### Night to Unite 2018 – August 7<sup>th</sup>

Night to Unite is a national event utilized to symbolize a community's resolve to fight crime together. The strongest tool we have as a police department, is that of working in partnership with our residents to combat crime, and report suspicious activity. Many of our citizens tips, result in significant arrests and cases being solved. With this effort, the night is used to bring the community together to strengthen neighborhood spirit and police-community relationships.

We are asking neighborhoods to come together for this night. Take the lead, plan an event for your neighborhood, and bring your neighbors together for this awesome night. This is a great opportunity to get to know your neighbor, your Big Lake Police Department, allowing us to build partnerships which work hand in hand. Our entire department will be in for this event, we will be attending all block clubs that come together.

Captain Sam Olson will be coordinating Night to Unite for our department. If you are going to hold a block club party, please contact him and let him know the location, times, and what we can do to assist you with this event; [solson@biglakepolice.com](mailto:solson@biglakepolice.com), 763-251-2986. Our citizens are our eyes and ears to what's taking place in Big Lake regarding criminal and suspicious activity, please take the opportunity to bring your neighbors together to take this to the next level.
