE CONTRACTOR SHALL SCHEDULE THE SOILS ENGINEER TO FULFILL CERTIFICATION OF ALL CONTROLLED FILLS IN A TIMELY MANNER. DENSITY TESTS SHALL MEET THE FOLLOWING:
    - DENSITY TESTS SHALL BE TAKEN ON ALL TRINCHES AT LOCATIONS AS DETERMINED BY THE ENGINEER OR HIS REPRESENTATIVE.
    - WITHIN 3 FEET OF PAVEMENT SUBGRADE CONTRACTOR SHALL UTILIZE IMPROVED SOLS THAT ARE WITHIN 1% OPTIMUM MOISTURE CONTENT. COMPACTION SHALL MEET 100% STANDARD PROCTOR. BELOW THE UPPER 3 FEET, COMPACTION SHALL BE 93%. GRADING TOLERANCE SHALL BE 0.1".
  - THE OWNER SHALL PAY FOR ALL COMPACTION TESTING. ANY AREAS WHICH FAIL TO MEET THE ABOVE STANDARDS SHALL BE CORRECTED AND RE-TESTED BY THE OWNER'S TESTING AGENT AT THE CONTRACTOR'S EXPENSE.
  - SANITARY SEWER AND WATERMAIN SHALL BE INSTALLED AT ELEVATIONS SHOWN ON THE PLAN. WHERE WATERMAIN MUST BE LOWERED TO AVOID CONFLICT WITH ANOTHER UTILITY, THE COST OF BENDS, FITTINGS, ETC. SHALL BE CONSIDERED INCIDENTAL TO THE CONTRACT.
  - CONTRACTOR SHALL PROVIDE TEMPORARY TRAFFIC CONTROL IN COMPLIANCE WITH THE CURRENT INDOT TEMPORARY TRAFFIC CONTROL ZONE LAYOUTS FIELD MANUAL FOR CONSTRUCTION ADJACENT TO TRUCKS, BAYS.
  - CONTRACTOR SHALL BE RESPONSIBLE FOR VERIFICATION OF THE DEPTH OF EXISTING UTILITIES LISTED ON THIS PLAN PRIOR TO DIGGING OF ANY FITTINGS, STRUCTURES, CATCHES, ETC. ENGINEER AND THE OWNER SHALL NOT BE RESPONSIBLE FOR ANY DISCREPANCIES FOUND AS DEPTHS ARE ESTIMATED.
  - CONTACT CITY FOR INSPECTION PRIOR TO CONNECTING TO EXISTING CITY UTILITIES.
  - CONTRACTOR TO COMPLY WITH ALL REGULATORY AGENCY PERMIT CONDITIONS FOR PERMITS OBTAINED BY OWNER AND FOR PERMITS OBTAINED BY GENERAL CONTRACTOR.
  - ALL WORK PERFORMED AND MATERIALS USED FOR CONSTRUCTION OF UTILITIES MUST CONFORM TO THE CITY OF BIG LAKE STANDARD SPECIFICATIONS AND DETAILS.
  - SANITARY SEWER SERVICES SHALL BE 4" PVC SDR 26.
  - SANITARY SEWER SERVICE TO POOL BUILDING SHALL BE 4" PVC SDR 26.
  - ALL SANITARY SEWER MANHOLE COVERS SHALL BE ADJUSTED WITH LATHEX HOPE ADJUSTING RINGS.
  - WATER SERVICE SHALL BE 8" DP CL 52.
  - WATER SERVICE TO POOL BUILDING SHALL BE 1" TYPE K COPPER, FORD 840-80-56 6" CURB BOX WITH 78" HOOD, FORD 822-4444-NL CURB STOP, FORD F800-111 CORPORATION STOP OR APPROVED EQUAL.
  - ALL WATERMAIN SHALL BE INSTALLED WITH 8" COVER MINIMUM.
  - WELLS LOGS AND/OR COATED HOODS ARE REQUIRED FOR THIS WATERMAIN.
  - PIPE MIGRANTS SHALL BE WITNESSED AND 6" TO 12" WITH AN BREAKOFF SECTION. COLOR AND THIRDS SHALL WITHIN CITY OF BIG LAKE STANDARDS.
  - VERIFY LOCATION OF THE DEPARTMENT CONNECTION (DOC) WITH MECHANICAL ENGINEER SUBJECT TO REVIEW BY THE FIRE CHIEF.
  - INSTALL CONNECTIONS INTO THE BUILDING. VERIFY LOCATION WITH MECHANICAL ENGINEER.
  - THE LOCATION, SIZE AND ELEVATION OF THE EXISTING SEWER AND WATER IS SHOWN PER CITY RECORD PLANS. THE PLAN SHOWS THE APPROXIMATE SECTION. THE CONTRACTOR SHALL BE RESPONSIBLE FOR LOCATING THE EXISTING UTILITIES PRIOR TO BEGINNING CONSTRUCTION.

- NOTES:**
- BOUNDARY AND EXISTING CONDITION INFORMATION FOR SURVEY PREPARED BY VENCK ASSOCIATES, DATED 10/24/2019.
  - THE LOCATION AND ELEVATION OF ALL EXISTING UTILITIES SHALL BE VERIFIED BY THE CONTRACTOR PRIOR TO CONSTRUCTION. THE ENGINEER SHALL BE NOTIFIED IMMEDIATELY OF ANY CONTACTS.
  - THE CONTRACTOR SHALL PROTECT ALL EXISTING UTILITIES AND FACILITIES TO ALLOW PROPER FUNCTIONING DURING AND AFTER CONSTRUCTION. SUPPORTING STRUCTURES, IF REQUIRED, SHALL BE SUPPLIED BY THE CONTRACTOR AS WORK INCIDENTAL TO THE CONTRACT.
  - THE CONTRACTOR SHALL IMMEDIATELY NOTIFY THE ENGINEER OF ANY CONTACTS BETWEEN EXISTING UTILITIES AND THE PROPOSED CONSTRUCTION. THE ENGINEER WILL COORDINATE WITH UTILITY COMPANIES IN QUESTION TO DETERMINE THE NEED FOR RELOCATION OF THE EXISTING UTILITY.
  - THE CONTRACTOR SHALL KEEP ACCESS ROADS CLEAR OF SOIL OR OTHER DEBRIS, AND RETURN ONLY STRICTLY CLEANING AS REQUIRED. PROTECT REMAINING CONTROLLED WITH DIRTWORK CONTROL AND EROSION PREVENTION MEASURES AS REQUIRED SHALL BE REFORMED.
  - THE CONTRACTOR SHALL PRESERVE AND PROTECT THE MARKERS AND MONUMENTS SET FOR THE SUBDIVISION OF LAND.
  - THE CONTRACTOR SHALL SCHEDULE THE SOILS ENHANCED TO FACILITATE COMPLETION OF ALL CONTROLLED TILES IN A TIMELY MANNER. DENSITY TESTS SHALL MEET THE FOLLOWING: DENSITY TESTS SHALL BE TAKEN ON ALL TRENCHES AT LOCATIONS AS DETERMINED BY THE ENGINEER OR HIS REPRESENTATIVE.
  - WITHIN 3 FEET OF PAVEMENT SUBGRADE CONTRACTOR SHALL UTILIZE IMPROVED SOILS THAT ARE WITHIN 1% OPTIMUM MOISTURE CONTENT. CONTRACTOR SHALL MEET MOSE STANDARD PROCTOR. BELOW THE UPPER SURFACE, CONTRACTOR SHALL BE 95% GROUND TELEVISION SHALL BE 11".
  - THE OWNER SHALL PAY FOR ALL COMPACTION TESTING. ANY AREAS WHICH FAIL TO MEET THE ABOVE STANDARDS SHALL BE CORRECTED AND RE-TESTED BY THE OWNER'S TESTING AGENT AT THE CONTRACTOR'S EXPENSE.
  - CONTRACTOR SHALL PROVIDE TEMPORARY TRAFFIC CONTROL IN COMPLIANCE WITH THE CURRENT WISCONSIN TEMPORARY TRAFFIC CONTROL ZONE LAYOUTS FIELD MANUAL FOR CONSTRUCTION ADJACENT TO TRAVEL LANE.
  - CONTRACTOR SHALL BE RESPONSIBLE FOR VERIFICATION OF THE DEPTH OF EXISTING UTILITIES LISTED ON THIS PLAN PRIOR TO ORDERING OF ANY FITTINGS, STRUCTURES, CASTINGS, ETC. ENGINEER AND THE OWNER SHALL NOT BE RESPONSIBLE FOR ANY DISCREPANCIES FOUND AS DEPTHS ARE ESTIMATED.
  - CONTACT CITY FOR INSPECTION PRIOR TO CONNECTING TO EXISTING CITY UTILITIES.
  - ALL WORK PERFORMED AND MATERIALS USED FOR CONSTRUCTION OF UTILITIES MUST CONFORM TO THE CITY OF BIG LAKE STANDARD SPECIFICATIONS AND DETAILS.
  - ALL STORM SEWER MANHOLE CASTINGS SHALL BE ADJUSTED WITH LAUREN HOPE ADJUSTING RINGS. CATCHBASIN CASTINGS SHALL BE ADJUSTED WITH CONCRETE ADJUSTING RINGS.
  - ALL STORM SEWER STRUCTURES SHALL HAVE PRECAST CONCRETE JOSE SECTIONS WITH A MINIMUM 1" DEEP SUMP.
  - BRIMP SHALL BE CONCRETE. BRIMP AT POND OUTLETS SHALL EXTEND TO BOTTOM OF POND.

CALL 48 HOURS BEFORE DIGGING:  
**GOPHER STATE ONE CALL**  
 TRN CITY AREA: 651-454-0002  
 TOLL FREE: 1-800-252-1166

**GENERAL NOTES**

- CONSTRUCTION SHALL COMPLY WITH ALL APPLICABLE GOVERNING CODES.
- THE CONTRACTOR SHALL TAKE ALL PRECAUTIONS NECESSARY TO AVOID PROPERTY DAMAGE TO ADJACENT PROPERTIES DURING THE CONSTRUCTION PHASES OF THIS PROJECT. THE CONTRACTOR WILL BE HELD SOLELY RESPONSIBLE FOR ANY DAMAGES TO THE ADJACENT PROPERTIES OCCURRING DURING THE CONSTRUCTION PHASES OF THE PROJECT.
- THE CONTRACTOR MUST CONTACT ALL APPROPRIATE UTILITY COMPANIES AT LEAST 48 HOURS BEFORE ANY EXCAVATION TO REQUEST EXACT FIELD LOCATION OF EXISTING UTILITIES. IT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR TO RELOCATE ALL UTILITIES WHICH CONFLICT WITH THE PROPOSED IMPROVEMENTS SHOWN ON THESE PLANS. THE LOCATIONS OF SMALL UTILITIES SHALL BE OBTAINED BY THE CONTRACTOR BY CALLING GOPHER STATE ONE CALL (1-800-252-1166).
- THE CONTRACTOR SHALL MARK THE LOCATIONS OF EXISTING GATE VALVES AND MANHOLES WITH STEEL FENCE POSTS PRIOR TO BEGINNING GRADING.
- SAFETY NOTICE TO CONTRACTORS: IN ACCORDANCE WITH GENERALLY ACCEPTED CONSTRUCTION PRACTICES, THE CONTRACTOR WILL BE SOLELY AND COMPLETELY RESPONSIBLE FOR CONDITIONS ON THE JOB SITE, INCLUDING SAFETY OF ALL PERSONS AND PROPERTY DURING PERFORMANCE OF THE WORK. THIS REQUIREMENT WILL APPLY CONTINUOUSLY AND NOT BE LIMITED TO NORMAL WORKING HOURS. THE CITY OF THE OWNER OR THE REGULATOR TO CONDUCT CONSTRUCTION REVIEW OF THE CONTRACTOR'S PERFORMANCE IS NOT INTENDED TO INCLUDE REVIEW OF THE ADEQUACY OF THE CONTRACTOR'S SAFETY MEASURES IN, ON OR NEAR THE CONSTRUCTION.
- THE CONTRACTOR SHALL BE RESPONSIBLE FOR PROVIDING AND MAINTAINING TRAFFIC CONTROL DEVICES SUCH AS BARRICADES, WARNING SIGNS, DIRECTIONAL SIGNS, FLASHING AND LIGHTS TO MAINTAIN THE MOVEMENT OF TRAFFIC. WHERE NECESSARY, TRAFFIC CONTROL DEVICES SHALL CONFORM TO APPROPRIATE MINNESOTA DEPARTMENT OF TRANSPORTATION STANDARDS.
- THE CONTRACTOR SHALL RESTRICT ALL GRADING AND CONSTRUCTION ACTIVITIES TO AREAS DESIGNATED ON THE PLANS. ACTIVITIES PROHIBITED OUTSIDE THE CONSTRUCTION BOUNDARIES INCLUDE, BUT ARE NOT LIMITED TO: STOCKPILING SOILS AND OTHER MATERIAL, STORING EQUIPMENT OR OTHER MACHINERY, DRIVING VEHICLES, LEAKING OR SPILLING OF ANY "WASHOUT" OR OTHER TOXIC MATERIALS.
- ALL SOIL TESTING SHALL BE COMPLETED BY THE OWNER'S SOILS ENGINEER. THE CONTRACTOR SHALL BE RESPONSIBLE FOR COORDINATING ALL REQUIRED SOIL TESTS AND INSPECTIONS WITH THE SOILS ENGINEER.
- PRIOR TO PLACEMENT OF ANY STRUCTURE OR PAVEMENT, A TEST ROLL WILL BE REQUIRED ON THE SUBGRADE. THE CONTRACTOR SHALL PROVIDE A LOADED "STANDARD" AXLE TRUCK WITH A GROSS WEIGHT OF 25 TONS. THE TEST ROLLING SHALL BE AT THE DISCRETION OF THE SOILS ENGINEER AND SHALL BE COMPLETED IN AREAS AS DIRECTED BY THE SOILS ENGINEER. THE SOILS ENGINEER SHALL DETERMINE WHICH SECTIONS ARE UNUSUAL. CORRECTION OF THE SUBGRADE SOILS SHALL BE COMPLETED IN ACCORDANCE WITH THE REQUIREMENTS OF THE SOILS ENGINEER AND AS SPECIFIED.
- THE EXISTING TOPSOIL ON THIS SITE VARIES IN DEPTH. IT IS THE CONTRACTOR'S RESPONSIBILITY THAT ALL SURFACE VEGETATION AND ANY TOPSOIL, OR OTHER LOOSE, SOFT OR OTHERWISE UNSUITABLE MATERIAL BE REMOVED FROM THE PARKING LOT AND BUILDING PAD AREAS PRIOR TO PLACEMENT OF ANY DRAINAGE IN ACCORDANCE WITH THE SOILS ENGINEER'S RECOMMENDATION OF THE SOILS ENGINEER.
- EMBANKMENT MATERIAL NOT PLACED IN THE STREET, PARKING LOT OR BUILDING PAD AREAS SHALL BE COMPACTED IN ACCORDANCE WITH THE REQUIREMENTS OF THE QUALITY CONTROL METHOD AS OUTLINED IN MN/DOT 2105.3F2 OR AS DIRECTED BY THE SOILS ENGINEER.
- EXCAVATION FOR THE PURPOSE OF SHOWING UNUSUAL OR UNSUITABLE SOILS SHALL BE COMPLETED AS REQUIRED BY THE SOILS ENGINEER. DRAINAGE MATERIAL PLACED IN THE PARKING LOT SHALL BE COMPACTED IN ACCORDANCE WITH THE SPECIFIED DENSITY METHOD AS OUTLINED IN MN/DOT 2105.3F1. EMBANKMENT MATERIAL PLACED IN THE BUILDING PAD AREA SHALL BE COMPACTED IN ACCORDANCE WITH THE SOILS ENGINEER.
- TOLERANCES:  
 a. THE STREET AND PARKING LOT SUBGRADE FINISHED SURFACE ELEVATION SHALL NOT VARY BY MORE THAN 0.05 FOOT ABOVE OR 0.10 FOOT BELOW, THE PRESCRIBED ELEVATION OF ANY POINT WHERE MEASURED IS MADE.  
 b. AREAS WHICH ARE TO BE GRADED TOPSOIL SHALL BE GRADED TO WITHIN 0.20 FOOT ABOVE OR BELOW THE REQUIRED ELEVATION, UNLESS DIRECTED BY THE ENGINEER.  
 c. TOPSOIL SHALL BE GRADED TO PLUS OR MINUS 1/8 INCH OF THE SPECIFIED THICKNESS.
- ALL DISTURBED UNGRADED AREAS ARE TO IMMEDIATELY RECEIVE FOUR INCHES OF TOPSOIL, SEED AND MULCH AND BE WATERED UNTIL A HEALTHY STAND OF GRASS IS OBTAINED.
- SPOT ELEVATIONS SHOWN INDICATE FINISHED GRADE ELEVATION UNLESS OTHERWISE NOTED.
- PROPOSED CONTOURS ARE TO FINISHED SURFACE GRADE.

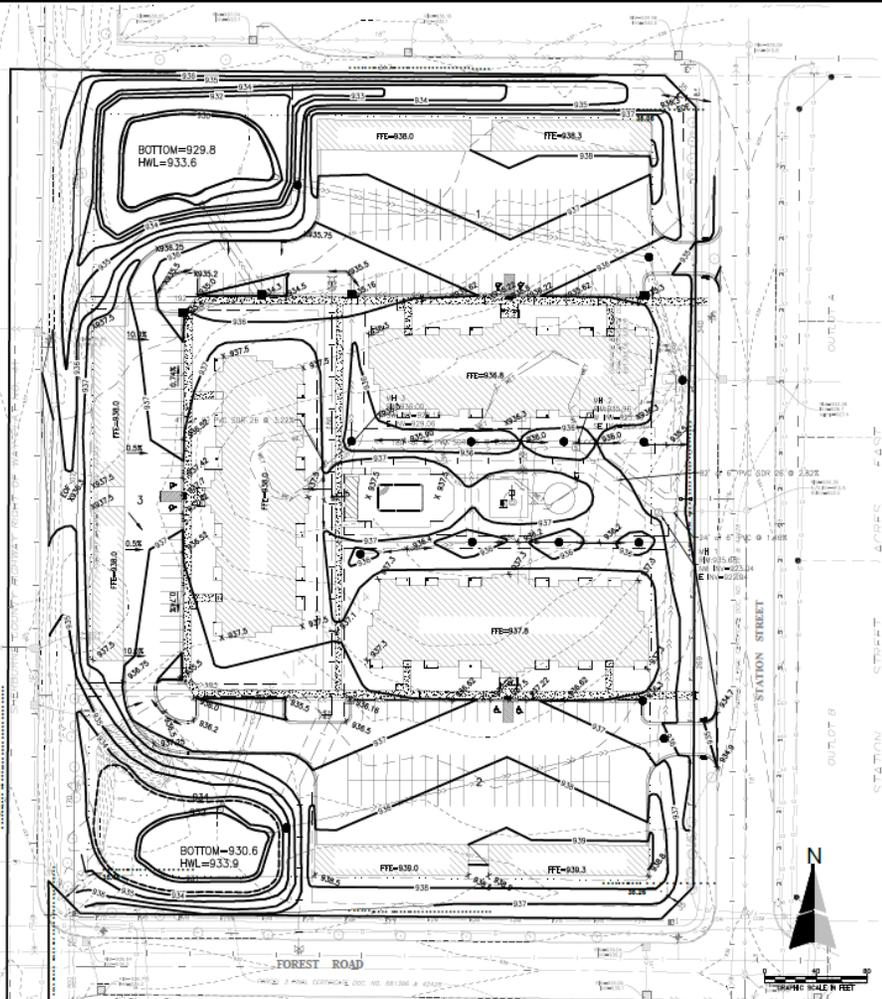

**REINFORCEMENT BASIN GRADING**

- THE CONTRACTOR SHALL AVOID COMPACTING THE BASIN BOTTOM. RUBBER Tired EQUIPMENT SHALL BE PROHIBITED WHEN WORKING IN THE BASIN AREA.
- BASIN BOTTOMS UP TO THE FIRM WATER ELEVATION SHALL BE REFINISHED WITH IMPROVISED SEED MIX 25-20-1.
- IF THE ABOVE FIRM SUBGRADE ELEVATION UNTIL THE GRADING IS SUBSTANTIALLY COMPLETE. ONCE UPGRADED REINFORCEMENT HAS BEEN ESTABLISHED, THE BASIN SHALL BE GRADED TO SUBGRADE ELEVATION. THE NATIVE SOILS RECOMPACTED TO A DEPTH OF 12"-18" AND THE BASIN REFINISHED.

**CAUTION NOTES:**

THE CONTRACTOR IS SPECIFICALLY CAUTIONED THAT THE LOCATION AND/OR ELEVATION OF EXISTING UTILITIES AS SHOWN ON THESE PLANS IS BASED ON RECORDS OF THE VARIOUS UTILITY COMPANIES AND, WHERE POSSIBLE, MEASUREMENTS TAKEN IN THE FIELD. THE INFORMATION IS NOT TO BE RELIED ON AS BEING EXACT OR COMPLETE.

THE CONTRACTOR MUST CONTACT ALL THE APPROPRIATE UTILITY COMPANIES AT LEAST 48 HOURS BEFORE ANY EXCAVATION TO REQUEST EXACT FIELD LOCATION OF UTILITIES. IT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR TO RELOCATE ALL EXISTING UTILITIES WHICH CONFLICT WITH THE PROPOSED IMPROVEMENTS SHOWN ON THE PLANS. THE LOCATIONS OF SMALL UTILITIES SHALL BE OBTAINED BY THE CONTRACTOR BY CALLING GOPHER STATE ONE CALL AT 800-252-1166 OR 651-454-0002.

- EROSION/SILTATION CONTROL**
1. ALL EROSION CONTROL AND SILTATION CONTROL WILL COMPLY WITH MINNESOTA'S BEST MANAGEMENT PRACTICES MANUAL AND REGULATIONS OF THE CITY.
  2. THE CONTRACTOR SHALL BE FAMILIAR WITH AND FOLLOW ALL REQUIREMENTS OF THE MPCA PHASE I PERMIT FOR CONSTRUCTION ACTIVITIES INCLUDING EROSION CONTROL MEASURES. INSPECTION AFTER SIFT/INSTALL OR MORE AND DOCUMENTATION OF ALL CORRECTIVE MEASURES. BY BEGINNING CONSTRUCTION, THE CONTRACTOR ACKNOWLEDGES THE TERMS OF THIS PERMIT AND AGREES TO ABIDE BY THE PERMIT.
  3. THE CONTRACTOR SHALL PERFORM ANY CORRECTIVE MEASURES ORDERED BY THE CITY OR THE MPCA WITHIN 24 HOURS OF NOTIFICATION. ALSO, ADDITIONAL CONTROL MEASURES DEEMED NECESSARY BY EITHER THE CITY OR THE MPCA SHALL BE INSTALLED WITHIN 24 HOURS OF NOTIFICATION.
  4. ANY DEPOSITING OF SILT OR MUD ON HIGH OR EXISTING PAVEMENT, IN TEMPORARY SEDIMENTATION BASINS, OR IN EXISTING STORM SEWERS OR SHALL BE REMOVED AFTER EACH RAIN AND AFFECTED AREAS CLEANED. REMOVAL FROM EXISTING PAVEMENTS SHALL BE ACCOMPLISHED BY SWEEPING.
  5. THE CONTRACTOR SHALL ASSUME COMPLETE RESPONSIBILITY FOR CONTROLLING ALL SILTATION INCLUDING BUT NOT LIMITED TO ROCK ENTRANCES AND/OR SILT FENCES. CONTROL SHALL COMMENCE WITH GRADING AND CONTINUE THROUGHOUT THE PROJECT UNTIL ACCEPTANCE OF THE WORK BY THE OWNER. THE CONTRACTOR'S RESPONSIBILITY INCLUDES ALL DESIGN AND IMPLEMENTATION AS REQUIRED TO PREVENT EROSION AND THE DEPOSITING OF SILT. THE OWNER MAY, AT HIS/HER OPTION DIRECT THE CONTRACTOR IN HIS/HER METHODS AS DEEMED FIT TO PROTECT PROPERTY AND INFRASTRUCTURE.
  6. ANY DEPOSITING OF SILT IN CHANNELS OR EXISTING STORM SEWER SHALL BE REMOVED AFTER EACH RAIN AND AFFECTED AREAS CLEANED TO THE SATISFACTION OF THE OWNER. ALL AT THE EXPENSE OF THE CONTRACTOR. THE SILT REMOVED SHALL BE REUSED AND THE SILT REMOVED FROM THE PAVING AREAS BY THE CONTRACTOR AFTER THE TYPIC IS ESTABLISHED.
  7. THE CONTRACTOR SHALL BE RESPONSIBLE FOR COMPLIANCE WITH ALL THE MAINTENANCE REQUIREMENTS OF THE MPCA PERMIT.
  8. ALL DISTURBED AREAS, EXCEPT ROADWAYS, PAVING LOTS, BUILDING AREAS, AND SEWERALS, SHALL BE RESTORED WITH A MINIMUM 4 INCHES TOPSOIL, SEEDED AND MULCHED (TYPE B). SEEDING SHALL BE IN ACCORDANCE WITH MNDOT SPECIFICATION 2076. SEED MIX 22-111 @ 21 LBS/ACRE (OR APPROVED EQUAL). CORVANT SEEDING AREAS SHALL BE SEEDED AND MULCHED IN ACCORDANCE WITH MNDOT SPECIFICATIONS. STORM MULCHING QUANTITY SHALL BE TWO TONS PER ACRE. FERTILIZER (10-10-20) SHALL BE APPLIED AT A RATE OF 200 POUNDS PER ACRE (OR AS OBTAINED IN LANDSCAPING AREA). F LANDSCAPING SEEDING IS DONE CONCURRENTLY, MIXED SEED MIX 21-113 APPLIED AT A RATE OF 110 LBS/ACRE SHALL BE USED FOR TEMPORARY SEEDING IF NEEDED.
  9. INFILTRATION BASINS SHALL BE SEEDED WITH MIXED SEED MIX 33-261 WITH HYDRIC/MULCH MATRIX.
  10. CONSTRUCTION SHALL PROCEED IN THE FOLLOWING SEQUENCE:
    - a. CONTRACTOR SHALL SCHEDULE A PRE-CONSTRUCTION MEETING WITH THE CITY.
    - b. INSTALL EROSION CONTROL MEASURES AND ROCK CONSTRUCTION ENTRANCE.
    - c. CONTACT CITY FOR APPROVAL OF EROSION CONTROL INSTALLATION.
    - d. MAINTAIN EROSION MONITORING, I.E. SILT FENCE, ROCK CONSTRUCTION ENTRANCE.
    - e. MAINTAIN ALL SEDIMENTATION PONES. COMPLETE SITE GRADING TOLERANCES.
  11. INSTALL SEEDS AND MULCH ON AREAS THAT ARE NOT TO BE PAVED SURFACES.
  12. ALL STORM SEWER INLETS AND FLANGES AND SECTIONS SHALL BE ADEQUATELY PROTECTED BEFORE AND AFTER PAVEMENT CONSTRUCTION UNTIL ALL DISTURBED AREAS ARE STABILIZED. CONTRACTOR SHALL PLACE WARD PILES AND GRAPES OVER ALL OTHER WARD GRAPES. BARRIERS UNTIL PAVING SURFACES ARE FINISHED AND THE LANDSCAPING IS COMPLETED.
  13. STOCKPILE AREAS WHICH REMAIN ON THE SITE FOR MORE THAN SEVEN DAYS SHALL BE SEEDS, MULCHED, AND SURROUNDED BY SILT FENCE.
  14. SEE LOGS SHALL BE INSTALLED AT FIVE INLETS AND OUTLETS UNTIL WRAP IS INSTALLED. PERMANENT ENERGY DISPENSERS SHALL BE INSTALLED WITHIN 24 HOURS OF CONNECTION TO A SURFACE WATER.
  15. EROSION AND SEDIMENT CONTROL PRACTICES MUST REMAIN IN PLACE UNTIL THE SITE SOILS HAVE BEEN PERMANENTLY STABILIZED AND SHALL BE REMOVED WITHIN 90 DAYS THEREOF.
  16. ALL STOCKPILES OF SOIL OR OTHER MATERIALS SUBJECT TO EROSION BY WIND OR WATER SHALL BE COVERED, WEATHERED, ENCLOSED, FENCED OR THE DOWN CURRENT SIDE OR STREAMS EFFECTIVELY PROTECTED FROM EROSION IN ACCORDANCE WITH THE AMOUNT OF TIME THE MATERIAL WILL BE ON SITE AND THE MANNER OF ITS PROPOSED USE.
  17. LOCATION OF CONCRETE WALKWAYS AND HAZARDOUS MATERIALS STORAGE SHALL BE DETERMINED PRIOR TO START OF CONSTRUCTION. THE SWPPP WILL BE UPDATED AND LOCATIONS ADDED AT THAT TIME.
  18. TEMPORARY OR PERMANENT STABILIZATION SHALL BE INSTALLED IMMEDIATELY TO LIMIT SOIL EROSION AND SHALL BE COMPLETED NOT LATER THAN SEVEN DAYS AFTER THE CONSTRUCTION ACTIVITY IN THAT PORTION OF THE SITE HAS TEMPORARILY OR PERMANENTLY CEASED. INSTALLED IMMEDIATELY MEANS TAKING ACTION TO COMMENCE STABILIZATION AS SOON AS PRACTICABLE BUT NO LATER THAN THE END OF THE WORK DAY, FOLLOWING THE DAY WHEN THE EARTH-RESTORING ACTIVITIES HAVE TEMPORARILY OR PERMANENTLY CEASED. INSTALLED STABILIZATION IS DEFINED AS EITHER AS COMPLETION OF THE FOLLOWING: SOIL PREPARATION FOR RESEEDING, MULCHING OR OTHER NON-VEGETATIVE BMP, SEEDING/PLANTING, OR SCHEDULING STABILIZATION MEASURES TO BE FULLY INSTALLED AND COMPLETED WITHIN THE 7 DAY TIMEFRAME.
  19. THE CONTRACTOR SHALL PROVIDE AND INSTALL A SWPPP WALKWAY (INCIDENTAL).

- EROSION CONTROL BLANKET REQUIREMENTS**
1. TEMPORARY EROSION BLANKET SHALL BE UNDEGRADEABLE COLORED-NET STRAW (NORTH AMERICAN GREEN S150 OR APPROVED EQUAL) AND EROSION MATS SHALL HAVE A MINIMUM FUNCTIONAL LENGTH OF 10 METERS.
  2. EROSION BLANKET PLACED ON SLOPES 3:1 OR GREATER SHALL BE ROLLED DOWN SLOPE AND WITH 4" MINIMUM LAP AND STAPLED AT 1' O.C.
  3. CONSTRUCT A 6"x12" ANCHOR TRENCH 3' BEYOND CREST AND TIE OF SLOPE. STAPLE EROSION BLANKET IN TRENCH AT 1' O.C.
  4. COPS SHALL BE STAPLED WITH MNDOT TM CATEGORY 1 TYPIC REINFORCEMENT MAT.

## **ACTION REQUESTED**

Motion to approve a RESOLUTION adopting the 2020 Official City Appointments.

## **BACKGROUND/DISCUSSION**

The attached Resolution identifies proposed City and Council Committee appointments for 2020. As there haven't been any significant changes to the Council since appointments were reviewed in July last year, Mayor Wallen is not recommending any further changes to Council appointments at this time.

The attached Resolution reflects appointments that have been effect since July 2019. Any requested changes can be discussed at the meeting prior to adoption of the Resolution.

## **FINANCIAL IMPACT**

Big Lake City Council

<b>Prepared By:</b> Joel Scharf, Chief of Police	<b>Meeting Date:</b> 1/8/2020	<input checked="" type="checkbox"/> <b>Regular Agenda Item</b> <input type="checkbox"/> <b>Consent Agenda Item</b>	<b>Item No.</b> <b>7C</b>
<b>Item Description:</b> Acceptance of Police Canine Program Donations		<b>Reviewed By:</b> Clay Wilfahrt, City Administrator	
		<b>Reviewed By:</b> Deb Wegeleben, Finance Director	

### **ACTION REQUESTED**

Motion to approve a Resolution accepting donations towards the Big Lake Police Canine Program from the Big Lake American Legion Post 147, the Big Lake American Legion Auxiliary, and Fanberg Auctions.

### **BACKGROUND/DISCUSSION**

The Big Lake Police Department Canine Program is currently an ongoing project in which donations of have been solicited and welcomed. The following donations were recently received:

1. The Big Lake American Legion and Legion Auxiliary have been generous supporters of our Canine Program, donating to date \$16,000. Because the expense of this program is ongoing, donations are always welcomed to sustain our activities. It is requested to accept a donation from the Big Lake American Legion and Legion Auxiliary in the amount of \$2,000.
2. The Big Lake Police Department recently sold at auction a 2004 Chevrolet Tahoe through Fanberg Auctions. The owner of Fanberg Auctions, P.J. Fanberg donated the commission from this sale back to the Big Lake Police Department Canine Program. It is requested to accept a donation from the Fanberg Auctions in the amount of \$1,050.

### **FINANCIAL IMPACT**

Positive Financial Impact upon Police Department

### **STAFF RECOMMENDATION**

Accept Donations as presented
