Suspect Arrested for Narcotic Possession

On August 17, 2019 at approximately 10:05 pm Officer Silas Reek stopped a vehicle for an equipment violation. While speaking to the driver Officer Reek smelled a strong odor of marijuana coming from inside the vehicle. Officer Reek observed the front seat passenger, Mickey Eggen (Age 32 – Milaca, MN), had a clear plastic baggie containing a green leafy substance on his lap.

A search of the vehicle resulted in the discovery of an e-cigarette cartridge containing a thick yellowish liquid that appeared to be tetrahydrocannabinol (THC) in the center console. A black square box containing 13 e-cigarette cartridges containing the same yellowish liquid in “Dank Dates” packaging was located on the floor in the backseat area of the vehicle. A field test of one of the 13 cartridges from the box tested positive for THC.

Eggen was arrested and booked into the Sherburne County Jail. Eggen was charged by criminal complaint with; Felony 5th Degree Controlled Substance (Schedule I controlled substance)
