

February 6, 2026 - Design and Project Goals Meeting

On February 6, 2026, a design and project goals meeting was held with City staff, Bradbury Stamm Construction, GLTArchitects, and BKV Architects.

Discussion topics included:

- Overall project goals and aspirations
- Community vision and long-term objectives
- The importance of community outreach and how the building design can support public engagement
- Key attributes necessary to ensure project success

The team conducted a detailed review of the previously completed space needs programming for City Hall, the Library space, and the Police Department. Site layout concepts were discussed, including the need for continued coordination with County officials and city engineer regarding site details.
